EDUCATION DEPARTMENT.

From:

The Director of Public Instruction,
MADRAS--6.

To:

The Secretary to Government,
Education ~~and Public Health~~ Department,
Fort St.George, MADRAS.

R.C.No. 210 SE/50 dated 20.4.1950.

Sir,

Sub: Disposal of Surplus stores at Ordnance Factories, Avadi--Bivouac--Tents--Proposal for purchase for Educational Institutions.

-oooo-

Phone No. 2536 United India Buildings

The Regional Commissioner(Disposals), Madras, has offered for the Education Department a total number of 26,997 mosquito proof Bivouac Tents lying as surplus at the Ordnance Depot at Avadi. These tents are unused and are serviceable (with the exception of 3,028) and ~~are~~ each tent is sufficient to accommodate two. They are easily carried about being very light and would quite suit the needs of schools which as part of the Reorganized Scheme of Instruction, have to make provision for camping and outing for all the pupils. These tents are offered to Govt. Departments at 20% of the book value, viz., at Rs.2/- each. In view of the importance of providing facilities to schools and colleges, I recommend that the stock offered above may be taken over for resale to bonafide Educational Institutions. A sum of Rs.54,000/- would be needed as advance for buying up the available stock, and if the stock is bought up, the amount could be recouped in the course of a year by disposing of the quantity in small lots to the various educational institutions. It will be possible to dispose of the tents in this manner at a price 50% or so in advance of the cost so as to cover the incidental expenses connected with storage and transport and also providing a small margin of profit.

2. It is understood that the Regional Controller has advertised the sale by public auction of these tents and other stores, as there seems to be an idea of closing down the~~se~~ stores at Avadi. But if it is decided to take the tents for the Department for disposal as indicated above, the Regional Controller could be persuaded to cancel the auction and effect direct sale to the Department.

3. I request that in view of the~~se~~ special circumstances of the case and in view of the importance of camping and outing activities in schools, Govt. may be pleased to approve of the purchase of the tents described above, and sanction a sum of Rs.54,000/- for the purpose, to be recouped by the disposal of the tents to the Educational Institutions later on.

Yours faithfully,

Gsk:20.4.50.

My dear Paul,

please

Please read my letter R.O.C. No.210-SE/50 dated 20--4--1950 regarding proposal to buy 27,000 bivouac tents from the Ordnance Depot, Avadi.

It is understood from Mr.Frederick, Regional Commissioner (Disposals), Madras, that the 27,000 tents have just been offered on tender and that 2--5--1950 has been fixed as the last date for receiving the tenders. In view of our proposal, Mr. Frederick has sent word through the Citizenship Special Officer that if an order is definitely placed with him in the course of the next few days, he would make a recommendation to the Director of Disposals, Delhi, and get the tents released for the Department.

In these circumstances, I request that the proposal contained in my above letter may be taken up for very urgent disposal.

Yours sincerely,

D Menon

—

6

Ref. T. M of 26. 4. 50. regarding the purchase of tents from the Military Surplus to be supplied to Schools.

—

It is not possible to state at present whether even the sum of Rs 10,950/- being the cost of 5475 tents required for supplying to 73 Govt. Secondary Schools with State could be met out of any savings during the current year. The above expenditure may therefore be permitted to be incurred pending provision of funds.

The balance of Rs 43,050 needed for the purchase can be recovered by selling the tents to aided schools at Rs 4/- per tent plus a small amount of annas four per tent to cover transport &

storage charges, treating Rs 2/- as Govt. grant and recovering Rs 2/- per tent from the Schools themselves towards the cost. If this is accepted, Govt. need not pay any portion of the cost of the tent ultimately as a part of the cost will be recovered from non-Govt. schools.

Orders may kindly be passed expeditiously as an unconfirmed rumour is heard, that a certain agency is offering to take the lot at Rs 15/- per tent

Sub: Disposal of surplus stores at Ordnance Factory, Avadi - Bivouac tents - proposal for purchase for Educational Institutions.

***

[illegible]

I am to state that the D.P.I. Madras, reported to Govt. in a letter dated 20th April that the Regional Commr. of Disposals, Madras, had offered to the Education Deptt. in this state a total number of 26,997 mosquito proof bivoua tents lying surplus in the Ordnance Depot, Avadi. The Dir. ~~reported~~ stated that the tents were unused and would suit the needs of the schools which under the re-organised scheme of instruction have to make provision for camping and outin for pupils and that they were available at Rs. 2 each. The Director recommended to Govt. the purchase of the tents Orders approving the proposal could not be issued urgen ~~that the proposal could not be approved immediately as~~ as some details of the budget provision ~~necessary~~ had to be obtained, before final orders of Govt. could be issued. Moreover, it was only sometime after the original proposal~~s~~ was submitted to this Govt., that the Govt. came to know that the date of the tender for the tents was 2nd May. As it took sometime for the Govt. to collect the details necessary fo final orders, actual approval of the scheme was accorded ~~only~~ on the 2nd and 3rd May.

