I have withdrawn the recognition enjoyed by the school with effect from the last date of the S.S.L.C. Public Examination 1950 and have directed the District Educational Officer, Madras to take charge of the relevant school records.

2 It was brought to my notice that the Headmaster of the school, in connivance with the Secretary of the Board of management has failed to carry out the orders of the Correspondent of the school in the matter of (1) remitting the fee collections (2) furnishing information in regard to details of arrears due to each (3) and handing over the records of the school to the Correspondent, in accordance with the orders of the High Court. The District Educational Officer has been asked to make out a case against the Headmaster for applying the provision of Rule 98 (b) and Rule 154 of the Madras Educational Rules if he could furnish enough material as basis for action. As the District Educational Officer, apprehended trouble, I have also asked the Commissioner of Police, Madras to render him such help as is necessary with a view to enable him to conduct the enquiry satisfactorily. His report in the matter is awaited.

3 I have been informed by the Correspondent that the School Board is taking legal advice as to the feasibility of obtaining the necessary funds by other means, with a view to disbursing the salary dues, the fee income not being made available for the purpose by the Headmaster. I request the

SRI B. S. MURTHI:—" May I know who was at the bottom of this unhappy occurrence in the High School? "

THE HON. SRI K. MADHAVA MENON:—" I do not know what the hon. Member means by 'unhappy occurrence'. The Correspondent and the Headmaster together have not paid salaries to the teachers."

SRI K. BHASHYAM:—" Does the Hon. Minister propose to take action under the new Act of Requisition of Property of Educational Institutions for management of the school for a short time? "

THE HON. SRI K. MADHAVA MENON:—" We are proposing to take action. We have already cancelled the recognition of the school from the end of this academic year. If we are able to arrange matters with the management of the St. Peter's High School, Rayapuram, to run the school properly, we might continue it or we may leave the school without recognition."

SRI K. BHASHYAM:—" May I know what arrangement the Government propose to make for the purpose of further education of the students in the institution? "

THE HON. SRI K. MADHAVA MENON:—" There is some quarrel between the Correspondent and other members of the School Board and some sort of legal action is under contemplation. The question of what should be done from next year is under consideration. We shall take necessary steps in the matter. If we cannot provide admission to these children in other schools, we shall certainly see that the school is run."

SRI B. S. MURTHI:—" Are the Government contemplating to take over the buildings, etc., belonging to the school? "

THE HON. SRI K. MADHAVA MENON:—" I cannot say that now. We have asked the District Educational Officer to take possession of the records of the school in question."

JANAB N. MUHAMMAD ANWAR:—" Without prejudice to the recognition, will the Government as an emergency measure provide for payment at the source to the proportionate extent to which the fee income can be realized from month to month? "

THE HON. SRI K. MADHAVA MENON:—" The fee income that was realized has already been taken away. The Headmaster did not remit the fee collections and did not furnish the information regarding the details of arrears of pay due to each teacher and would not hand over the records of the school to the Correspondent. The Director has asked permission from the Government, since he has no records, whether on the average of the last three years the Government grant can be given directly to the teachers, and it is under consideration."
