Brussels - Representation of India - Deputation of
Sri B.S.Mani of Madras - Contribution - Requesting.

In connection with the forthcoming World cycling champion-
ships to be held in August 1950 at Brussels, Belgium, it is repor-
ted that Sri B.S.Mani of Madras has been selected by the National
Cyclists' Federation of India to represent India. The expenses -
towards his journey to Brussels, such as transport, board and lodging,

by Government. A copy of his letter is submitted herewith.

2. I recommend that ^a contribution of Rs.500/- (Rupees five hundred
only) may kindly be sanctioned.

3. The Government had sanctioned contributions for similar pur-
poses previously. Reference is, in this connection, invited to G.O.

the Indian Olympic Association at the rate of Rs.2000/- to each of
the two competitors from Madras who were deputed to London for the
XIV Olympiad held in London in 1948, was sanctioned.

Copy of letter dated 29-4-1950 from the Secretary, Madras Provincial
Olympic Association, Madras to the Director of Public Instruction.

You would be interested to know that Sri B.S.Mani of Madras has
been selected by the National Cyclists' Federation of India to represen-
India in the forthcoming World Cycling Championships to be held in August
1950 at Brussels, Belgium.

Mani has an excellent record to his credit to represent India.
In the cycling competitions held recently at Bombay, his timing compare
very favourably with the world's record. This he accomplished riding a
cycle not quite suitable for these competitions. His selections are of
the opinion that with a proper track cycle, Mani would improve his tim-
and ought to therefore do well in the World Championship Competitions
at Brussels.

A sum of Rs.4,500/- is needed to send Mani to Brussels. This would
include transport, board and lodging, weekly pocket allowance, uniform,
woolen clothings, etc.

In the absence of a Provincial Cyclists' Association for Madras,
the Madras Olympic Association is sponsoring this venture.

Kindly recommend to Government that adequate financial help is
given to the Madras Olympic Association to send Mani to Brussels to re-
present India.

PHYSICAL EDUCATION - World cycling championship at Brussels - Deputation of Sri B.S. Mani of Madras to compete. (1)

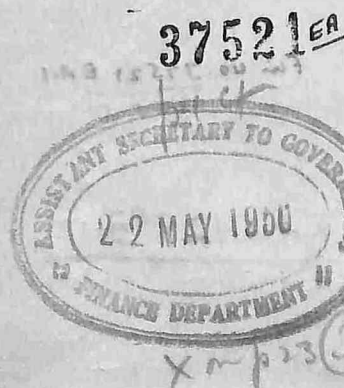

From the D.P.I. No. 752.L2/50 dated 16-5-50.

The D.P.I. brings to the notice of Govt. that in connection with the forthcoming world cycling championship to be held in August 1950 at Brussels, Belgium, Sri B.S. Mani of Madras has been selected by the National Cyclists' Federation of India to represent India. He estimates the expenses towards Sri Mani's journey to Brussels such as transport, board, lodging, weekly pocket allowance, uniform, woolen clothings, etc., at Rs. 4,500/- and says that the Secretary of the Madras Provincial Olympic Association requests that adequate financial help might be given by Govt. The Director recommends the payment of a contribution of Rs. 500/- to the Madras Provincial Olympic Association, Madras. The Govt. have not been paying any recurring grant to the Madras Provincial Olympic Association but grants were being paid as and when applications were received. In 1946 a grant of Rs. 500/- was paid to the Association towards the expenses in connection with sending athletes to the All India Olympic Games at Bangalore.

This Govt. have also sanctioned contribution towards the deputation of representatives from Madras for the World Olympics. In 1948 this Govt. sanctioned a contribution of Rs. 4,000/- to the Indian Olympic Association for two competitors from this State for the XIV Olympics held in London then at the rate of Rs. 2,000/- for each competitor. Though contributions have hitherto been paid to the representatives of either the Madras Provincial Olympic Association or the Indian Olympic Association Sri B.S. Mani, competitor ^{in this case} is a representative of the National Cyclists' Federation of India. But the Madras Olympic Association states that they are sponsoring the venture in the absence of a Provincial Cyclists' Association for Madras.

As Sri Mani is being taken to all Madras and districts he is
As it is important that Madras State should take part in the world cycling championship, ^{the} grant of Rs. 500/- recommended by the D.P.I. may be paid to the Madras Provincial Olympic Association, the Association being asked to produce an audited statement of its receipts and expre. after the championship is over.

The proposal of Edu. to sanction a grant of Rs. 500 to the Madras Olympic Association towards the expenditure connected with the sponsoring of a cyclist to the forth coming world cycling Championships to be held in August 1950 at Brussels may be agreed to in this Dept.

22-5-50

There is no specific provision to meet the expenditure in the current year's Budget Estimate. It is debatable to "3) Education - s. Miscellaneous - A - General - (1) Excluding Postwar Reconstruction - s. Other Grants - voted" under which there is a provision of Rs. 5.43 lakhs. It may be possible to meet the small expenditure of Rs. 500/- from likely savings in this provision. Finance may however advise that the expenditure should be debited to the head of account specified at A above and met from the existing provision under it. J. (Finance) also may see.

Personally I am little particular in financing a venture like this. It has no educational value because cycling has taken root in this country even otherwise. This is very definitely a field for private enterprise. H.M. (Fin) may let