It is understood that, in view of the intimation of our requirement having reached the Regional Commr. a day after the date of the tender, there is a technical difficulty which has got to be overcome if the tents are to be released in favour of the Edn.Deptt.in this state. I am to ask that you will be so good as to take into consideration, the explanation contained in this letter for the delay in ~~sending~~ our intimation of the acceptance of the

16

offer and ~~the~~ pass orders making the tents in question available to the D.P.I., Madras.

Yours faithfully,

Reference:- Your No. 8148-B/50-6 Education dt. 4.5.50.
pp 15-16 ante

With reference to your letter quoted above, I have to inform you that it is not possible to give the entire quantity of Tents I.P. Bivouac to Director of Public Instructions, Madras. These were advertised for sale by tender and the tender has already been accepted. It is not therefore possible to cancel the tender. However, as a special case, we can give one thousand of the Tents I.P. Bivouac to the Director of Public Instructions, Madras at 20% of assessed market value. R.C. (D) Madras has been accordingly informed.

Rc.No.796 SE4/50 dated 11-5-1951.

Sir,

Sub: Reorganisation - Secondary Schools - Supply of Mosquito to proof bivauac tents to the Secondary Schools in the State on grant-in-aid basis.

-----

pp24-25 cf (A) Ref: G.O.Ms.No.1678 Edn., dated 3-6-1950.

With a view to distribute the Tents to the various schools on the basis of their requirements, indents have been called for. A perusal of the indents reveals that as many as 3000 tents would be required. As there are only a limited number of 1000 tents the indents from the schools have been suitably reduced to effect an equitable distribution to the schools. It is proposed to supply the tents at a cost of Rs.7.8.0 each and Rs.0.4.0 per tent towards the transport charges. Managements of schools will be instructed to include this item of expenditure in their Financial statement so that 2/3 grant in the case of aided schools and 1/2 grant in the case of schools under the management of Local Bodies may be admitted. In this connection I may state that the expenditure of a sum of Rs.2,500/- incurred by the State Government towards the purchase of these tents from the Military surplus stores will be recouped. Under these circumstances, I request that Government may be pleased to approve the rate of Rs.7-8-0 ~~each~~ at which each of the tents are proposed to be sold to non-Government Secondary Schools. A list of schools which are proposed to be supplied with tents is enclosed as desired for the information of Government.

Memo. No. 18475 B/51-2 dated 8.6.51.

Issue at once
8/6/51

Sub:- Schools - Secondary - Supply of Mosquito-proof bivouac tents to the Secondary schools on grant-in-aid basis.

Read again:- G.O.Ms. No.1678, Edn. dated 3-6-50.

Read also:- From the D.P.I., No.796-SE4/50 dated 11-5-51.

The Government approve the proposal of the D.P.I. to arrange for the distribution of mosquito-proof bivouac tents to non-Government Secondary schools at a cost of Rs.7-8-0 per tent. The action of the Director in having distributed the tents to the Schools through the District Educational Officers in anticipation of the orders of Government is also approved.

EDUCATION DEPARTMENT (B)

EDUCATION - Secondary - Reorganisation- Purchase of tents from Military surplus for supply to schools.

Page 19

From the Director of Public Instruction, R.C.No.210-SE/50 dated the 20th April 1950.

Page 19

26,997 × 2
53,994 or
54,000

The Director of Public Instruction reports that the Regional Controller (Disposals), Madras, has offered to supply the Education Department with 26,997 mosquito proof bivouac tents lying surplus in the Ordnance Depot, Avadi, at 20% of the book value, namely, at Rs.2/- per tent. The cost of all the tents at this rate works out to Rs. 54,000/- roundly. The Director has also reported that these tents are unused and are serviceable and can also be easily carried about. The supply of these tents to the educational institutions is necessary for the purpose of camping and ~~outing~~ excursion for the students under the scheme for the reorganisation of Secondary Education. The Director therefore, proposes to purchase the tents, ~~intl~~ in the first instance, at Government cost and to recoup the ~~amount~~ expenditure incurred in the course of a year, by supplying them to the institutions in small lots. It will be possible to dispose of the tents in this way at a price, 50% or so in advance of the cost so as to cover the incidental ~~and~~ expenditure connected with the storage and transport of the tents and also providing a small margin of profit. The Director requests ~~the~~ sanction for incurring an expenditure ~~of a sum~~ of Rs.54,000/- ~~for~~ on the purchase of the tents. It may be mentioned, in this connection, that a similar purchase of 800 tents at the rate of Rs.3/- each had already been sancd.- Vide G.O.No.3974 Edn. dated 29-12-1949.

