Subject:- NATIONAL CADET CORPS - ALLOTMENT OF UNITS AND EXPENDITURE IN 1950-51

Sir,

54697

I am directed to state that the Government of India have decided that the year 1950-51 should be a year of consolidation of the Senior Division units raised in 1948-49 and 1949-50. It is proposed that expansion of this Division should be made to a very limited extent, while attention should be paid mainly towards improving the quality of the units. In view of this, only a few additional Senior Division units will be raised.

2. It is felt that expansion of the Junior Division should not be similarly curtailed in 1950-51, as there is a big demand for units of this Division. At the same time, units of this Division will provide good material for the Senior Division units and for the Inter-Services Wing of the Armed Forces Academy, for which those boys are eligible who have passed the Matriculation or equivalent examination and are between 15-17 years of age. A proportionate allotment of Junior Division units has, therefore, been made for next year, as in the last and this year.

ALLOTMENT OF UNITS

3. Your Government has been allotted the following:-

SENIOR DIVISION UNITS

Type of Unit	No. of Units	Number of Officers	Number of Cadets
Armoured Corps			
Artillery			
Engineers			
Signals			
Infantry	2 Coy Battalion	10	315 (FOR ANDHRA UNIVERSITY)
E.M.E.			
Medical			

JUNIOR DIVISION UNITS

No. of Junior Troops	Number of Officers	Number of Cadets
10	30	900

BUDGET PROVISION

4. (a) The expenditure that you will have to meet in 1950-51 consists of:-

(i) the expenditure on the running of the units raised in 1948-49 and in 1949-50;

(ii) the raising and running expenditure on the units to be raised in 1950-51.

(b) The Budget provision that you should make is as follows:-

For Senior Division units -	Rs. 3,82,000
For Junior Division units -	Rs. 3,41,600
Total provision	Rs. 7,23,600

(c) The details of the above are given in the succeeding paras.

EXPENDITURE IN RAISING AND RUNNING NEW UNITS

not put up

5. (a) In accordance with Government of India letter No.0010/49/NCC dated 27 April 1949, Equipment, less clothing, will be provided free of charge for the units and it will also be maintained by the Government of India.

(b) The non-recurring charges in raising a unit consist of:-

(i) cost of clothing;

(ii) the outfit allowance to be paid to Senior Division officers;

(iii) expenditure, in accordance with Rule 36(2) and Schedule II, on pre-commission training of officers;

(c) The recurring charges consist of:-

(i) Pay of civilian employees of the units;

(ii) the Camp expenditure, in accordance with Schedule II of the N.C.C. Rules;

(iii) grants to the Commanding Officer and Troop Commander of a Junior Troop to run the training of the unit;

(iv) office expenditure;

not put up

(v) expenditure on following items in accordance with this Directorate letter No.0235/49/NCC dated 4 April 1949:-

(1) Refreshments for cadets on parade days at approximately Rs.-/4/- per parade.

(2) T.A. for officers and cadets for journeys over specified distances for attending parades; scale of payment to be decided by you.

(3) Washing and Cleaning Allowance for cadets at Rs.1/- per cadet per month. To be paid for the months training is in progress, which is normally 5 months for Senior Division units and 7 months for Junior Division units.

(d) The details of the above charges, by items and by units, is shown in Appendix "A" to this letter. It will be noted that exact charges on certain items have to be fixed by you e.g. pay of civilian employees and cost of petrol. An explanatory note on certain items forms part of Appendix "A".

RUNNING EXPENSES FOR UNITS ALREADY RAISED

6. (a) The expenditure on the running of a unit already raised consists of three parts:-

(i) expenditure monthly on certain fixed items e.g. pay of civilian employees of the units;

(ii) Camp expenditure as specified in the Rules;

(iii) Expenditure on the training and welfare of the cadets.

(b) The expenditure on the first two parts is to be met each month and bills for these will be submitted, which will be passed and money paid out each month.

