CONFIDENTIAL:

C.L.NO.30/50

Office of the
Director of Public Instruction,
Madras, Dated 13-4-1950.

From

The Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education Department,
Fort St. George, Madras.

Sir,

Subject: Madras Educational Service - Temporary post
of Technical Education Officer - Vacancy -
Filling up of

In continuation of my letter R.C.No.2914 -C.1/48-2
dated 25-3-1950 I have the honour to state that the Chief
Engineer for Electricity, Madras has agreed to the continuance
of Sri K.M. Sevannah in the Education Department till the end
of April 1950. A suitable candidate has to be appointed to the
temporary post of Technical Education Officer with effect from
1st May 1950.

2. According to the ad hoc rules governing the temporary
post of Technical Education Officer (Vide G.O.No.Ms.2695 Edn
dated 28th October 1948) appointment to the post should be made

- (a) by direct recruitment; or
- (b) by recruitment by transfer from Assistant
Instructors (Senior and Junior) or Workshop
Instructor (Junior) or Laboratory Assistants
in the Madras Educational Subordinate Service
or
- (c) by the appointment of Instructor, Senior
Workshop Instructor or Junior Instructor in
the Madras Educational Service.

In view of the fact that there are suitable Instructors and Senior
Workshop Instructors in the Department who can be considered for
appointment to the temporary post of Technical Education Officer
there is no need to consider either of the other two methods of
recruitment mentioned above. Having regard to the duties of
the Technical Education Officer it is desirable to appoint
to the post of a candidate qualified in MECHANICAL Engineering
rather than in any other branch of Engineering. The following
are the Instructors in Mechanical Engineering and Senior Workshop
Instructors who may be considered for transfer to the post of
Technical Education Officer.

S.No.	Name and present designation	Qualifications.	Total practical experience (including teaching experience)	REMARKS

8.	Sri N.Siddeswara Setty, Temporary Instructor in Mech. Engineering, Guindy.	B.E.(Mech.) with Hons. M.E.S. from M.Sc.(Mech.) 16-12-49 (NotreDam(U.S.A))	About 4½ yrs.	,, (Has exten- sively travelled in USA, UK & Europe)
9.	Sri Edward Rajaratnam, Temporary Instructor in Mechanical Engineering, Kakinada.	B.A., B.E. (Mech.) with M.E.S. from Hons. Studied 13-2-1950. "Naval Architec- ture" at Durham University.	Nearly 4 yrs. Overseas Scholar.	

The names of Sri M.K. Ganesan, Sri V. Prahlad and G. Srinivsan, who are serving as Senior Workshop Instructors at Coimbatore, Anantapur and Kakinada, respectively, under emergency provisions, need not be considered as they are comparatively less qualified or less experienced than those shown in the above statement and are not also holding any substantive appointment in the Education Department. Moreover, the above three persons are likely to be reverted to the Madras Educational Subordinate Service when the 3 overseas scholars (Messrs. S.L. Balasubramanian, A.P. Jambulingam and P.V.B. Bhushana Rao) return to duty from abroad in August 1950.

3. Of the 9 Officers shown in the above statement (No.1's) Sri K. Achuthan Nair's Services are required in the College and it is not desirable to disturb him from the teaching line. The next three Officers (Nos 2 to 4 in the Statement) are not available for immediate posting as Technical Education Officer and they need not be considered for the present vacancy. The fifth Officer (Sri P. Rajagopala Menon) does not hold any regular appointment in the Department nor does he possess any overseas training or experience or special qualifications suitable for appointment as Technical Education Officer.

(X)

4. Nos. 6, 7, 8 and 9 are all Overseas-returned Scholars who are officiating as Instructors in Mechanical Engineering, under rule 9(a)(i) of the General Rules relating to the Madras Provincial and Subordinate Services. The question of regularising their temporary appointments is separately under consideration. Of the four Overseas Scholars, Sri H.O. Nulraj Joseph is the senior-most, having been entertained in the Department from 15-10-1948 while the other 3 were appointed later. Considering the kind of overseas training that Sri H.O.N. Joseph has had in the U.K. I am of the opinion that he would be very suitable for appointment as Technical Education Officer.

