I am to forward herewith a copy of the minutes of the meeting of the Advisory Committee, Senior Division, N.C.C., held on 11-4-1950.

2. Payment of fees for medical examination of cadets conducted by the Medical Officer of the Ammanabad University.

It was brought to the notice of the Committee that at the Annamalai University, the Medical Officer of the University had to examine the applicants ~~thousands~~ for admission to the Senior Division corps and over 500 applicants had to be examined. The Committee considers that this being not part of the duties of the Medical Officer, a remuneration per cadet should be paid and the request is reasonable.

In future, however, the Committee suggests that the medical examination should be conducted by Army Medical Officers who may be deputed for the purpose or in the alternative the District Medical Officer within whose jurisdiction the Institution is located should be responsible for Medical Inspection.
