Sir,

Re. 1239-K.2/49 dated 26-4-50

Sub: Opening of B.T. Colleges at Palghat and Mangalore -
Ref: G.O.No. 1011 Edn., dated 5-4-'50

I have the honour to state that the question of affiliation of the new Training Colleges was discussed at the meeting of the Syndicate on 21-4-50 and they decided that temporary affiliation be granted to the Government Colleges at Palghat and Mangalore for a period of 3 years from 1950-51 on condition that a staff of 3 Professors (Madras Educational Service cadre) one of whom should be a Principal, and one Assistant Lecturer for each of the optional subjects to be offered in each college, should be appointed. The optional subjects to be provided in each college will be, a Language, English, Mathematics, General Science and Social Studies. Though the Training Colleges are purely temporary, the Syndicate have decided that the above condition regarding staff should be made applicable to all the training colleges that are to be recognised in future by the University. In view of this decision by the Syndicate, the staff sanctioned in the G.O. quoted above requires modification and I am accordingly submitting revised proposals.

Of the 3 Madras Educational Service posts, it is sufficient if one post is in the existing scale of Rs. 230-700 while the remaining 2 posts may be in the scale of Rs. 230-500. For the five subjects proposed to be taught 5 Assistant Lecturers will be necessary. In addition two tutors are also required as there will be considerable tutorial work in the revised B.T. syllabus. As the B.T. Colleges form an adjunct to the Arts College, it is desirable to have the entire college under the administrative control of the Principal of the Arts College. I therefore propose to designate the Chief Lecturer of the Training College as Vice-Principal. In all academic matters, however, the vice-Principal will correspond direct with the University. I request Government may kindly sanction an Duty Allowance of Rs.35/- to the Vice-Principal in view of the nature of work he is called upon to do; and also to make a distinction between him and other Lecturers in the Arts College. The actual teaching staff required for each college will therefore be as follows:

1. Lecturer (Vice Principal)	Rs. 230-700 plus Rs.35 Duty allowance
2. Lecturers	Rs. 230-500
5. Assistant Lecturers	Rs. 150-250
2. Tutors	80-140

The subjects for which posts of Lecturers in the Madras Educational Service in the new Training Colleges may be sanctioned can be definitely stated only after deciding the officers who can be considered suitable and available for being posted to the new Training colleges. The question of fixing up the officers for being posted to Madras Educational Service posts in Training Colleges will have to be considered only after the results of the selection of Chief Professors are known. In the circumstances, the subjects for which Madras Educational Service posts of Lecturers may be sanctioned in the new Training Colleges may be decided after the selection of Chief Professors for the Presidency College is over.

Sir,

Sub: Colleges - opening of Government Training
Colleges at Palghat and Mangalore - Employ-
ment of Office staff prior to the date of
commencement of the classes.

Ref: Government Memorandum No. 10013.2/50-G Edn.,
dated 22nd May 1950.

Government have sanctioned the opening of Training Colleges
at Palghat and Mangalore in 1950-51 -- vide G.O.No. Ms. 1011
Edn., dated 5th April 1950. The opening of the new Colleges
has been notified by the Principals of G.V.College, Palghat
and Government College, Mangalore. There is much work to
be done in connection with the admissions to the Colleges.
The Office staff of the two Arts Colleges, Mangalore cannot
cope with this additional work particularly at the time
when they have to attend to admission work in their own
colleges. In the circumstances it is quite necessary to
employ the Office staff of each of the two new Training
Colleges sufficiently in advance. I request the favour of
very early orders of Government permitting the employment of
the sanctioned staff of 1 Head clerk, 1 Lower Division Clerk
and four peons for each College at least a fortnight prior
to the commencement of the classes.

Yours faithfully,

Final orders have not yet been passed sanctioning ~~the~~ latter scale. Pending such orders the existing scale of Rs.230 -700 may be adopted for all the three lecturers.

The Director should have consulted the University and explained the full financial implications of the proposal to Govt. in the first instance. Anyhow in view of the

urgent demand for ~~the~~ large number of trained teachers and in view of the fact that the Director has already called for applications for admission to the new Colleges, the modified proposal may be approved. *The modified proposal will involve an addl. expenditure of about Rs 9300/- over and above that sanctioned previously.*

D.P.I. They propose to sanction the two lectures now asked for by the DPI on Rs 230-700 as final orders have not been issued sanctioning a scale of Rs 230-500. The extra cost on account of the revised proposal of Edn is Rs 4661 p.a in respect of one college and Rs 9300 rounds p.a in respect of both the training colleges.

2. Attention is invited to the notes of this department on pages 7-10 of of G.O. 1101 Edn 8.5.4.50 and the orders on pp 55-56 CF of (J). This dept agreed to the proposal being given effect to in 1950-51 as it was considered that it ~~could not~~ be delayed.

It is now stated that the Syndicate of the University would grant temporary affiliation only on the condition that a staff of 3 Professors (M.E.Scads) one of whom should be the Principal and one Asst. Lecturer for each of the five optional subjects are provided in each of the training colleges. The DPI considers that besides the above staff two tutors are also required, as there will be considerable tutorial work in the revised B.T syllabus.

3. As pointed out by Edn the DPI should have consulted the university and explained the full financial implications to Govt in the first instance. In this case the Govt have already issued orders sanctioning the opening of the two training colleges and the revised proposal now made by DPI only involve an additional expenditure of Rs 9300 p.a. orders on the revised proposals was issued after consultation with H.M. (H), H.M. Fin + H.C.M. The proposal was originally agreed to the introduction of the scheme in 1950-51, though not created as a Part-II scheme for 1950-51. As it was a new service, this dept pointed out that a supplementary grant from the legislature should be obtained in 1950-51 at the earliest opportunity. Ordinarily, exp. should not be incurred on a 'new service' before the legislature approves it.

In enclosing herewith a copy of letter No.A.2408
 dated 30-6-1950 from the Registrar, University of Madras, I
 request that in the circumstances stated in the last sentence
 of para one of the letter, Government may kindly change the
 designation of the vice-Principal as Principal. I have
 discussed the question with the Vice-Chancellor again and
 he has suggested the change.

2. Even though the Principal has independent
 status as head of the Training College vis-a-vis the
 University, I consider that so long as the Training College is
 located within the compound of the Arts College, he should be
 subordinate to the Principal of the Arts College in all
 general administrative matters. Necessary executive instruc-
 tions in this respect will be issued by me on receipt of the
 orders changing the designation of the post.

It is observed from the above Proceedings that a Lecturer is designated as Vice-Principal for each of the two new training colleges at Palghat and Mangalore. I am to request you to clarify the relation between the person designated as vice-Principal of the Training College and the Principal of the Arts College. The vice-Principal of a college is not eligible to be member ex-officio on the University Bodies (Senate and Academic Council).

In this connection I have to invite your attention to the conditions laid down by the Syndicate in regard to opening of B.T. Degree course communicated in my letter No.A.6526- dated 29-12-49 and accepted in your letter R.o.c. No.1239-K2/49 dated 10-2-1950 wherein it has been specifically laid down ~~ka~~ that such Training colleges should have an independent status with separate buildings, with a separate Principal and with separate staff unconnected with any other institution except it be a Model School that may be attached to such a Training College.

The favour of an immediate reply is requested.
