The Hon'ble Shri K. Madhava Menon,
Minister for Education,
Government of Madras,
Fort.St. George, Madras.

Dear Friend,

I spent a month at the refugee camps at Faridabad and Rajpura helping Shrimati Ashadevi in her work and returned here on the 25th. It is difficult to describe the hardships prevailing in the camps. In spite of such hardships, we have been able to organise schools for 3,500 children in Faridabad and for 2,500 children in Rajpura. The work is very much appreciated by the refugees and children are giving good attention and are being trained for their being self-supporting as regards their primary needs. It is very good of the Madras Government to have extended the deputation of Shri V. Krishnamurti and placed his services at the disposal of the Hindustani Talimi Sangh. Shri Krishnamurti has joined the work there and is directly under the direction and guidance of Shrimati Ashadevi.

During his training course at Sevagram, he was given an allowance of Rs. 30/- besides his pay. The allowance of Rs. 30/- is sufficient for his expenses under conditions existing at Sevagram. But as you know the expenses in a refugee camp is comparatively high. It would be a great help

if you can increase the allowance to Rs. 60/- per month. I would not have recommended such an increase, had it not been for the sheer necessity under the economic conditions of the camp. I hope you will be able to sanction this increase.

I am again leaving for Faridabad on the 2nd June and expect to be back by the middle of June. I am hoping to come to Madras in the first week of July on my way to Krishnarajasagar at Mysore to attend the Seminar of the International Student Service.

With warm regards to you both,

Yours sincerely,

E. W. Araya Nayakam

P.S.: The Hindustani Talimi Sangh has published a pictorial album illustrating the work at Sevagram. It was well-received at South India Teachers' Conference. I shall be grateful if you can kindly arrange to distribute copies the Tamil album in the training colleges and schools, in the province, especially 'basic'.
