Rec.No.1262 M.49 dated 5-11-49

Sir,

8742

Sub:--Inspection--Office of the Inspector of Oriental
Schools, Madras--Sanction of the post of an attender
in the time scale of pay--request.

Ref

I have the honour to state that on a representation from the Inspector of Oriental Schools, Madras, stating that the work in his Office has grown very heavy and requesting for the sanction of an attender for his Office, the employment of a temporary attender on fixed pay was sanctioned at the first instance for a period of one year from the date of appointment in my Proceedings Dis.No.5662 of 47 dated 18-10-47. This was continued for a further period of one year from 1-11-48. The present sanction expired on 31-10-49 and the Inspector has requested that the post may be continued and placed on time scale of pay since the work in his Office has not gone down. I would invite attention to my letter Re.No.268K-4-49 dated 7-3-49 furnishing statistical particulars of papers and other details of work in that Office in connection with the continuance of the temporary clerk on which Government have already passed orders:--Vide G.O.No.1813 Education dated 1-6-49. The work entrusted to the attender is also enumerated in the details given therein.

2. The Inspector has since reported that the number of papers received for the year 1948-49 is 36062 for 373 working days. The average per clerk per day comes to 10.2 which is rather high. I consider that the request of the Inspector of Oriental Schools is reasonable and therefore recommend that sanction may kindly be accorded for the continuance of the attender, in the Office on time scale of pay from 1-11-49.

The Inspector is being permitted to continue the attender on fixed pay pending sanction of Government.

Yours faithfully,

For Director of Public Instruction
