EDUCATION DEPARTMENT

From

The Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education Department, Madras.

Sir,

Re.No. 15-N/50 dated 29-4-'50

Sub: Libraries - Training in Diploma Course in Library science of
the Madras University - Deputation of candidates during 1950-51

2/5-647. In their order No. 2062-Edn., dated 27-6-'49, Government approved the proposal of the Director to depute four candidates for training, in Diploma Course in Library Science in the University of Madras. When, under the provisions of the Madras Public Libraries Act, Local Library Authorities are formed, the services of the four candidates, who were deputed under the orders referred to above, will be utilised, as and when there is demand.

2 I recommend that four candidates may be deputed by Government this year also (1950-51), as there is likely to be a good demand for trained hands. All the four candidates will be outsiders even this year, and if the proposal is accepted, the selection will be made by me as usual. As applications have to be invited by advertisement, and as selections are to be made and agreements executed with the candidates (who have also to furnish sureties) binding them to serve the Government or the Local Bodies for a period of five years from the termination of the training, I solicit early orders of Government.

3 Necessary funds have been provided for this purpose in the current year's Budget Estimate.

Yours faithfully,

R. Janardhanan

The D. P. I. recommends
that four candidates may be
deputed by the Govt. for the year
1950-51 to undergo training in diploma
course in the Madras University
to be absorbed in important
libraries consequent on the coming
into force of the Madras Public
Libraries Act, 1948.

2. With a view to have
a sufficient number of librarians
trained in library science ^(reserve force)
to be appointed in the libraries
to be opened in district and
Taluk centres, the Govt. decided
in 1948 to depute four candidates
to the Delhi University for training
in the library science of that
University. But the D. P. I. selected

only two candidates ^{for 1948-49} and they
were sent to the Delhi University
for training. The candidates
had accordingly completed ~~the~~
their training.

(Z)/1-3 d.7.

3. The D. P. I. proposed
in 1949 that four candidates
^{might} ~~may~~ be deputed for training
in library science during the
year 1949-50 and that they might be
got

got trained in the Madras University instead of in the Delhi University, as the cost of training in the former institution was much cheaper than in the latter institution. The Govt. accordingly approved the Director's proposal and four candidates were got trained last year in the Madras University. (2/10.7. (2/30.7. (2/5-60.7.

4. The candidates trained in library science had sanctioned posts and they are appointed against those posts and governed by the ad hoc rules framed for the purpose. The D.P.I. has posted the candidates, as an interim measure, to certain institutions, pending their absorption by local bodies in their libraries yet to be opened.

5. The D.P.I.'s proposal to depute four candidates during 1950-51 for training in the Madras University may be accepted, as he states that there is likely to be a good demand for trained hands. He says that all the four candidates will be outsiders and he will make the selection if his proposal is accepted. The estimate of cost of training the four candidates during the last year in the Madras University was about Rs. 2,000/- It is presumed that the estimate of cost involved in the Director's present proposal will nearly be the same as in the last year. The Director says that necessary funds have been
