Sir,

Sub:- Education - Elementary - South Arcot District Board - Equivalent Government Contribution in respect of Education Cess realised in 1949-50 - payment in 1950-51.

Ref:- This office Arising D2-9457/DB-50., dated 1-4-50.

-:o:-

I request that the Government may be pleased to sanction early the contribution of Rs. 2,03,530-8-0, as requested in this office above reference.

The salaries of masters for March 1950 were paid by obtaining an advance of Rs. 1,50,000/- from the District Board General Funds out of the Budgetted contribution of Rs. 3,57,470/- for 1950-51, and thus the financial crisis at the beginning of the year was tided over temporarily. Since the District Board General Fund account itself cannot be expected to have all its budgetted receipts at the very beginning of the official year, and the financial position of the District Board cannot be assessed correctly without closing the accounts for 1949-50 finally, further contribution from the General Funds cannot be expected for some time to come. In the circumstances, the financial cresis in the Elementary Education Account will make its appearance again in May 1950, and the District Board will be in a bad predicament in making disbursement to the Elementary School masters for the month of April 1950. The District Board, thus will have no other go than to suspend the payment till the Education fund account is augmented with sufficient funds.

To avoid such a contingency, I would suggest that the Government subsidies for maintenance of Elementary Schools opened prior to 1-4-1921 and after 1921, may kindly be sanctioned immediately so as to draw the same in time, i.e., early in May 1950. In this connection, I would like to state that these subsidies are paid only in the 2nd fortnight of each month, whereas the District Board has been enjoined to disburse the salaries of Elementary School teachers before the 15th of each month (vide Government Memo No. 89520-B2/47 Education dated 17th February 1948). This was practicable in the previous years because of the superfluity of funds in the Elementary Education Fund account, which has now only an adverse balance to its credit. It is therefore imperatively necessary that the subsidies should be made payable to the District Board before 5th of each month.

As regards the payment of Government subsidy for compulsory elementary education scheme for 1950-51, it is submitted that the subsidy may be sanctioned as for 1949-50, since the excess or unspent subsidy, if any, will be refunded to Government after furnishing accounts for 1949-50 and again as per the instructions of the Audit Department after their scrutiny of the accounts. Additional Expenditure, if any, will be incurred after getting the sanction of the Government and the balance of subsidy will be drawn subsequently. This subsidy may also be made payable before the 5th of every month.

I request early orders on the above.

Dear Mr. Paul,

Sub: GRANTS - Elementary Education - North Arcot District Board - subsidy for schools opened - prior to and after 1.4.1921 - Sanction of.

...

SECRETARY :: 20 JUN 1950 :: EDUCATION DEPARTMENT

Government subsidy under this head will usually be sanctioned before the end of May in each year. But orders have not been received this year till now. The Government were reminded also by a Telegram as the Credit in theElementary Education account is very little and as the salaries of masters have to be disbursed before the fifteenth.

Particulars for the sanction of advance grant for year 1950-51 for the scheme of compulsory education have already been forwarded to the Director of Public Instruction, Madras on 31.5.50 though the due date was 10.6.1950. Sanction of Government grant under this head will usually be announced by the middle of July. Therefore orders sanctioning the grant for schools opened prior to and after 1.4.1921 may kindly be communicated at a very early date. Last year the grants were sanctioned in G.Os. No.1754 Edn. dated 27.5.1949 and 1753-Edn. dated 27.5.1949.

Yours sincerely,

M. Ramachandra Reddi
