G.O.Ms.No. 1532 Education, dated 17th May 1950

Abstract.

SCHOOLS - Secondary - Hindustani teachers-in-Grade II having teaching work in the higher forms - Grant of a special pay of Rs. 10/- p.m. Sanctioned.

- -

ORDER:-

Hindustani teachers in Secondary schools under Government local bodies and private managements are divided into two grades namely, those who are employed in high schools and whose work is completely in the higher forms and who are therefore classed as Grade I and those employed in middle schools or middle school departments of high schools who are placed in Grade II. There are Hindustani teachers whose work is partly in the higher forms and partly in the lower forms of high schools and who are drawing pay as Grade II teachers because they could not be employed for teaching exclusively in the higher forms. It may some times be necessary to assign to a Hindustani teacher in Grade II work in the higher forms. As work in the higher forms involves greater responsibility and requires efficiency of instruction, the Government direct that such Hindustani teachers be paid a special pay of Rs. 10/- (Rupees ten only) p.m. in addition to their pay in Grade II so long as the arrangement continues

provided their work in the higher forms is not less than 12 (twelve) periods a week.

2. The grant of the special pay will be admissible to Hindustani teachers both in Government and non-Government training schools. It will take effect from the date of this order. The Director of Public Instruction is requested to communicate the above orders to the managements of aided secondary and training schools.

Sir,

Sub: Revised scales of pay & qualifications of Hindi Pandits - Request to fix salary on Rs.75/- in the grade of 75-5-145 since fully qualified as per G.O.No.996 dated 5-4-1949.

I beg to bring the following for your immediate and kind consideration and favourable orders:-

2 I am a fully qualified Hindi Pandit and have put in a continued service of about 10 years in the High School as a Hindi Pandit. I possess the following qualifications;

1. Secondary grade training;
2. Visharad Diploma of the Dakshina Bharat Hindustani Prachar Sabha, Thiagarayanagar, Madras;
3. Pracharak Training Diploma of the D.B.H.P. Sabha, Madras;
4. Hindi Vidvan title of the Madras University.

3 As per the Re-organised Secondary Education Scheme, I am teaching Hindi in Higher forms also - 4 periods for form IV and 4 periods for form V.

(1) As per G.O.No.996 dated 5-4-1949, I am eligible for the I Grade viz. 75-5-145, since I posses the necessary qualifications and also teach Hindi in High Schools forms. Now the higher scale is denied to me on the ground that I do not work the required number of periods in the High School classess to justify theHigh School post.

4 I beg to bring to your kind notice that according to the new scheme of studies only 4 periods of Hindi can be allotted for each of the forms IV, V & VI under II Language. Since the re-organised scheme came into force last year (1948-49), 4 periods were allotted for form IV and since it is continued this year 4 more periods are allotted for form V now. Hence under the present circumstances the maximum work that can be given to a Hindi Pandit in High School forms is only 8 periods. Even when the scheme is extended to VI form next year, only 12 periods of work in all could be given to a teacher and never more than that.

So it will be a great injustice if the Hindi Pandits are deprived of the benefits of the new scales on the ground that they do not work for more than 21 periods in the High School forms. Hindi comes under II Language group for which only 4 periods are allotted in each of the forms IV, V & VI.

Hence I earnestly request you may be pleased to review the present circumstances sympathetically and fix my salary on Rs 75/- in the scale of 75-5-145. for which I am eligible.

Thanking you,

I beg to remain,
Sir,
Your most obedient Servant,
K.Rajagopalan

Advance copy sent to the Secretary, to Govt. Education Department,
Government of Madras.

R.C. ~~4~~ 1/49 dated 20-6

Submitted to the Special Officer District Board, Tanjore, for necessary action.

The petitioner is the only Hindi Pandit who has taken the Vidwan title. In the reorganis scheme, he cannot be allotted more than 8 periods of work per week ~~week~~ in the higher forms this year. He is the senior pandit and the other pandit is not given any work in the higher forms. So, this matter may be referred to the governmen if there is any specific instruction to the effect that only pandits who handle more than 21 periods of work in higher forms are eligible for the scale 75-5-145 & his request may be gr at an early date!

I beg to bring the following few lines for your kind consideration and favourable orders.

I am a Hindusthani teacher having teaching work in Hindusthani for Forms I, II, III, and IV in a High School under the management of the District Board of Tanjore.