5. I, therefore, request that the Government may be pleased to transfer Sri H.O.N. Joseph as temporary Technical Education Officer. Sri Joseph is drawing a pay of Rs.260/- p.m. as temporary Instructor in Mechanical Engineering. If he is transferred as temporary Technical Education Officer he will have to draw Rs.230/- p.m. the minimum in the scale of pay sanctioned for the post of Technical Education Officer. Since the transfer of Sri Joseph is proposed in the interests of public service, I recommend that the Government may issue necessary orders so that when holding the post of Technical Education Officer under emergency provisions, Sri H.O.N. Joseph may be enabled to draw the same pay as he would be drawing as Instructor in Mechanical Engineering.

6. Since the appointment of Sri H.O.N. Joseph as Technical Education Officer may have to be temporary, for the present, there is no need to send him for the one month's training specified in Rule 4 of the ad hoc rules for the post of Technical Education Officer. Moreover, since the bifurcated courses in Engineering subjects have already been introduced and are working in certain large High Schools in the State and Sri Joseph should have already gained some knowledge of the working of such workshops in the U.K., he does not seem to need such a training as contemplated in the ad hoc rules.

7. As Sri K.M. Sevannah has to be relieved with effect from 1-5-1950 I solicit the favour of early orders in regard to appointment of his substitute.

Yours faithfully,

S. K. M. Sevannah

From the D.P.I., No. 30/50, d/- 13.4.50.

M.E.S. - Post of Tech. Edn. Officer -
Appointment.

The post of Technical Education Officer in the M.E.S., ^{created in 1948} in connection with the introduction of ~~the~~ bifurcated courses in Engg. subjects in secondary schools, is now held under the emergency provisions by Sri K.M. Sevensnah. That officer has his footing in the Elec. Dept. and he has to be relieved from the post as the Elec. Dept. wants his services back from 1-5-50. The D.P.I. has considered in detail the question of posting a substitute and has sent his proposals. He recommends that Sri H.O. Nulraj Joseph who had his higher education overseas, having been deputed abroad as a Govt-sponsored scholar, and who is now Instr. in Mech. Engg. in the Engg. College, Anantapur, may be transferred to the post on a tempy. basis - C.F.3. The 'transfer' is actually an appt. under rule 9(a)(i) of the General Rules (emergency provision) - as his appt. as Instr. was made ^{only} under that rule and it has not been regularized yet. The Director's recommendation may be accepted and Sri Joseph apptd. to the post temporarily. The claims of all other 'eligible' officers have been considered by the Dir., and no injustice ^{to any one} will be involved.

2. Under rule 4 of the ad hoc rules ^{framed} prescribed for the post, the person apptd. should undergo initial training for a month. ^{Cases of tempy. appts. need not} ~~Strictly speaking, this~~ rule applies only to a regular appt. and will not govern Sri Joseph's case. But Sri Sevensnah, though apptd. temporarily, did this trg. ^{as Sri Joseph's appt. is to be tempy. for the time being} The Dir. says that as the bifurcated courses in Engg. subjects have already been introduced and are working in certain large high schools in the State and as Sri Joseph should have gained some knowledge in the field in U.K., he need not be given this trg. His view may be accepted. No relaxation of rule is involved.

3. As Instr., Sri Joseph is

that the relevant rules be relaxed in favour of Sri H.O. Nulraj Joseph so that when holding the post of Tech. Edn. Officer temporarily, he can draw the same ^{pay} as he would be drawing as Instructor in Mech. Engg.

His view may be accepted. No relaxation of rule is involved.

3. As Instr., Sri Joseph is

Rs.260 p.m. as pay. ~~On~~ On regularization of his appt. as Instr., he will be eligible to the scale of Rs.260-40/2-500-50/2-700. The scale for the Tech.Edn. Officer's post, ^{only} is Rs.230-30/2-260-40/2-500-50/2-700. Ordinarily, on appt. as Tech.Edn. Officer, ^{Sri Joseph} he will get Rs.30 less than his pay as Instr. The Dir. recommends that as the officer's transfer is proposed in the public interest, he may be allowed to draw the same pay as he would be drawing had he continued as Instr. This, in fairness, shd. be approved. Fin. may see before circn.

