At present two seats are reserved in the Engg. College, Kakinada, for students from Coimbatore. In their letter d. 12.4.50, the Govt. of Coimbatore intimated that as usual they would be deputing two Coimbatore students, to be ~~deputed~~ selected ~~for the~~ to the Director of Industries, Coimbatore, for admission in the Engg. College, Kakinada, and requested that the Principal of the college might be given necessary instructions. Accordingly the D.P.I. was asked in the endt. at (U)/4 to issue necessary instructions to the Principal.

2. The Govt. of Coimbatore, in their letter d. 5.5.50, now request state that they propose to depute some non-stipendiary students from their State for trg. in Civil Engg. and request that at least two seats ~~each~~ ^{each} in each of the Engg. College, Kakinada, and the A.H. College of Technology, Coimbatore, may be made available for ~~the~~ students from their State to be selected and deputed by the Director of Industries, Coimbatore.

It may be noted in this connection that at present as many as 21 seats ^{together} in all the four Govt. Engg. Colleges ^{are} reserved for students ^{coming} from outside this State and are thus lost to students belonging to this State. The demand for seats in the Engg. colleges from students of this State itself is very great and every year large numbers of them are being turned away for want of seats. In the circumstances, it seems undesirable to accede to the request of the Coimbatore Govt. that four

seats (two at Kakinada and two at Combarore)
in addition to the ^{existing} two ~~also~~ should be reserved
for their students. The file may be circulated
to H.M. (P.W.) for orders.
