Dear Sir,

We are grateful to the Government and to you for your kindly providing Rs.75,000/- in the budget for 1950-51 for buildings for the Teachers' College to be started in the Vidyalaya. The Inspection Commission of the University have gone fully satisfied and we hope to receive the affiliation of the university in a few days. We are also thankful to you for permitting the use of the "Appar Nilayam" one of the buildings recently constructed for the school for the Training College. We have thought over the matter of putting up buildings for the Training College and we would like you to consider the proposal made here-under.

The Government have been pleased to give a grant of Rupees Thirty-five thousands to the two buildings built for the school -namely the Appar Nilayam referred to above and another building called Shivananda Nilayam named after one of the direct disciples of Sri Ramakrishna. We suggest that the Appar Nilayam now permitted to be used for the college may be allowed permanently for the college with such additional buildings as may be necessary. In place of the Appar Nilayam so given to the college, we may be permitted to put up an upper storey over the other building namely Shivananda Nilayam. The net cost of Shivananda Nilayam now is Rs.34,317-14-0. The cost of the upper storey will be Rs.25,000/-. The total cost will be Rs.59,317-14-0. The half grant for both these two stories will be Rs.29,658-15-0. If the proposal to allot Appar Nilayam to the Training College is accepted, the Vidyalava will refund Rs.5341-1-0 (i,e. Rs.35,000 — Rs.29,658-15-0) to Govern-ment out of the grant of Rs.35,000/- paid for the school in the current

year, and the Government will stand to gain to that extent.

With regard to the Training College the following buildings will be necessary namely a hostel for men, Dining Hall and kitchen and additional buildings to the Appar Nilayam to fulfil all the needs of the Training College. A womens' hostel is also necessary, but we are putting it off as it cannot be done under the money allotted. The financial result of the above proposal will be:

Hostel: It has been planned for 84 boys, but as a first stage, the portion marked in the plan will be built in 1950-51. The cost of that will be (Plan enclosed)	Rs.63,300-0-0
Dining Hall (Plan enclosed)	Rs.14,800-0-0
Appar Nilayam to be taken over by the College (Plan enclosed)	Rs.53,367-8-0
Additional Buildings for College (Tentative plan enclosed)..	Rs.61,183-0-0
Total	1,92,650-8-0

The total cost thus comes to Rs.1,92,650-8-0. But the Government will be only pay a maximum grant of Rs.75,000/- The net effect of this proposal will be while the Government does not pay an increased grant because of this increased expenditure, it saves Rs.5341-1-0 from the grant to the High School by the transfer of Appar Nilayam to college account.

The Plans for the Hostel and Dining Hall have been planned under guidance and approval of the Joint Consulting Architect to Government and their plans are submitted herewith for approval. The Dining Hall work has been begun as it has to be ready early in July when admissions to the Training College are to be made and that may also be approved. The detailed plans for the additions required for college will be prepared in consultation with the Consulting Architect to Government, and submitted. The payment of grants may be made as each of the buildings is completed.

We reguest that orders may be issued as follows:-

a) That the "Appar Nilayam" constructed for the school may be used for the college and half the cost of the building may be paid out of the provision Rs.75,000/-made for the Training College.

SRI RAMAKRISHNA VIDYALAYA P. O.,
(COIMBATORE DT.)

Date.....19

b) That an upper storey may be allowed to be put up on the Shivananda Nilayam, to provide accommodation lost to the school by giving Appar Nilayam to the college and the balance of grant of Rs.5341/- may be returned to Government ~~to Government~~ or adjusted to college account.

c) That the plans for dining hall and kitchen drawn with the approval of the Joint Consulting Architect to Government may be approved.

d) That the plan for the additional buildings for the Training College may be awaited.

e) That the beginning of the construction of the dining hall may be approved.

f) That half the grants for the kitchen and dining and hostel be paid as soon as each of those buildings are completed and the grant for the additional buildings for the college be paid later on, when they are completed, the total amount of grant not exceeding 75,000/-

Yours sincerely,

C Venkatachalam

Dear Mr.Paul,

You told me on the phone that orders have been passed upon the recent representation of the Vidyalaya to transfer one of the buildings built for the High School to the Training College. As yet we have not received any intimation about it. I shall be glad if you will kindly send it as soon as possible.

