Machines and overhauling of old machines -
Employment of additional staff - continuance -
sanction of - Requested.

Ref: G.O.No.Ms. 1768 Edn., dated 28-5-1949.

I submit that the sanction accorded in G.O.No.Ms.
1762 Edn., dated 28-5-49 for the appointment of the following
staff expires on 31-5-1950:-

Two Junior Foremen on Rs 45-85.

During the year, the three new Lino machines
have been erected and brought into operation and the old
machines have been completely overhauled and shifted to the
new room and brought into operation. Four old machines have
been completely dismantled, overhauled and re-erected; but
still adjustments are to be made.

Two machines are still to be dismantled, overhauled
and re-erected in the new room. Further as the battery of the
Lino machine has been increased by five, additional mechanics
are required to carry on the daily work. Four old machines
are to be overhauled as a part of the year's programme of
overhauling.

Some of the machines are very old purchased in 1924
working in 2 shifts and they can be brought to fair working
condition if completely overhauled. As there is much work yet
to be done as detailed above, I request that Government may
be pleased to accord sanction for the continuance of the above
posts for a period of one year from 1-6-1950.