A reference to my service register will show that I am a confirmed Hindusthani teacher having completed a continued service of 8years 11 months and 21 days on 1-1-49, the date from which G.O. (1) No.996 Education dated 5-4-1949 comes into effect.

The Special Officer, District Board, Tanjore in his proceedings p124m Rc.A13 No.18838/49 dated 31-8-1949 (vide copy enclosed) has fixed my pay as Rs. 45/- in the scale of Rs.45-2-85.

(2) As per G.O.No. 996 Education dated 5-4-49 I have got the requisite qualifications of a Grade I Pandit in the scale of Rs. 75-5-145 I am working in a High School and not in a middle school. In resubmitting herewith the papers referred to me for remarks I wish to state as follows:-

A

1 The question was examined in the light of the reports of the Divisional Inspector. In regard to language Pandits, complete work (i.e.) 17 hours of work is required to be put in Forms IV to VI to render the Pandits eligible for grade I scale of pay. But the position assigned to Hindustani in the Reorganised ~~recognised~~ scheme of Secondary Education has made it necessary that some relaxation should be shown in this regard. Therefore I am inclined to agree to 12 periods of work suggested in the first of the Government endorsements cited as a special temporary concession to Hindusthani Pandits.

2 But I wish it to make it clear to Government that Grade I is a recognition of the difference in the quality of the work and that strictly speaking teaching Hindi of a relatively elementary or lower standard in the higher forms would not therefore ordinarily justify the higher scale of pay.

3 As the whole position can be re-examined after orders are passed by Government on the expert committee's recommendation, I may also suggest that action may be deferred till then.

p 16 cf From the D.P.I. No 1596 G2/49 dated 6-3-50

The case relates to the representation from certain Hindustani teachers in high schools under the Dt Bd Tanjore for the grant of the Grade 1 scale of pay (Rs 60-4-120 or 75-5-145 according to the length of service on 1-1-49) as they possess the qualifications prescribed for that grade.

(Z) 2. According to G.O. No 996 Edn dated 5-4-49, the employment of Grade 1 pandits should be confined to high schools but as the petitioners do not have complete work in the higher forms of the high school in which they serve, their pay has been fixed in the Grade II scale of Rs 45-2-85 from 1-1-49.

G.O. 1394 Edn / 29.5.48 (G) – 3. Under the reorganised scheme of secondary education, Hindustani is one of the languages included in the second language group and the number of periods allotted for its study in the higher forms is four for each of

vide annexure on p 29 (G) – the forms in a week. The D.P.I. was therefore consulted

Vide Enst on p 30 cf – whether the minimum number of periods of work in the higher forms which should render a Hindustani teacher in a high school eligible for the Grade 1 scale of pay may be fixed as 12 periods a week. The Director is

para 1 on page 16 cf – inclined to agree to this purely as a temporary concession

para 2 – do – He however points out that Grade 1 is a recognition of the difference in the quality of the work and that strictly speaking teaching of Hindi of a relatively elementary or lower standard in the higher forms would not ordinarily justify the higher scales and suggests

E III

that the whole position can be reexamined after orders are passed on the recommendations of the expert committee and that till then action may be deferred.

4. The main object of further revising the scales of pay and qualifications of Hindustani teachers in G.O. No 996 Edn dated 5-4-49 is to place them on a par with pandits in other languages. (2) In respect of pandits in other languages who are qualified for appointment to Grade I and ~~whose~~ whose work is partly in the higher and partly in the lower forms, and who happen to be the only pandit in the language, it has been decided to allow Grade I scale of pay and orders are under issue. The question of allowing the same concession to Hindustani teachers has to be taken up in consultation with the D.P.I. Further [illegible], if the study of the language is made compulsory for all students (as recommended by the Expert Committee) it may be necessary to employ more than one teacher in a high school. As recommended by the D.P.I. the whole position will have to be reviewed again and till then Grade I scale of pay need not be allowed to the [illegible] petitioners & others similarly placed

A

B

5. It would ~~not~~ be fair to allow the Grade II scale of pay ~~alone~~ to the Hindustani teachers in question and to others similarly placed, since they are qualified for the higher grade and are actually doing work in the higher forms also. In the case of pandits in other languages a special pay of Rs 10 p.m. is allowed to pandits in Grade II ~~whose~~ who are entrusted with teaching in the higher forms for not less than 12 periods a week. The same concession may be allowed to Hindustani teachers whose work is partly in the lower & partly in the higher forms of high schools. ~~similarly placed~~. The concession may be allowed with effect from 1-1-50-

the employment of Gr I Pandits should be confined to high schools; but as the petitioners do not have complete work in the higher forms of the high school in which they serve, their pay has been fixed in the Gr II scale of Rs 45-85 from 1-1-49.

