Madras, 14th March 1949.

To

His Excellency the Governor of Madras.

Honoured Sir,

I humbly and respectfully beg to bring the following few lines for your kind consideration and favourable orders.

I beg to state that I am appointed in the Government Press in 1921 as a compositor and now a charge Imposer in I.L. & S.F. Department I was sent for Medical fitness in the year 1926, my service book No. was 1341. I fell sick on 17th December 1927, and I was under the treatment of Dr. Krishna Rao who was a professor of Indian Medical Hospital, Kilpauk, Madras. I had sent a Medical Certificate for three months leave through the said Doctor. The then Superintendant Government Press informed me on 4-1-1928 that leave cannot be granted on that certificate. Then I came personally to the office and stated my sickness and then the said leave was for three months. When I joined duty after recovery of my health I was astonished to see that my name was removed from the office without giving me any information. When I appealed to the Superintendant Government Press, he stated that he will enquire in the service book section and after getting the information I will send you a card for attending office. After a period of six months a card was received by me directing me to join duty and I join duty. At that time, I was given a temporary staff number instead of giving me my permanent previous number 1341. For giving me my permanent number 1341, I have appealed to him from time to time for nearly 10 years. There upon in 1939, The then Superintendant Government Press again directed me to go to the Surgeon General for Medical fitness, but I told the Superintendant, that I had already appeared before the Surgeon General for Medical fitness, but he insisted in my going for Medical fitness. Thereupon I appeared before Sri Srinivasa Iyengar, Surgeon Rayapettah Hospital, he tested me and fixed my age as 40 for produced the certificate and handover it in the service book section. There the concerned clerk opened a second service book and wrongly entered my age in it as 50. On my coming to know of it, I applied by several petitions to rectify the age, but the concerned clerk paid no heed to my several petitions in the year 1944 after a period of 5 years, the concerned clerk again told me to go for reexamination to the Surgeon. Then Sri Madhava Nair was incharge of Rayapettah Hospital and he after verifying my old records i.e., 1926 and 1939, then fixed my age as 45 years, in 1944. This was also sent to S.B.C. for entering in the service book. Even this certificate was not cared for and left carelessly without entering the age. He again informed me to go to General Hospital. Lt. Col. Mac-Robert who was incharge of X-Ray. This X-Ray Surgeon stated in my record that what the previous Surgeon had written was quite correct and X-Ray is not helpful for age. After this Union. Appealed to the Government stating all these facts and the Government requested the Superintendant Government Press last month to send all my connected records, which was duly sent. The S.B.C. has sent only one service book and he says that only one was opened, but I can prove that it is two service books opened for me, with the help of a post card, and also by personal evidences, enquired by Sri. Venkatesa Iyer, P.A. in the presence of Head Clerk Bhannapal Chettiar and the S.B.C. told them that only two service books was maintained and the first was sent to the Government. The mistake was committed by S.B.C. who made me to go away without any pension after serving 28 years in the Government Press. I very humbly request and pray the Government be pleased to hold a personal enquiry for this situation and render me justice, by enquiring both the parties. I also affirm that both Sri. Kannabiran Pillai and Sri.S.Venugopal Mudaliar, the service book clerk colluded together and spoiled my whole life after having served the Government Press for 28 years and thereby defrauding me of the pension by their acts. Otherwise, I will be put to great difficulty in maintaining myself and my family for the rest of my life.

Begging to be excused for the trouble and awaiting
early orders.

Points for considerations.

1. How the Superintendent, Government Press, terminated my services, a Permanent Government Servant while on leave in the year 1928.2 and the action was against Government Ruling, without any information to me.
2. How I was called for in 1929 and opened a New Service Register, instead of continuing the old one - This is contrary to the ruling.
3. I was sent in the year 1939 for Medical fitness, and when the certificate was brought, the Service Book Clerk did not enter my age in the Service Book, as estimated by the Surgeon, but he has entered a wrong age in the New Service Register - which is quite unjustifiable.
4. Though the fact was brought to the notice of the Superintendent, the mistake was not rectified and no action taken against the Clerk and this has resulted in affected my career.
5. On my appeal to the Adviser to the Government, in 1944, the Adviser was pleased to grant extension of time by 1 year, pending the decision of the Correct age entry.
6. Again on appeal to The His Excellency the Governor on the expiry of the period, a further extension of 1 year was granted.
7. Against during the time of Mr. Prakasam, as Hon'ble Premier, a further extension of 1 year was allowed at the expiry of the previous period.
8. During the time of Sri O.P. Ramaswamy Reddiar, again an extension of 1 year was granted on my appeal.
9. The extension of time was granted purely on account of the fact that the decision of the age and wrong entry in the New Register.
10. While so, the service was terminated, without correcting the wrong entry as the age made therein in the Service Register is wrong, and during the pendency of the decision.
11. Such mistakes have been rectified in the case of others, and a decision as to my ~~xxxx~~ correct entry of my age is yet to be settled.
12. The termination of my service, without proper grounds, is unjust and illegal.
13. It is requested that I may be reinstated.
14. Special Enquiry is prayed for without any further loss of time.
15. I have been now without employment and am suffering great deal. May Your Honour show mercy on me and -- reinstate me so that I may service my normal period and earn my pension.

I beg to remain,
Your Excellency's Most Obedient Servant