para 3 on p.19

(A)/7

2. The ~~Dir~~ Director reports that the Regional Controller has advertised the sale of the ~~a~~ tents by auction in view of the proposal to close down the stores at Avadi and that, if it is decided to purchase the tents, the Controller may be persuaded to cancel the auction.

para 2 on p.19

P.T.O.

It is also understood that the auction is to take place on the 28th of this month or so. As the supply of the tents to the educational institutions is necessary to implement the reorganised scheme of Secondary Education, the proposal to purchase the tents at a cost of Rs.~~54-000~~ 54,000/- may be approved. The Director may be asked to inform the Controller that the tents will be purchased by the Education Dept. and that he need not sell them in auction. For orders.

3. The file may be sent to Finance U.O. for remarks.

Finance (Exp.B)

ASSISTANT SECRETARY TO GOVERNMENT
28965 EB.
24 APL 1950
FINANCE DEPARTMENT

The proposal in this file is to purchase 26,997 mosquito proof Bivouac tents lying as surplus at the Ordnance Depot, at Avadi at a cost of Rs.54,000 for being supplied to the educational institutions for the purpose of camping and excursion for the students under the scheme for the reorganization of Secondary Education. The D.P.I. has proposed to purchase the tents in the first instance at Govt. cost and to recoup the expenditure incurred in the course of a year by supplying them to the institutions in small lots.

In view of the present financial stringency only schemes which are imperatively and immediately essential can be considered at present. The mere fact that tents are offered at a lower rate cannot be regarded as sufficient justification for incurring an expenditure at about Rs.54,000 on a scheme which does not seem to be either very essential or very urgent. The present policy of the Govt. is to incur expenditure only on schemes which are highly remunerative or which have G.M.F. value. Further there is no guarantee that the tents in question will be sold in the course of the year for several educational institutions as stated by the D.P.I. and the amount of Rs.54,000 invested will be realised by sale. In the above circumstances it is for orders whether the proposal of Education ~~may be negatived.~~ will be accepted.

~~If Health~~ Edn ~~press their proposal, they may take orders in circulation including H.M. (Finance).~~

24

~~Ranga. E.A~~

para. 1 on p.1 c.f.

24-4-50

In the first place, it is not clear why the Govt. should play the role of a dealer by first purchasing ~~the~~ a large number (26,997) of old War dept. tents for a sum of Rs. 54,000 & then stocking them for sale to the edl. institutions in the State. Even assuming that this transaction will not involve loss but even a small gain to the Govt., the Govt. need not embark on schemes of the kind.

& in G.O. 3974 Edn (A)
29-12-49 p.7 c.f.

Only recently in Dec. 1949, the D.P.I. was permitted to incur an expre. of Rs.12,000 which provided for the purchase of 800 tents at Rs. 3 each. That number should suffice to meet the requirements of Govt. Private schools can themselves make their own arrangements for purchase of tents. Secondly, schemes of new expre. not provided for in the Budget for 1950-51 cannot be sancd. unless it is known in advance that the expre. can be met from savings anticipated under the authorized grants - vide Fin. Dept. U.O. Note No. 2558/A/B.S.-50 dated 21-4-1950. Edn. will have to indicate how it is proposed to meet the expre. of Rs. 54,000 involved in the proposal.

25-4-50.

EDUCATION DEPARTMENT (B)

ASSISTANT SECRETARY
8500
25 APL 1950
EDUCATION DEPARTMENT

The proposal in this file is to purchase 26997 mosquito proof Bivouac tents lying suplus ~~to~~ at the Ordnance Depot, Avadi, at a cost of Rs.54,000/- and to supply them on payment of cost to the educational institutions for the purpose of camping and excursions for students under the reorganised scheme of Secondary Education. In the circumstances stated in their note on pages 2-4 above, the Finance Department have suggested that the proposal may be examined with reference to the U.O.Note at 'X' and the purchase of the tents may be restricted to the absolute minimum number at present required to meet the requirements of Government schools over and above the 800 tents already purchased. The tents already purchased is for the permanent camping centre and they are not intended for supply to the secondary schools. It will not be possible for the individual educational institutions to arrange for the purchase of tents required by them from the Ordnance authorities and in the case of purchase of the tents from private firms, they may have to pay at higher rates than that offered by the Ordnance authorities. It seems, therefore, advisable to make the purchase of the tents, in the first instance, at Government cost and to supply them to the institutions in small lots on payment of cost.

