Rajapalayam.

To
The Secretary to Government,
Education and Public Health
Department, Madras.

Through The Chairman, Municipal
Council, Rajapalayam, and

Through The Director of Public
Instruction, Madras.

Roc. 7737 B1/49 Dated the 23rd November 1949.

Sir,

Sub: BUDGET ESTIMATE - Elementary Education
Fund - Rajapalayam Municipal Council -
1950-51.

Ref: Director's C.No. 1905 B1/49 dated 22-10-1949.

I submit the Budget Estimate for 1950-51 relating to
Elementary Education Account together with the requisite enclosures,
in duplicate.

h1/④
2. The question of levying Education Tax from
1-4-1950 is under consideration - Vide My letter Roc. 8495/B1-49
dated 9-11-49. As soon as the rate of levy is decided the con-
tribution from the General Account will be reduced to the extent
necessary.

3. The provision as per the original Budget
for 1949-50 included the cost of opening a middle school.
The latter has now been separated and taken to the General Accounts.

Roc. 7737 B1/49,

RAJAPALAYAM MUNICIPALITY.

General Funds Revised Estimate for the year 1949-50 and Budget Estimate for the year 1950-1951.

Note to the Council:-

I present herewith the revised estimate for 1949-50 and Budget Estimate for 1950-51.

I. REVISED ESTIMATE.

There is no major deviation under Receipts except under Entertainment Tax and License fees. The revised expectations under these two items are based on actuals, upto 30th September 1949. Save for an increase of Rs. 2000/-. The expenditure under General Account ordinary follows the original estimation. Under Capital the provision made for improvements to cart stand has been reduced by Rs. 5500/- and provision of Rs. 2000/- made for the site purchased for the mutton stall.

A provision of Rs. 18924/- was made in the original Budget under Elementary Education including the cost of Middle School. As the expenditure is debitable to general account the allotment has been reduced to Rs. 15080/-. This accounts for the slight increase in the Expenditure under General Account Ordinary.

The General Account is expected to close with a surplus balance of Rs. 60720/- and the water supply and drainage account with Rs. 17858/-. As these amounts may not be invested for immediate use, I suggest portions thereof may be invested in short term securities so that they may earn interest.

II. BUDGET ESTIMATE.

General Account Ordinary:- It is expected to open with a balance of Rs. 60720/-. Receipts are estimate at Rs. 164730/- after providing for a contribution of Rs. 82936/- to the Capital and other special service accounts. Credit has been taken for an additional Revenue of Rs. 10,000/- on account of the General revision of the property tax which has been allocated among several accounts. There is no major deviation from the revised estimate under any other receipt head.

The total estimated expenditure under ordinary account is Rs. 212642/-. This exceeds receipts by about Rs. 48000/- mainly because of the large contributions to other accounts. The following new items of expenditure have been provided for as they are absolutely necessary.

Two Lower Division Clerks, Two peons, One lascar to the Public Works Supervisor, Health Visitor, Three additional avenue coolies, Building Inspector III grade and One Midwife and an Ayah.

The existing temporary appointments viz., Lower Division Clerk to the Municipal Health Officer, Public Works Maistry, Sanitary Inspector, Servant for the reading room,

(2)

room, Bus stand peon, three lighter cum avenue coolies, Peon for collection of license fees under section 270 of the Madras District Municipalities Act and Town-Planning Lower Division Clerk, are proposed to be made permanent.

Provision is also made for taking up Town Survey. Rs.35000/- has been provided under Road maintenance and Rs. 60000/- on capital works viz., laying of cement concrete in Railway Feeder road and in Periyakadai Bazaar road. It is always desirable to finance large Capital works from loan funds. The time for applying for a loan having already expired it can be done only next year. For the present the council's share of the capital expenditure is proposed to be met from the General Revenues. I also suggest that all the minor lanes which present an ugly appearance may be cement concreted with storm water drain. To this end this council may apply for a short term loan or for permission to divert from the Water supply and drainage fund so that it can repay it from the ordinary road maintenance allotment. No provision should be made for the provision of aprons for the important roads like the Mudangiar road for want of funds. The council may however consider the question of raising a loan for this purpose also.

It is proposed to acquire a site for the construction of an office building. The value of the land is provided for. Provision is also made for the ~~construction~~ installation of Mahatma Gandhi's bust. Provision has been made for the following items of capital expenditure.

Construction of latrines,
D. Water Supply & Drainage:-

Retiring room in the Bus stand.

There is no scientific system of drainage or watersupply. The lighting is a great problem for many years to come. There are

Increased provision is made under this account with a view to eliminate the existing kerosene oil lights and extend the electric lighting system to places not served by it and to provide high power and ornamental lights at important road junctions.

C. Elementary Education:

Provision is made for the appointment of two additional teachers. This account is almost fed by the General revenues as no education tax is levied. I have addressed Government as to whether any subsidy will be paid in the event of the Council levying a tax now. The question of fixing the rate of taxation may be considered on receipt of orders. If a tax is levied from 1-4-1949 1-4-1950 the General account will be relieved to some extent. Education, especially of girls, is very backward as ~~an~~ about 55% is without schooling. It is therefore necessary to introduce compulsion. This may be possible only if suitable and adequate accommodation is secured. To this end, the Council may decide to levy education tax at say 25% of the property tax from 1-4-1950.

