G.O. No. 2210, Education, dated 16th September 1938.

Order—No. 1635, Education, dated 30th May 1950.

In 1938 the Government issued general instructions to regulate the visit to Board and Municipal Girls' Elementary Schools by members of local bodies. Under these instructions no male member of a District Board or a Municipal Council was allowed to visit the Girls' schools except on the written invitation of the Headmistresses of Schools or in company with a woman member of the local body or in company with an inspecting officer of the local body or of the Education Department. An exception was however made in the case of Presidents and Vice-Presidents of the District Boards and Chairmen and Vice-Chairmen of Municipal Councils.

No. 1635, EDUCATION, 30TH MAY 1950

The distinction between boys and girls has now been abolished. Elementary schools are now open to boys and girls alike, and the policy of Government is not to have elementary schools exclusively for girls. In these circumstances the Government consider that there is no need for any restriction of the kind referred to in paragraph above. They direct that orders in G.Os. No. 1358, Education, dated 15th June 1938; and No. 2210, Education, dated 16th September 1938, be cancelled.

Submitted to Government.

2. In the Director's proceedings referred to in
the Municipal Council's resolution dated 29-4-1950 Local
Bodies were informed that as the restriction in the orders
of Government pointed out by the Commissioner does not
discriminate between boys' and girls' schools as such but
deals only with the composition of the pupils, and as there
are still many schools to which the description is applicable,
its continuance is considered as justifiable.