25/4/50 S

G.O.251-Edn., d/- 5-2-48, is subd. at flag "T": the post of Tech. Edn. Officer was sanctioned for the first time in that order.

2. The G.O. in which Sri H.O.N. Joseph was apptd. as Instr. temporarily is subd. at "S". The D.P.I. was asked therein to consider the question whether any service rule requires to be relaxed to enable Sri Joseph's regular appt. and report in due course. He has not forwarded any report to Govt. so far. From para 4 of C.F.3, it is seen that he is considering the matter. Almost all overseas scholars have been apptd. only temporarily. The Dir. has to go into their qualifns. and forward his proposals. Only three cases have so far been sent by him, of which orders have been issued in ^(about 8) two. All other cases are pending with him. He will be asked to send them up as early as possible.

The Director takes too much of time to settle these cases.

3. The Dir. has since written that he is relieving Sri Sevensnah on 1-5-50 in anticipation of Govt. approval.

In G.O. No. 251 Edn dt 5-2-48 the Govt. sanctioned a post of Technical Education Officer in the Office of the D.P.I. on the scale of pay of Rs 230-30-260-40-500-50-700, for the work connected with the introduction of bifurcated courses in Engineering in Secondary Schools. It is now held by one Sri K.M. Sevensnah, under the emergency provisions. It is now proposed to appoint one Sri Joseph, who is now working as Instructor in Mechanical Engineering in the Engg. College Anantapur, to this post of Technical Education Officer, under rule 9(a)(i) of the general rules (emergency provision). The file has been sent to this deptt with reference to the pay to be allowed to Sri Joseph on his appointment as Technical Education Officer. It is stated that as Instructor in Mechanical Engineering Sri Joseph is drawing a pay of Rs 260 1/2 p.m. in the scale of Rs 260-700 sanctioned for the post of Instructor. The D.P.I. has recommended that as the officer's transfer is proposed in the public interest, he may be

It is not usual to change the scale of pay of a post to suit for reasons of the kind stated in Edn. This dept may ask Edn to follow the procedure already initiated. Pub(Ser.) may also see.

The scale of pay of a post is fixed with reference to the duties and responsibilities attached to it, and not with reference to a particular individual who is to be appointed to it. There is a tempy. post of Tech. Edn. Officer in the M.E.S. in the D.P.I.'s Office for work connected with the introduction and working of the bifurcated courses of studies in Engg. subjects in secy. schools. Sri K.M. Sevnannah was holding the post until 1-5-50. He was relieved from the post on that date to enable him to take up his regular appt. as Asst.Engr. in the Elec. Dept.

The D.P.I. has in file sent his proposal for the appt. of a substitute. He considers that Sri H.O. Nulraj Joseph, tempy. Instr. in Mech. Engg., College of Engg., Anantapur, who has had his higher edn. overseas, is the right choice and that he may be apptd. temporarily. This dept. recommend that the Dir.'s proposal be accepted.

The qn. of the pay to be allowed to Sri Joseph has also been considered. The scale of pay of the Tech. Edn. Officer is Rs.230-700 whereas the scale of the Instrs. is Rs.260-700. As tempy.Instr., Sri Joseph is drawing Rs.260. Ordinarily, under the rules, on appt. as Tech. Edn. Officer, he will get only Rs.230. This dept. has suggested that Rs.260-700 may be the scale for the Tech. Officer's post also whenever it is held by Engg. College Instrs. Fin. do not agree. That dept. and Pub.(Ser.) suggest that, by a relaxation of the rules, Sri Joseph may be allowed Rs.260 as Tech.Edn.Officer.

The file may be circd. to H.M.(E.&L.), H.M.(P.W.), H.M.(Fin.) and H.C.M. for approval of the proposal to appt. Sri Joseph as tempy. Tech. Edn. Officer on Rs.260/-.
