Rec. No. 1117-62-48 dated 24th March 1950.

Sir,

EDUCATION - Secondary - Board Secondary schools - Salem District - increase in the rates of school fees - sanction requested.

Letter Rec. No. 1117-62-48 dated 15-3-50 of the D.P.I. Madras.

In sub-para 2 of para 3 of G.O. No. 975, Education dated 10-5-47, the Government have ordered that each local-body should levy ten instalments of tuition fees not below the standard rates and that they also should explore the possibility of increasing the income now derived under the Secondary Education by increasing the rates of fees for each instalment.

2. Prior to the issue of this G.O., the rate of school fees was Rs. 5-4-0 in forms IV to VI, Rs. 3-12-0 in forms I to III and Rs. 1-4-0 in classes 4 and 5 per instalment. This rate of fees was raised by four annas in District Board Resolution No. 51 dated 21-5-48 and by a further sum of eight annas in D.P.B. No. 511 dated 30-11-48 to meet the increased expenditure caused by giving effect to the weightage and revised scales of pay to the teaching staffs in Board Secondary Schools (copies of District Board Resolutions are enclosed). The result of these increases in the rate of fees was that the standard rates were exceeded by Rs. 0-12-0 per instalment.

3. Hence, I request you to accord sanction for the fees levied at the rates higher than the standard rates.

K. S. Subramania

Extract from the resolutions of the District Board passed by the Special Officer on 21st May 1948 under the powers of the Board vested in him.

(Para 3) (2)

No. 51. Read G.O.No.975 Education dated 10.5.1947, stating that each local body should levy 10 instalments of tuition fees not below the standard rates and also explore the possibility of increasing the income now derived under Secondary Education by increasing the rates of fees for each instalment.

This question was discussed by the Headmasters of the Board Secondary Schools at their conference held on 6-12-1947. They recommended an increase of annas four an instalment in each form or class, if it is found necessary. They were, not on the whole, in favour of any large scale increase as Library Fees, Examination fees, Etc., are also now levied. They have also recommended that the fee payable by supplementary pupils in VI Form should be raised to Rs. 4 a subject subject to a maximum of Rs. 8 per instalment. Eight instalments of tuition fees were levied in a year prior to the existing rates (i.e.) prior to 1947-48. Thus the annual income from pupil was Rs. 42 at the rate of Rs. 5.4.0 per instalment in Forms IV to VI, Rs. 22 at Rs. 2.12.0 per instalment in Forms I to III and Rs. 10 at Rs. 1.4.0 per instalment in classes 4 and 5. For supplementary pupils the annual income from a pupil was Rs. 24 at Rs. 3 for a subject and Rs. 48 at Rs. 6 for more than a subject. In D.B.R.No.6(82) dated 9.5.47 the standard rates were introduced and 10 instalment of fees were levied in a year. This is in vogue from 1947-48. At this rate the annual income of the Board comes per pupil to Rs. 52.8.0 at the rate of Rs. 5.4.0 per instalment in Forms IV to VI, Rs. 27.8.0 at Rs. 2.12.0 per instalment in Forms I to III and Rs. 12.8.0 at Rs. 1.4.0 per instalment in classes 4 and 5. The annual fee income from a supplementary pupil comes to Rs. 30 at the rate of Rs. 3 for a subject and Rs. 60 for more than a subject. According to the proposed enhanced rates at 10 instalments per year the total annual fee income from a pupil will come to Rs. 55 at the rate of Rs. 5.8.0 per instalment in Forms IV to VI, Rs. 30 at Rs. 3 per instalment in forms I to III and Rs. 15 at Rs. 1.8.0 per instalment in classes 4 and 5. The sums of Rs. 40 and 80 per year can be derived from supplemental pupils if the minimum and maximum rates of Rs. 4 and 8 respectively are adopted by the Board. Special fees are collected by the Board at the following rates:-