I see from the papers that hereafter the Training Colleges to be started from this year will get a net two-thirds grant. A formal letter is being enclosed herewith for clarification in the matter. You may kindly send a formal reply.

I don't know whether you will be coming this side. If you come, you should not fail to visit the Vidyalaya.

Sir,

Sub: COLLEGE - Sri Ramakrishna Mission Vidyalaya Training College, Perianaickenpalayam - Grant for building.

Ref: Government Memorandum No.4736-F/50-1 Edn. dated 28th March 1950.

...

(M)

There is a provision of Rs.75,000/- in the current year's Budget for payment of building grant for the Teachers' Training College proposed to be opened at Perianaickenpalayam from July 1950. In this connection the Correspondent has submitted the following building scheme:-

(i) Construction of a hostel.	Rs.63,300
(ii) Construction of a dining hall.	14,800
(iii) Constriction of an additional buildings.	61,183
(iv) ~~Construction~~ cost of the buikding 'Appar Nilayam' to be transferred for the use of the Training College.	53,367
	1,92,650

A

The Correspondent has not yet submitted a regular application for building grant nor have the detailed estimates for items (i) to (iii) above been received. The plans relating to hostel and dining hall are reported to have been drawn up with the approval of the Joint Consulting Architect.

2. In their memorandum No.66571-F/50_6 Education dated 9-3-1950 Government have permitted the management to utilise temporarily one of the buildings already built for the High School, for the Training College. The Correspondent now proposes to use, as a permanent measure, the building "Appar Nilayam" for the Training College and to include the cost of this building (viz. Rs.53,367) in the building scheme of the Training College. As this building forms part of a scheme for which a grant of Rs.35,000/- has already been paid with reference to G.O. Ms. 3178 - Edn. dated 11-12-1948, the Correspondent has suggested the exclusion of the "Appar Nilayam" from that scheme so as to include it in the Training College Scheme.

With reference to the Go. cited above a grant of Rs.35,000/- has been paid to the R.M. Vidyalaya High School towards the construction of a dormitary and a dining hall as detailed below:-

DESCRIPTION OF WORK.	ACTUAL COST.	GRANT.
Dormitary (Shivananda Nilayam)	34,318	
Dining Hall (Appar Nilayam)	53,367	35,000/-

In order to make up the accommodation lost to the High School by the transfer of "ApparNilayam" to the Training College, the construction of a first floor to the Dormitary at an approximate cost of about Rs.25,000/- is reported to be necessary. The proposals of the Correspondent, therefore, are:-

(a) that the cost of the dining hall which goes by the name of "Appar Nilayam" and which is to be permanently used for the Training College be included in building scheme of the College, and

(b) that the grant of Rs.35,000/- already paid for the two buildings be revised with reference to the Dormitary alone and the first floor proposed to be constructed thereon.

The grant revised according to (b) above will be Rs.29,659/- as shown below:-

(i)	Cost of Dormitary:	Rs.34,318
(ii)	Approximate cost of First Floor	25,000
		59,318
(iii)	Revised Grant.	29,659
(iv)	Excess grant to be refunded by the Correspondent (35,000 minus 29,659)	5,341

If the above proposals are accepted, the Correspondent has agreed to refund the excess grant of Rs.5,341/-. The exact amount of excess grant to be recovered can be fixed only after the building operations relating to the first floor are completed and the actual expenditure is known.

3. I recommend that the proposals of the Correspondent may be approved for the following reasons:-

(i) If "Appar Nilayam" is merely allowed to be used for the Training College without its cost being taken into account for grant purposes, then the total cost of the building scheme will be about Rs.1,39,283/- and the half grant Rs.69,640/-. The difference between this amount and the full grant of Rs.75,000/- is practically made good by the refund of Rs.5,341/- by the Correspondent, Further the half grant, even if "Appar Nilayam" is excluded, may actually work out to Rs.75,000/- owing to fluctuations in the price of materials etc.

(ii) If "Appar Nilayam" is given away to the Training College otherwise than as a part of the building scheme for which a grant of Rs.75,000/- is allowed, the Correspondent is likely to ask for grant towards the construction of the first floor to the dormitary building. The acceptance of his proposals obviates such a claim.