(c) It has been decided that the expenditure on the training of a unit and the welfare of cadets should be met from the money which the unit earns for its efficiency and the enthusiasm and keenness displayed by the officers and cadets of the unit. This policy is in accordance with the recommendations of the National Cadet Corps Committee (Sections 11(h) and 12(k) of the Committee Report).

not put up

(d) A unit will be granted a Capitation Grant, at a specified rate, per efficient cadet and a Certificate Grant for each cadet who passes the Certificates laid down for N.C.C. units. A cadet will be considered to be efficient if:-

(i) he has attended 80% of the parades held during that training year; and

(ii) he has attended the annual training camp.

(e) The Grant will be Rs.15/- per cadet of N.C.C. Infantry units, Rs.20/- per cadet of N.C.C. Technical Units, and Rs.10/- per cadet of the Junior Division.

(f) Certificate Grants will be awarded as follows:-

Junior Division

Certificate "A", Part I	Rs.2/8/-
Certificate "A", Part II	Rs.2/8/-

Senior Division

Certificate "B"	Rs.5/-
Certificate "C"	Rs.5/-

(g) The Capitation and Certificate Grants shall be paid to the Commanding Officer and Troop Commanders of Junior Troops at the beginning of the financial year 1950-51 for the number of efficient cadets and certificates gained during the 1949-50 College and School sessions. He will utilise this money during the 1950-51 College and School session on training his unit.

(h) Orders are being issued to Commanding Officers and Liaison Officers, Junior Division units, that registers of attendance at parades shall be maintained. Tests for Certificates will be held by boards consisting of Army Officers, who will be detailed by Army Formation Headquarters. Bills for payment of the grants will be submitted by Commanding Officers and Liaison Officers at the beginning of each financial year on the results of the previous year.

(i) The details of the charges, by items and by units, is shown in Appendix "B". It will be noted that Capitation Grants are shown as the maximum amounts that can be earned and Certificate Grants at a certain proportion of the total strength of cadets. An explanatory note on certain items forms part of Appendix "B".

METHOD OF PAYMENT pp11-12 infra p10 infra

7. The items of expenditure, other than Capitation and Certificate Grants, e.g. pay of civilian employees, should, it is suggested, be paid in the following manner for both new units and those already raised:-

(a) Items to be met each month

(i) For Senior Division Units, bills will be submitted by Commanding Officers on dates to be notified to them by you. The money should be paid to them in the usual way, by R.T.R. or Bank Draft, to reach them by 2nd or 3rd of the month.

(ii) Arrangements for submission of bills by Junior Division units will have to be made by you, as it will be difficult for the Liaison Officer to prepare and submit monthly bills for all the units, which are located all over the Province. I suggest that the bills should be submitted by the Troop Commander, through his Headmaster, to the District Inspector of Schools, who should be authorised to pay the sums concerned. It is very essential that such decentralisation should be made in the case of Junior Division units, both to obviate delay and to ensure efficient supervision of expenditure.

(b) Camp expenses

(i) For Senior Division units, the Commanding Officer will submit a bill, showing details, at least a month in advance of proceeding to the Camp. The money should be put at the Commanding Officer's disposal at least 15 days prior to his proceeding to the Camp, so that he can make all necessary arrangements.

(ii) For Junior Division units, the Liaison Officer will submit bills for each unit, or group of units, after he has finalised the arrangements for the Camp. These bills will be submitted by him at least 2 months in advance and earlier, if that is possible. The money should be paid to the Liaison Officer at least 4 weeks before the units are to proceed to the Camp, so that he can despatch money to the Troop Commanders for making arrangements for Camp.

EXISTING UNITS

p2 ante

p4 ante

8. I request that in meeting the expenditure for the units raised in 1948 and those being raised this year, the basis should be that shown in para.5(c) and in Appendix "A" to this letter. Sums as shown should be paid to Commanding Officers, Liaison Officers and Troop Commanders following the procedure shown in para.7. p6 infra

CONCLUSION

9. I am to request that a reply may be sent to me by 1 September 1949 as to whether you accept the allotment of the units shown in para.3 of this letter. The answer by this date is necessary to enable demands for Army personnel and equipment to be submitted to Army Headquarters.