Edn deptt have stated in this connection that ~~the~~ orders are under issue allowing the Gr I scale of pay to similar Pandits in other languages and the question of allowing the same concession to the Hindustani teachers will have to be reviewed in consultation with the D.P.I. Pending this, they have suggested that the petitioners and others similarly placed need not be allowed the Gr I scale of pay. Finance may agree with the view of the Edn deptt.

2. In the case of Pandits in other languages a special pay of Rs 10/- p.m. is allowed to Pandits in Gr II, who are entrusted with teaching in the higher forms for not less than 12 periods in a week. ~~Edn~~ Edn deptt have recommended that the same concession may be allowed to Hindustani teachers whose work is partly in the lower and partly in the ~~to~~ higher forms of high schools. They also suggest that the concession may be allowed with effect from 1-1-50.

In G.O. No. 3150 Edn dt 10.12.48 the Govt directed that a special pay of Rs 10/- p.m. ~~should~~ be allowed to the Pandits and Munshis in Gr II, who do teaching work partly in higher forms and partly in lower forms subject to the conditions ~~mentioned~~ in G.O. No. 2161 Edn dt 8-10-47, ~~[illegible]~~ according to which the special pay is admissible only so long as the arrangement continues and provided he works in the higher forms for not less than 12 periods in a week. As the Hindustani teachers are treated on a par with Pandits in other languages in the matter of pay etc., Finance may agree to ~~[illegible]~~ the proposal of Edn deptt in para 5 on p 2 above subject to the remark that the special pay

Please see the Finance Dept's note above. They have agreed in principle to the grant of a special pay of Rs 10 p.m. to such of the Hindustani teachers who are qualified for appointment to Grade I but who are actually drawing pay in Grade II only as their work is not completely in the higher forms. They however suggest that an estimate of extra cost involved in the grant of the concession may be called for to settle the financial procedure to be followed. It is submitted that it will take a long time to obtain the information, as it will involve a reference to all the schools in the State to find how many such teachers there are. The concession is proposed to be allowed purely as a temporary measure until the position is reviewed again after the recommendations of the Expert Committee are considered by Govt. Further the extra cost will be only in respect of those teachers whose pay in Grade II is above Rs 50 as the minimum in the lower scale in Grade I is Rs 60. For those who are drawing less than Rs 50 there will be a saving by allowing a special pay of Rs 10 p.m. instead of allowing the grade I scale. In the circumstances it will be very difficult to calculate the extra cost with any accuracy. Till the question is finally decided the existing teachers will have to do work in the higher forms without any additional remuneration for [illegible] nsible work. In the case of pandits in other languages, [illegible] insist on calling for an estimate - Vide the notes

Hindustani teachers in secondary schools under local bodies and private managements are eligible for the Grade 1 scale of pay fixed in the annexure to G.O. No 996 Education dated 5-4-49 only if their work is completely in the higher forms of high schools. The rest are eligible only for the Grade II scale of pay of Rs 45-2-85.

There are several Hindustani teachers whose work is partly in the hi forms and partly in the lower forms of a high schools and who awing pay only as Grade II teachers because they could not be d solely for teaching in the higher forms only. In the case its in other languages, the Govt have in G.O. No 3150 Edn dated -48 allowed a special pay of Rs 10 p.m. to pandits in Grade II are entrusted with teaching in the higher forms for not less than eriods a week. It is proposed to allow the same concession to ustani teachers in Grade II whose work is partly in the lower forms artly in the higher forms of a high school with effect from the date of the orders to be issued, as it is not usual to give retrospective effect to such concessions. Hindustani should be taught for only two periods in a wee in Forms I to VI instead of three periods in Forms I to III an four periods in Forms IV to VI as at present but it will to be studied compulsorily by all pupils as a second lan Consequently the number of periods of work in the higher forms may decrease but the grant of the special pay will benefit atleast those who are employed in School having more than one Section in each of the higher form
