Rec.No.424-K3/50 dated 3-5-1950.

Schools - Government High School for girls, Angalur -
Temporary posts sanctioned on fixed pay - continu-
ance - Sanction - Requesting.

I have the honour to report that during the current school year i.e., 1949-50, I permitted the opening of an additional section in each of forms I and II of the Government Girls High School, Angalur as there was need for the same, and sanctioned under the powers vested in me, the employment of two secondary grade teachers for the additional sections under reference, on fixed pay from the date of appointment to the end of the current school year. The present form war strength of the school, as well as the probable strength of the school during 1950-51, is furnished below:

Present strength

Forms I 65	Form IV 29
Forms II 54	" V 23
Forms III 41	" VI 17

Probable strength

Form I 60	Form IV 40
" II 65	" V 29
" III 54	" VI 20

The present strength of Form I necessitates the continuance of the additional section in Form II during the next year. Form I being the basic class of the secondary school, there is bound to be rush for admission to the form, and sufficient strength for 2 sections can be expected in Form I also during the next year. There is therefore need for the continuance of the two posts of secondary grade teachers. I therefore request that Government may kindly sanction their continuance for a period of one year from 1-6-1950 and the posts may be in the usual time scale of pay.

Yours faithfully,

N. Srinivas