Yours faithfully,

G.G. Bewoor
Colonel,
(G.G. BEWOOR),
Director, National Cadet Corps.

With reference to Government Memos. quoted above, I have the honour to state that the following Secondary Schools in the Province, have expressed their willingness to raise Junior Division Units of the National Cadet Corps in their schools in 1950. The Units and Sub-Units proposed to be raised are shown against each school. Replies are still due from some other schools and a further report will be submitted to Government as soon as they are received. In the list below all regions are represented.

I am also examining whether additional units can be raised in 1950 in the 35 schools in which units have been formed this year. The scheme for 1950-51 may be finalised after I submit a further report.

Yours faithfully,

For Director of Public Instruction.

I am directed to refer to your letter No. 54697-B1/49-4-Education, dated 1 Sep 1949 and to state that 21 Troops and 2 Section out of an allotment of 44 Troops and two Sections was accepted for 1948-49, but no mention was made that the balance of 23 Troops could be accepted as an allotment for 1950-51. As a result an allotment of 10 Troops was allotted to your Government for 1950-51, vide this Directorate No. 0238/49/NCC dated 13 July 1949.

p 1 above

I am directed to enquire whether the allotment of 10 Troops should now be amended to read 23 Troops in view of your letter quoted above, or whether you are prepared to accept the 10 Troops allotted in addition to the 23 asked for.

Sir,

Subject: N.C.C. - Junior Division - Formation of units - Location statement.

pp 13-14 ante

R e f: Government Memo.No.21778-B/50-2 Edn. dated 6-9-1950.

I have the honour to submit herewith a revised location statement in the proforma furnished along with the Government Memo. cited above.

As many as twenty-eight units are incomplete requiring at present 39 officers 24 teachers were selected supplementally and deputed to undergo Pre-commission Training from 15-10-1950. It may be possible to fill up the gaps completely after a further selection and training during the summer vacation for schools in 1951.

In this connection I submit that the total number of units sanctioned is 45 viz. 22 sanctioned in 1949-50 and 23 in the current year. But in the location statement distribution is made for 46 units the last being the one at Lovedale. In the letter No.0170/50/NCC dated 16-9-1950 from the Directorate N.C.C. to H.Q. N.C.C. Circles, a copy of which was sent to the Liaison Officer, N.C.C.Junior Division, Madras, the Lovedale Sub-unit is noted as the 46th Madras Junior Troop N.C.C. The circle Commander, H.Q.No.2 Circle, N.C.C. Madras has not informed me to include this sub-unit in the lists of the N.C.C. units in this state and has not requested me to sanction allowances to the

The school is under the management of the Government of India and it is presumed that the expenses are directly borne by the Government of India. I request you to inform me whether my presumption is correct. In this connection reference is invited to the correspondence resting with Government Memo.No.5777-B/50-Edl-Edn. dated 9-4-1950 ~~on my letter~~.

(ii) referred to D.P.I. (Lr No 25169/49)

Please see the letter from the Director, NCC, on pages 1-12 c.f., allotting 10 units of the Junior Division of the NCC with a strength of 30 officers and 900 cadets to be raised in this Province in 1950-51. The Director has requested a reply by 1-9-1949, as to whether this Govt. agree to this allottment. The cost of raising the units has been estimated by the Director, at Rs.1,70,000. The estimate includes provision ~~of Rs. 13,200/-~~ for payment of travelling allowance to cadets and officers on parade days, allowance for refreshment and washing and cleaning allowance to cadets. The question of payment of these allowances is under separate consideration and pending a decision on that question, the provision suggested by the Director may stand.