D. Water Supply & Drainage:-

There is no scientific system of drainage or watersupply. They will remain a problem for many years to come. There are

(3)

are only very few wells, supplying potable water to a town having a population of more than 50,000/-. I have therefore contemplated the provision of a few automatic pressure pumps for watersupply.

The town abounds in cess pools which are cleaned by the municipal agency at an annual cost of no less than Rs. 25,000/- against which it gets a revenue of only about Rs. 2000/-. This expenditure is met from the General Accounts ordinary. This annual drain on the general revenues can be avoided if a comprehensive drainage scheme is introduced. The Council may therefore consider the question of addressing the Government for speeding up drainage scheme as the Council can easily finance its portion of the cost. To start with, a provision of Rs. 24,360/- has been made in the budget.

28/11/48

Cno: 10/9/50/4

Extract from the note-file of L.A Department regarding
Budget Estimate-1950-51-Rajapalayam Municipal Council-

7(i) Contribution to Elementary Education Account:-

Provision is made for a contribution of Rs.16,626 in the R.E. for 1949-50 and of Rs15,636 in the B.E. for 1950-51 from the General Account to the Elementary Education Account. At present, the council is not levying any education tax. With the contributions proposed, the Elementary Education Account is expected to close with a nil balance. The contributions proposed may be allowed pending issue of orders on the Elementary education Budget.

16. General Financial Position:- On the basis of the B.E. for 1950-51 the estimated ordinary receipts under the General Account exceed the ordinary expenditure by Rs9600/- (in round sum). The Question of levying an Education tax is reported to be under consideration. If the council decides to levy an education tax, it will result in a substantial savings to the General Account and the General Account will work at a substantial surplus. The present rate of tax in this municipality is 20 percent per annum.

12. Expenditure-ordinary - Dearness Allowance:- The estimates provide for the payment of dearness allowance to the municipal staff at sanctioned rates.

13. Total ordinary expenditure:- The total ordinary expenditure under the General Account amounts to Rs. 1,97,532 in 1949-50 and Rs.2,12,642 in 1950-51.

15. Closing Balance:-

(a) R.E. for 1949-50:- The R.E. for 1949-50 is expected to close with a balance of Rs.60,720.

(b) B.E. for 1950-51:- The B.E. for 1950-51 is expected to close with a balance of Rs.11,808 as against the required balance of Rs 12,300 (in round sum). The council may be asked to secure the requisite balance by economising expenditure

The current year 1949-50 opened with a balance of Rs. 81,405 under the General Account (ordinary). According to the present estimates this year will close with a balance of Rs. 60,720 and the next year (budget year-1950-51) with a balance of Rs. 11,808 as against the required minimum balance of Rs. 12,300. The dwindling of the closing balance is mainly due to the large provision made for capital expenditure- Rs. 40,340 in the current year and Rs. 57,500 in 1950-51 from ordinary revenues. The council may be asked to secure the minimum working balance by economising expenditure.

On the basis of the Budget the net ordinary receipts Rs. 2,22,230/- of the Municipal council under the General Account exceed the ordinary expenditure Rs. 2,12,642 by Rs. 9,600 roundly. The financial position of the municipal council can be considered as satisfactory. The total rate of taxation is 20% annual. This does not include education tax which has been proposed by the Commissioner to be levied from 1-4-50. As regards the levy of the education tax and the subsidy referred to by the commissioner, his attention may be drawn to G.O. No 530 Edn dated 6-4-45, if this was not already done by the L&PH Department.

Edn. 4. (C)

Para 7(i) - Contribution from General Funds to Elementary Education Fund:-

Pending orders on the Elementary Education Budget, the proposed contribution may stand -
'M' on P. 5 ante:- The attention of the Commissioner, Rajapalayam Municipality has already drawn to G.O. No. 530 Edn. dt 6-4-45 - The question of allowing the Municipal Council, Rajapalayam to levy education tax at increased rate from 1-4-50 is separately under consideration in this Department. The matter has been referred to the Examiner of Local Fund Accounts and his reply is awaited.

No: 7737/49 dt 22-11-49

From the Director of Public Instruction

No: 88/49-50 dt 14-3-50

Order No. 1587 - Edn dt 25-5-50

Ms

The Government pass the following orders on the R.E. for 1949-50 and the B.E. for 1950-51 of the Elementary Education Fund of the Municipal Council, Rajapalayam:-

2. R. E. for 1949-50:-

(i) The credit taken for a Government grant of Rs. 2,500 in respect of the construction of kiosk shed for Municipal Lower Elementary school for Hari Dravida Boys should be deleted as no grant has been sanctioned for the purpose in 1949-50. Credit may, however, be taken for this amount in the R.E. for 1950-51.

(ii) In view of item (i) above, the provision made for a Capital expenditure of Rs. 5,000 under "Land & Buildings" should be deleted and may be provided for in the R.E.

(iii) The R.E. is anticipated to close with a balance of Rs. 2,500.

3. B.E. for 1950-51:-

(i) The Commissioner, Rajapalayam Municipality is informed that

no proposals for the levy of 5m tax within the municipal area with reference to Government memo no: 95980/49-4 C1 Edn of 28-2-1950 has been received. He is requested to place the matter before the municipal council and forward a resolution of the Council on the proposal.

(ii) The B.E. is anticipated to close with a balance of Rs 6,000.

4. An extract of the remarks of the Director of Public Instruction contained in his endorsement and is communicated to the Commissioner, Rayapalayam Municipality for information and necessary action.
