------

With reference to the Government Memo cited above, I am to state that the lists for free distribution of the ~~editions~~ series of publications of Government Oriental Manuscripts Library are not the same for all the books and for all the languages. Separate lists are prepared for each book in each language and with the distribution of a particular book, the list pertaining to that book is closed. Therefore the lists sanctioned in G.O. No. Ms. 1638 Edn. dated 30-5-1950 for the distribution of the 24 books published during 1949-50 will not be the same for the distribution of books published during 1950-51 for which fresh lists will be prepared and submitted to Government for sanction. I submit that the various headings under which the persons and institutions were included in the lists for 1949-50 will show that the following principles were followed in preparing these lists.

pp35-36 QM

A. Institutions that are sending their publications to these Library free of cost. It is but proper that we should send our publications on exchange.

B. Members of the Expert Committee who selected the manuscripts for publication will have to be given a copy of the printed book as they are

50

working on the committee in an honorary capacity.

C. Institutions and Libraries:- Presidency College and the Connemara Public Library and a few educational institutions where the subject of the book is taught and a few Mutts who give their manuscripts on loan to ~~the~~ Library are included under this head.

D. Officers of Government:- The Hon'ble Minister for Education Government of India, the Premier of Madras, The Hon'ble Minister for Education, and ~~the~~ other Hon'ble Ministers whose language happens to be the language of the book, the Director of Public Instruction and other officers of the Director's office who are interested in a particular language are included under this head.

E. Former owners of manuscripts:- Those persons from whom manuscripts were acquired for the Library alone have been included under this head.

F. Scholars:- Poets-laurete and certain outstanding persons in the field have been included under this head. Opinion from them are being received.

G. Editors of the books other than the members of the Expert Committee and those who rendered help for the publication of the book are included under this head.

While preparing fresh lists for future publications, the lists will be curtailed as far as possible.

Yours faithfully,

Subject:-Request for the supply of previous Telugu Catalogues,Triennial and Descriptive.

@@@

The Director of Public Instruction has been pleased to recommend my name for inclusion in the Free Distribution List of the Publications and Catalogues of the Government Oriental Manuscripts Library,Madras.

I have been engaged for sometime past in compiling and writing a comprehensive HISTORY OF TELUGU LANGUAGE AND LITERATURE,and I have been on that account compelled to consult very often the Catalogues published by the Government Oriental MSS Library. I find it extremely difficult to consult these books as they are not available in one place at all times convenient to me. My work is, therefore, considerably hampered. Nor am I in a position to purchase them, even though I need them very badly.

I therefore request that my name may be recommended to the Government for the free supply of the FIVE Triennial and THIRTEEN Descriptive catalogues of the Telugu Manuscripts published so far by the Government Oriental Manuscripts Library. As I know that the Director of Public Instruction and the Government are always willing to help and encourage scholars in the pursuit of their investigations and researches, I have ventured to make this request.

Extracts from the file bearing C.No. 25511 E/50 dregading free supply of the publications of the Govt. Oriental Mss. Library to Sri. B.V.Krishna Rao.

He is a Telugu scholar- Only Telugu publications ~~works~~ will be sent to him?

Put up the rules regarding free supply and the list of persons to whom such supply is made.

K.M.U
19-9-50.

Please see the Secretary's Note on page 3 on W. above For a list of individuals and institutions to whom the 24 publications of the Govt.Oriental Mss. Library can be supplied free, please see pp.7-34 cf. of G.O. 1638 Edn. dated 30-5-1950.

2. The D.P.I. has requested the inclusion of Sri B.V. Krishna Rao in the distribution list of these publications. There are no definite rules on the subject of inclusion of persons in the distribution list of these publications.

3. As for the inclusion of the names of persons and institutions in the free distribution lists of Descriptive and Triennial Catalogues of the Government Oriental Mss.Library, it has been held that the criteria for the inclusion of a name in the distribution list relating to these publications. should be that the person or institution receiving the supply of these publications should have given clear evidence of that degree of specialistic interest in some aspect or branch of Oriental research which may be considered adequate to justify the expectation that the publications in question will be used with advantage in connection with their scholarly activities. An extract ⊗ of the publications of the Madras Govt. Oriental Series in Sanskrit, Tamil, Telugu, Malayalam Kannada & Persian (together with the names of persons to whom these publications are distributed ~~free~~ of cost ~~to the~~ ~~persons~~ has been prepared.

⊗ Flag (B)

2 The categories under which these publications are distributed free to persons are as follows:-

(1) Members of the Expert Committee
(2). Officers of Govt (presumably interested in such literature)
(3). Scholars &
(4) Those who render help for publication works.

3 The point for consideration is whether all the persons to whom these publications are distributed know the languages of the publications & use them actually in the course of their studies. It is ~~not~~ respectfully submitted

that in the distribution list of every publication (Tamil, Sanskrit, Persian, Malayalam, Telugu, Kannada) the names of the present D P I (Sri D. Sadasiva Reddy) & the Edn. Minister of the Govt of India (The Hon'ble Mr Abul Kalam Azad) are included. Probably the publications in Tamil, Telugu, Malayalam, Kannada may not be necessary for the Edn. Minister for Govt of India. Similarly publications other than in Telugu & Sanskrit may not be necessary for the D.P.I. There may be several instances of this anomaly. It does not seem desirable to supply books which are not wanted by the persons or scholars concerned merely to be thrown out as waste paper. The D.P.I. who has prepared the free distribution list of these publications may be asked to scrutinize the list with reference to the criteria at K above and to submit a revised list. ~~for orders~~.

Cp. p1, 3, 7, 9, 11 & 13 of (B)

A number of officers of the Education Deptt figure in the list e.g. some Deputy Directors of Public Instruction, PA to the D.P.I. It is doubtful whether even the Curator x of the Oriental MSS. Library need be in the list — The D.P.I may revise the list

so as to limit the supply to (i) Scholars of outstanding merit, according to the Director's choice, in the languages in which they have done or are doing research or are otherwise interested, and (ii) Selected well known libraries and institutions doing research. No Govt officers need be in the list unless they come under category (i) above. Before including them in the list the Director may consult them. The Director may be asked to revise the list on these lines. Hm ETL may see.

that in view of the need for economy the existing distribution lists of the publications of the Oriental MSS. Library should be curtailed, definite principles being followed in drawing up revised lists. He was also requested to suggest the principles that may be adopted, for the approval of Govt. p.1 c.f.

2. The D.P.I. ~~states~~ indicates the principles followed in preparing the ~~lists~~ distribution lists approved in G.O. 1638 Edn dt. 30.5.50 & ~~that~~ states that the principles will not be the same for the distribution of books published during 1950-51 for which fresh lists will be prepared & submitted to Govt. for sanction. He also states that while preparing fresh lists for future publications, the lists will be curtailed as far as possible. pp 3-4 c.f. p.4 c.f.
