Item 7 on p 8 of
G.O. 1209 Edn

In my proceedings No. 486 F/49 dated 13-6-1949, the application of the correspondent, St. Gabriel's High School, Madras, towards the purchase of 40 dual desks at an estimated cost of Rs. 4,367/- was approved and an amount of Rs. 2188/- has been provided towards payment of equipment grant to the school during the current year.

2. The correspondent now reports that the management of the Madras Christian College High School who are shifting their school to the new buildings at Chetput and who are making new furniture are offering dual desks for sale and since his school is giving up shift system and is in need of additional furniture, he requests that he may be permitted to purchase 110 dual desks from the Christian College High School and grant sanctioned for the same from the provision provided. It is reported that the cost of each dual desk is Rs. 35/- and that they require some reconditioning and varnishing and have to be transported at the cost of the consignee. After meeting all these expenditure, the cost of each dual desk may come to Rs. 50/- as against Rs. 36/- the cost of a new dual desk approved by me for the school.

3. The purchase of second-hand articles is prohibited for sanction of Equipment Grant. But in view of the difficulties experienced by the managements in securing new furniture at reasonable prices and also in view of the fact that the school requires the furniture urgently, I request that Government may be pleased to permit the Management of the school to purchase 110 second-hand dual desks from the Christian College High School, Madras, at an estimated cost of Rs. 4136/- originally approved by me towards the purchase of dual desks, as a special case.

4. As the matter is urgent, I have permitted the correspondent, St. Gabriel's High School, to purchase the second-hand dual desks from the Christian College High School, subject to the approval of the Government informing him that the question of sanction of Government grant for the furniture in question will depend on the Government orders in the matter.

5. In this connection I have the honour to inform Government that the Secretary and Correspondent, A.R.C. Girls' High School, Muthialpet has also applied for similar permission.

to purchase 24 dual desks, 3 black boards and 3 glass almyrahs (all second-hand articles) from the Madras Christian College, High School. The application in the prescribed form for approval of the furniture proposed to be purchased is awaited. I recommend that he may also be permitted to purchase the furniture referred to from the ^{Christian} school. The payment of Government grant for the same will be disposed of by me on its merit in due course.
