Sir,

Re. 220-S.E.2/50 dated 11.5.'50

Sub: Adult Education - Adult literacy schools conducted by Local
Bodies - Expenditure on purchase of equipment -
Ref: Endt. Roc.No. 179-E.1/50 dated 14-4-'50 of the Divisional
Inspector, Mathurai -

In para 12 of G.O.No. 2204 Edn. dated 4-9-1948, Local Bodies running Adult Literacy schools have been permitted to remunerate the teachers from the Elementary Education Fund at the rates prescribed under Rule 9 of the same G.O. The President, District Board, Tanjore enquires whether the expenditure towards the supply of equipment may also be met from the Elementary Education Fund. In the case of Aided Adult Literacy Schools, equipment has to be provided by the Managements at their own cost while Rule 12 of the above G.O. does not provide specifically for such supply of Local Bodies. For the sake of ~~informity~~ ^{uniformity}, it would appear necessary that Local Bodies should be permitted to incur the expenditure on equipment also from their Elementary Education Fund if they can afford to do so.

I request the favour of early orders.

Yours faithfully,

A. S. Manickam
