EDUCATION DEPARTMENT

From

The Director of Public Instruction,
Madras.

To
The Secretary to Government,
Education Department.

Sir,

Re. No. 393-K.3/50 dated 21.4.'50

Sub: Schools - Government Muslim High School, Vellore - Additional sections in Forms I to III - Continuance with the staff - sanction requesting -

Ref: G.O. Ms. No. 2555 Edn., dated 11.8.49

The sanction accorded in the G.O. quoted above for the continuance of the additional sections in each of Forms I to III in the Government Muslim High School, Vellore and of the post of one Secondary Grade teacher for the additional sections in Form III will expire by the end of the current school year i.e., 31.5.50

The present strength of Forms I to III in the school is as shown below:

Forms I	71
Form II	64
Form III	55

The present strength of Forms I and II necessitates the continuance of the additional sections in Forms II and III next year. Form I being the basic Form of the High School sufficient strength for two sections can be expected every year.

There is therefore need for the continuance of the additional sections in Forms I to III in the school on a permanent basis. At present, the two permanent posts of Secondary Grade teachers released consequent on the closure of Class V (2 sections) are being utilised for the additional sections in Forms I to II. I request that Government may kindly approve this as a permanent arrangement. Sanction may also be accorded for the continuance of the temporary post of Secondary Grade teacher for the additional section in Form III for a further period of two years from the school year 1950-51.

Yours faithfully,

D. O. Paulanahili

for Director of Public Instruction.

The letter from the D.P.D. in the C.F. and the draft order overleaf may be perused. The usual criterion for making temporary posts or ~~new establishments~~ ^{permanent} is that they should be in continuous existence for at least five years and they should be required for the normal working of the dept. In respect of the addl sections in each of the forms I & II in the Govt. Muslim High School, Vellore proposed for permanent retention, it is not clear whether ^{the sections} they have completed their five years of existence. Edu. Dept. may be requested to put up the papers in which the two addl sections in question were ^{originally} sanctioned, and ^{to state} also say whether these sections have been in continuous existence since then.

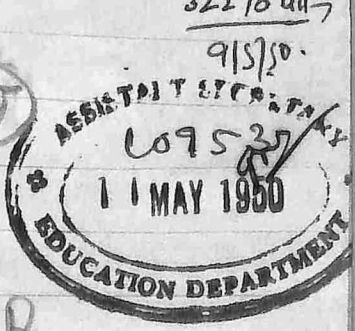

In view of the statistics furnished in para 2 p. 1 cf. Finance may agree to the continuance of the post of Secondary Grade teacher for the addl section in Form III for a further period of two years from the school year 1950-51.
