EDUCATION DEPARTMENT

From

The Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education Department.

Sir,

Rc. 420 D.2/48 dated 29.4.'50

Sub: Grant - Building - N.S.V.V. Secondary School, Pattiveeranpatti
Construction of building - Tenders -

(V) / Item 12 on p 408 In G.O. Ms. No. 3710 Edn. dated 2.12.'49, the Government sanctioned the inclusion in the list of approved works, of the scheme for the construction of a building for N.S.V.V. Secondary School, Pattiveeranpatti at an estimated cost of Rs. 54,000/- rendering the institution eligible for a grant not exceeding Rs. 27,000/-. The Joint Consulting Architect who scrutinised the plans and estimates has stated that the scheme may be approved for Rs. 74,000/-. Hence the grant for the scheme will have to be raised to Rs. 35,000.

2 While placing the scheme on the list of approved works, the management were required to invite tenders and open them in the presence of the Inspecting Officer as required in Rule 53 (ii) of the Grant in Aid Code.

3 The Correspondent reports that in spite of earnest efforts no tender has been received. The Management are anxious to have the new building ready for the re-opening after the summer vacation. Hence the correspondent requests that the Management be permitted to construct the building themselves. I submit herewith a copy of letter dated 14-4-'50 from the Correspondent.

4 In the circumstances explained, permission may be accorded, as a special case, to the Management of N.S.V.V. Secondary School Pattiveeranpatti, to proceed with the construction of the school building without entrusting the work to a contractor relaxing the provision of Rule 53 of the Grant in Aid Code.

5 Advance grant, if required, may be permitted to be paid on the certificate of the Correspondent in regard to the expenditure actually incurred on the execution of the work. The final payment of grant will be made only after completion of the work and after obtaining the valuation certificate of the local P.W.D.

6 The Chief Engineer (Buildings) may be requested to issue instructions to the Executive Engineer and his subordinates in the Madura District to inspect the construction during their tours to Pattiveeranpatti.

Yours faithfully,

D. S. Sankaralingam

Sub: Construction of the proposed building of the N.S.V.V. High School, Pattiveeranpatti.

Sir,

In connection with the construction of the proposed new building for the N.S.V.V. High School, Pattiveeranpatti, I invited tenders by advertising in the Hindu (English) and in the Thanthi (Tamil) papers, on the 7th and on the 9th of March 1950, allowing time for sending tenders upto 24th March 1950. Since no tender or even enquiry were received, I extended the time upto 10th April 1950, by advertising again in the Hindu and in the Thanthi on the 29th March 1950. Even then I received no tender or enquiry.

Therefore, I request that the management may be permitted to construct the building. Since the High School is badly in need of the new building and the management finds it very difficult to conduct the High school in the present temporary building, which was vacated by the elementary school for housing the High School, the necessity for finishing the construction at an early date is hard-pressing. And the elementary school is housed in temporary-sheds and buildings. Therefore by finishing the construction of the new building of the High School, both the schools will be benefitted in having required suitable buildings.

In view of the above facts I request that the orders, permitting the management to construct the proposed building of the High School, for which the plan has already been approved and half-grant sanctioned by the Government of Madras in their G.O.Ms. No.3710 Education, dated 2nd December 1949, may be issued in the very near future. The work will be supervised by the Divisional Engineer, Highways, Mathurai.

Yours faithfully,

Grant - Building - N.S.V.V. Secondary School,
Pattiveerampatti Construction of building--
Maximum grant - Raised - Construction without
entrusting it to a tenderer.- Permitted.

Read: G.O.No.3710 Edn. dated 2-12-1949.
G.O.No.1376 Edn. dated 28-4-1950.
From the D.P.I. Rc.No.420 D.2/48 d/29-4-50.

ORDER/Ms.No. 1618 Edn. 29-5-50

Sanction was accorded in G.O.No.Ms.3710 Edn.dated 2-12-49 to the inclusion in the list of approved works of the scheme for the construction of a building for the N.S.V.V. Secondary school, Pattiveerampatti at an estimated cost of Rs.54,000 rendering the institution eligible for a grant not exceeding Rs.27,000/- ~~As the~~ ^{Tenit Consulting Architect who had submitted the estimates, recommends that the} ~~scheme may be approved for Rs.74,000.~~ ^{on the basis of one-half of the actual cost will be raised from Rs.27,000 to Rs.35,000/- of Rs.35,000. instead of Rs.27,000 as fixed}

2. In the circumstances stated permission is accorded, as a special case, to the management of the N.S.V.V. Secondary school, Pattiveerampatti to proceed with the construction of the building for the school, without entrusting the work to a contractor, relaxing the provisions of rule 53 of the Grant - In - Aid Code.

3. ~~Advance Grants~~ ^{if any required} may be paid on the certificate of the correspondent in regard to the expenditure incurred on the execution of the work so far, but the final instalment should be paid only after completion of the work ^{on production of} ~~based upon~~ the valuation certificate of the Local P.W.D.

4. The Chief Engineer (Buildings) is requested to issue instructions to the Executive Engineer and his subordinates in the Mathurai District to inspect the construction during their tours to Pattiveerampatti.