2. The question of introducing the ~~[illegible]~~ Scheme for the NCC in this Province was considered in 1948, and it was decided by the Cabinet that the strength of the Junior Division should be limited to 4000 cadets. Only 21 units and 2 sub units ~~[illegible]~~ are proposed to be raised during the current year with a strength of 1950 (30×65) cadets. The total number of cadets including that of the proposed 10 units comes to 2,850 (1950+900) and it does not exceed the limit fixed (4000) by the Cabinet. The proposal need not therefore be treated as a new one ~~and may~~ (may) be accepted. Necessary provision ~~being~~ may be included in Part I of the B.E. for 1950-51. Before giving a reply to the Director, NCC, the D.P.I. may be asked to report whether the 10 units ~~proposed to be allotted~~ ~~can be raised in the high schools in 1950.~~ for 1950-51 will suffice and whether it will be possible to raise more than 10 units if selection of schools for raising of addl. units is made on a regional basis

The DPI may be asked to include necessary provision for the payment of the above grants in Part I of the B.E. for 1949-50 in respect of the units to be raised in the current year. In regard to the method of payment of the amount for expenditure on the units suggested by the Director, NCC, the D.P.I. may be consulted.

From the DPI., RC. no. 1149-W4/49 dated 30.8.49. pp 18-19 cf

The Cabinet had already decided that the strength of the Junior Division to be formed in this province should be limited to 4,000 cadets. within this limit, it will be possible to raise only 44 troops and one sub-unit. It is proposed to raise in the current year only 21 units and 2 sub-units. The remaining number of units that can be raised in 1950-51 is only 22 units + 2 sub units or 23 units roundly. The DPI has reported that so far secondary schools have agreed to raise 36 units and that replies are yet due from certain schools. He has suggested that the number of units to be raised

in 1950-51 may be finalised after he submits his further report.

2 Although several schools expressed their willingness to raise units of the Junior Division in the current year, yet they were not in a position to send the right type of teachers for selection for undergoing training as N.C.C officers and a good number of teachers were not selected by the Joint Civil Army Selection Board. It does not seem advisable to base the number of units that can be raised in 1950-51 on the reports received from managements. Since managements have agreed to raise more units than 23 referred to in para 1 above, it may be assumed that it would be possible to raise 23 units in 1950-51 and the Director NCC may be requested to allot 23 units instead of 10 proposed. The selection of schools in which the units should be raised in 1950-51 may be made on a regional basis after all the replies are received

3 As the Director NCC has requested that a reply may be sent by 1st September it is for consideration whether the Director NCC may be requested to allot 23 units for 1950-51 without waiting for the further report from the DPI

From the Director, N.C.C., No.0238/G/49/NCC dated 12-9-49. page 22C

Please see the letter from the Director, National Cadet Corps, on page 22 c.f. The decision of the Cabinet is to restrict the total number of cadets for the Junior Division to 4000. Out of this strength 44 troops and one sub-unit can be raised. 21 units and 2 sub-units have been raised during the current year and the idea is to ~~form~~ raise the remaining units, namely, 22 units and 2 sub-units or 23 units roundly - during the next year. The Director may be informed that this Province may be allotted 23 ~~troops~~ units for the next year and that the allotment of 10 troops already made may be amended as 23 troops.

The estimate of cost for the units of the Senior and Junior Division already raised has been called for. In the linked file Finance have agreed to the suggestion that as the grants are payable only in 1950-51, the question may be considered in connection with Part II estimates for 1950-51. Subsequently it has been decided in consultation with Finance that the new service procedure need not be followed in regard to certain similar items of expenditure to be incurred in the current year. ex- Payment of conveyance allowance, light refreshments allowance etc. Finance may be consulted whether in the circumstances the expenditure on payment of capitation & certificate grants may be included in Part I estimates for 1950-51

2. In regard to the additional units raised in the current year, necessary provision was included in Part I as it was part of the proposal already ~~agreed to viz~~ approved by Cabinet - a Senior Division of 200 cadets and a Junior Division of 4000 cadets. Similarly provision for the addl units to be raised in 1950-51 may be included in Part I, as the maximum limit will not be exceeded thereby.

Necessary provision has been made for the raising of 23 Troops of the Junior Division in the current year. The officer trainees are undergoing training. Sanction may now be accorded for the raising of 23 Junior Troops.

2 According to the scale of N.C.C. — one lascar should be employed for every Junior Troop to maintain the arms and equipment on charge of unit. It will be sufficient to sanction the employment of lascars after the wooden boxes to keep the arms & ammunition of the Junior Division Troops are manufactured & supplied to the units and arms & equipment are distributed.
