Office of the
Director of Public Instruction
Madras 30-3-1950

From
The Director of Public Instruction,
Madras.

To
The Secretary to Government,
Education Department,
Fort St, George,
Madras.

Sir,
Sub:- Colleges - Rajah's College, Pudukkottai - Tuition
fees etc. from 1950-51 -

In their Memorandum No. 15105-3/49 A Education dated
29-4-49 Government directed that tuition fees in the Rajah's
College, Pudukkottai might continue to be levied at Pudukkottai
rates during the academic year 1949-50 also. In the current
year fees were levied in respect of B.Com. course also as in the
case of B.A. I consider that in future there need be no discri-
mination between the Rajah's College, Pudukkottai and other Govern-
ment Colleges in the matter of fees. I propose that from the next
academic year tuition and special fees may be levied in the Pudu-
kkottai College as in other Government Arts Colleges. In order
that the junior students in the current year, who paid fees at
Pudukkottai rates, may not feel any grievance, they may, however,
be permitted to pay fees at Pudukkottai in their senior classes
for the next academic year only.

The question of fees in regard to the state Secondary schools
may be taken up for consideration when their future management is
settled.

Yours faithfully,

For Director of Public Instruction.
