4. I wish to bring to your notice in this connection that ever since this institution started, Travelling Allowance has been granted to students (single fare to and fro) for Survey camps, Project Course and Inspection Tours. Following the same practice, I have this year also included under the head, "Survey Camp & Irrigation Tours - 37(d) E.1.4 Other Charges" similar provision for travelling allowance to students and the allotment has been sanctioned. If now, suddenly the students are to forego this benefit which they have been enjoying hitherto and are to pay out of their pockets for Instruction Tours, etc., it will create such discontent among them as to make these tours and project courses of little instructional value. I also understand from Sri N.S.Krishnaswami Iyengar, Principal, College of Engineering, Anantapur, and Sri V.H.Sadarangani, Principal, College of Engineering, Kakinada, when they were here two months back, that the Director has already sanctioned similar T.A. expenses to students of their Colleges for this year.

Under the circumstances, I trust that no differential treatment will be offered to the students of this College. As the Director will know, the students are themselves bearing incidental charges in connection with instructional tours and camps, like accommodation, hotel charges, etc., I request that early orders may be passed in the matter.

Yours faithfully,
Sd. --
Principal.