GRANT - Building - Basic Training College, Perianaickenpalayam - Transfer of the high school buildings for the College.

C.No.4736/50. From the Correspondent, Sri Ramakrishna Mission Vidyalaya Training College, Coimbatore Dt, dated 21.3.50.

From the Secretary, Sri Ramakrishna Mission Vidyalaya, dated 29.4.1950.

Extract of the minutes of H.M.(E.&L) dated 26.3.50:--

"D.P.I's remarks may be ~~xxxxxxx~~ called for urgently"

Govt. have sanctioned a half-grant subject to a maximum of Rs. 75,000/- during the current year to the management of the Sri Ramakrishna Mission Vidyalaya, Coimbatore District, for the opening of a Basic Training College at Perianaickenpalayam. On the representation of the Vice-President of the Sri Ramakrishna Mission Vidyalaya, the Govt. permitted the management of the Mission to utilise temporarily one of the buildings already built for the school ~~xxxxxxxx~~ viz. the Appar Nilayam, for the Basic Training College until such time as permanent buildings are constructed therefor. Now the Correspondent of the Basic Training College requests

(1) Permission for the permanent location of the Basic Training College at Appar Nilayam, half the cost of the Appar Nilayam buildings being paid by Govt. as grant from out of the provision of Rs.75,000/- made for building grants for the college in the current year's budget estimate;

(2) that an upper storey be allowed to be erected over another building called the Shivananda Nilayam which is used at present for the high school, at an estimated cost of Rs.59,317-4-0, that a half of ~~xxxxxxx~~ this amount, viz. Rs. 29,658-15-0 be paid as grant for the school, and that the balance out of the sum of Rs.35,000/- which has been

sanctioned as grant for the school, viz. Rs.5341/- be permitted to be refunded to Govt., and

(3) that permission be granted for the construction of additional buildings required for the college, viz. kitchen, dining hall and hostel later on and grant therefor be paid from out of the balance of the sum of Rs.75,000/- referred to above.

2. The D.P.I. who was consulted in the matter recommends the request of the management, for the reasons mentioned in paragraphs 3 and 4 of his letter on p.p.15 and 17 c.f. In the circumstances, it is for orders whether the Director's recommendation may be accepted. Subject to orders the draft order below is for approval. A draft interim reply to Sri T.S.Avinashilingam Chettiar, M.L.A. with reference to his letter on p.p.11-12 c.f. is also submitted for approval. After issue of the interim reply, the file may be sent to Finance u.o. for remarks prior to circulation.

Edn.Deptt.(F)

Under orders of the Secretary this file has been got back from Finance. Secretary has been given to understand that in view of the proposal of the management of the Ramakrishna Vidyalaya to start a new Training College next year, a proposal which has been approved by Govt. and for which a grant of Rs. 75,000 has also been promised, permission for the construction of the additional buildings, required for the proposed College, viz., kitchen, dining hall etc., has become very urgent and that permission should be granted to the management to commence this portion of the work, pending approval of detailed plans and estimates by the Consulting Archetect.

The urgency of the work may be conceded and there seems to be no objection to the permission being accorded, as this is one of the items of the proposal supported in the above notes and there is no additional comitment on this account. The draft memo below is for approval. After issue, the file may be sent back to Finance.

Edn. (F) No. 4736-50 F3 Edn 9/5/50

ASSISTANT SECRETARY TO GOVERNMENT 9 MAY 1950 FINANCE DEPARTMENT

33579 EA

Fin. (Exp.A.).

The case relates to the building schemes for the Teachers' Training College proposed to be opened at Periyanaikenpalayam from July 1950, for which a provision of Rs.75,000/- has been made in the budget estimate for 1950-51. The management has proposed that one of the buildings constructed for the High School Department with Govt. aid may be permanently transferred for the use of the Training College. The D.P.I.'s letter on pp.13-17 C.F., which fully explains the proposals, may be perused. The D.P.I. states that, though it is not desirable to split up a completed building scheme and add a part thereof to a new scheme and revise the grant already paid, ~~that~~ the proposal may be approved, as a special case, as it is advantageous to the Govt. - see paras, 3 and 4 on pp.15-17 C.F. Edn. propose to accept the D.P.I.'s recommendation. Submitted that Finance may agree and accept the draft order below, as amended in pencil.
