No. Roc. 80-H/50 dated 25-4-1950.

Sir,

Subject:-

Typewriters- Supply of portable Type-writers to the
Office of the Inspectresses of Girls Schools- Sanction of.

Ref:- Government Memo No. 29497/49-2 Edn. dated
24-5-1949.

I have the honour to submit that the question of
supplying portable typewriters to the Inspecting Officers of
the Education Department was deferred by the Government in
their memo No. 29497/49-2 Edn. dated 24-5-1949. The Inspectress
of Girls Schools V Circle, Mathurai now reports that if a port-
able typewriter is sanctioned, fair-copying of urgent drafts
may be done by the camp clerk, accompanying the officer and
while the officer is at Head-Quarters, the other clerks who
know type-writing can do the fair-copying work with the port-
able machine and give some relief to the typist. She has also
stated in her letter that her jurisdiction extends over four
districts and most of the days in the month she spends on camp
and urgent drafts can be typed and despatched from camp with-
out sending them to Head-quarters, if a portable type-writer is
supplied. Much time is now wasted in transmitting urgent
tappals from Head-Quarters to camp and back to Head-Quarters.

2. In the circumstances explained by the Inspectress
V Circle, I request that Government may reconsider the orders
so far as the six Inspectresses at least are concerned. The
position explained by the Inspectresses V Circle holds good for
all Inspectresses.

Yours faithfully,

K. S. S. S. S. S.

From the D.P.I., No. 80-H/50, dated 25-4-50.

Supply of portable typewriters to the office of
of the Inspectresses of Girls schools.

In June 1948 the D.P.I. requested ^{that} ~~for the sup-~~
~~ply of~~ 35 portable typewriters ^{might be supplied} for the use of 35 touring
officers namely 28 D.E.Os, 6 Inspectresses of Girls
schools and 1 Chief Inspector of Physical Education.
The D.P.I. pointed out in that ~~condition~~ connection
that the touring officers found the transport of the
office typewriters (standard typewriters) by bus a dif-
ficult and risky ~~one~~ ^{the} and slight damage to the machine
might cause great inconvenience. In view of the need
for economy in Govt. expenditure, the ^{D.P.I. was} ~~proposal was~~
~~request to renew the proposal was deferred in 1949~~

2 The proposal was renewed by the D.P.I. last
year and the Govt. again deferred the proposal on finan-
cial grounds. The D.P.I. now requests that in the cir-
cumstances explained by the Inspectress V Circle,
Mathurai, Govt. may reconsider the orders atleast in
the respect of 6 Inspectresses.

3 Submitted the extra cost on account of the
^{Supply Memo only to the Inspectresses}
present proposal will be only Rs. 2,400/- ~~(Rs. 2,400/-)~~
(6 X 400) against Rs. 14,000/- ~~is~~ the proposal origi-
nally submitted by the D.P.I. The proposal of the
D.P.I. may perhaps be accepted. The file may be sent
to Finance for remarks.

The letter from the D.P.I. in the C.F
and the notes above may be perused.
The question of supplying portable type-
writers to the ^{inspecting} ~~touring~~ officers of the Edn. Dept
was considered in (N) and it was deferred in

mis of financial stringency. No ~~additional~~ new reasons have been adduced now excepting the fact that the cost of the proposal has been reduced from Rs. 14,000 to 2,400.

The circumstances stated by the D.P.O. in para 1, P.C.F. & justifying the supply of a type-writer to the six Inspectresses, are too general and will apply with equal force to all other ~~lower~~ officers in the dept. If the Inspectresses are supplied with the machine, it will be difficult to resist similar claims from others. The financial position of this state has only gone from bad to worse.

In the circumstances this dept may suggest that the proposal be negatived.

11-5-50. La 11-5-50. Fin. may accept the proposal as a special case, in view of the fact that the Inspectresses of schools have each jurisdiction extending over 4 districts. As they spend most of the days in camp & a portable typewriter ^{which} will not be liable to damage in transit if taken in camp will enable urgent drafts being typed & despatched from camp, the case may be treated as a special.

This should not be taken as precedent for supply of portable typewriters to D.O. Officers (who number 28) or any other drawing officers.