Vide 'T' above

(A)/7

(A)/1+7

2. According to para 2 of the U.O. Note at 'X' schemes of new expenditure not provided for in the B.E.

P.T.O.

25

for 1950-51 should not be entertained unless it is ~~is~~ definitely known in advance that the expenditure can be met from the savings anticipated under the authorised grants and the proposal does not constitute a 'New Service'. As the supply of tents is necessary to implement the reorganised scheme of Secondary Education, which has already been given effect to from the school year 1948-49, the proposal need not be treated as 'New Service'. The Director of Public Instruction may be asked to report immediately whether the expenditure of Rs.54,000/- can be met from the provision made under '37. Edn' in the B.E. for 1950-51 ~~under '37. Education'~~ and if not, whether, atleast, the amount of expenditure ~~required~~ on ~~for~~ the purchase of tents required for secondary schools under Government management alone, can be met from that provision. After a reply is received from the Director and after orders are taken in circulation, the Regional Commissioner of Disposals will have to be informed of the number of tents that could be purchased by this Department.

x vide Fin note mp 4 ante

3. Subject to orders, a draft T.M. to the Director is submitted below for approval.

25/4/50

25.4.50

26.4.50

There is no time to waste. The tents are to be sold away by the Disposal dept. very soon. A letter must go very soon, if we are to get them at all.

Edn. Deptt. (B)

p1 cf

In continuation of the Director's letter dated 20th April, ~~the D.P.I.~~ he has written a D.O. stating that the military surplus tents available from the Ordnance Depot, Avadi, are to be auctioned and the last date for the tender has been fixed for the 2nd May. He has asked for orders urgently on his proposal.

p4 cf

In the meantime we have asked for information from the D.P.I. as to whether the expenditure of Rs.54000 on the purchase of about 27000 tents should be made from the provision under "37 Education, for the current year or if not

Th on pages 5-6 cf

4

EB

whether at least the amount of the expenditure to be incurred for the tents required for Govt. Secondary Schools alone can be met from the budget provision. No official reply has yet been received to this telephonic reference. The Officer-in-charge of the Citizenship training in the Director of Public Instruction's office has been asked on the phone for the details required and he has stated that it is too early in the year now to say whether savings will be available from the budget allotment for the entire expenditure of Rs.54000 to that. If the tents necessary for Govt. Schools alone, ~~are~~ to be got, expenditure should be managed from the budget provision as this expenditure would only be Rs. 10950/- for 73 Government Schools. The D.P.I.'s idea is that these tents should be purchased at a lower rate of Rs.2/- and should be sold at Rs. 4.4/- each. Not only could the entire amount now invested by Govt. be recouped in full, in that case, but there may be a margin as well. It seems to be worthwhile approving the proposal of the Director and asking him to go ahead with the purchase of the tents.

Cro. 11396. From the Directorate-General of Disposals d/ 13.5.50 p 17 cf

The Directorate-General of Disposals has reported that only one thousand tents can be supplied to the DPI at 20% of assessed market value. This can be supplied to selected Govt Secondary schools. The DPI may be asked to ascertain & report the cost of the thousand tents so that sanction may be accorded for their purchase.

It seems to be unnecessary to

8148 B/50

to restrict the supply of these tents to Govt. Schools - The D.P.I. may dispose of them according to the needs of the schools Govt. and non-Govt. The Director may be asked to report in due course a list of schools to which he has supplied the tents & the amounts realised from non Govt. schools -

Sub:- Reorganisation - Secondary Schools - Supply of Mosquito-proof bivauac tents to the Secondary Schools in the State on grant-in-aid basis.

Ref:- From the D.P.I., Rc.No. 796 SE4/50 dated 11-5-51.

29

Last year the Government authorised the purchase from the Ordnance Depot, Avadi, of one thousand mosquito-proof bivouac tents at a cost of Rs.2,500/- for distribution to secondary schools in the State. The Director has submitted proposals for the distribution of these tents. According to him, 490 tents x will be distributed to secondary schools under private managements, 420 to schools under local bodies, the remaining 90 tents being supplied to Government schools. The Director has proposed to recover from ~~the~~ local bodies and private agencies the cost of the tents supplied at Rs. 7-8-0 per tent (against the cost price of Rs. 2-8-0 per tent). At the same time, the expenditure on the purchase of tents by local bodies and private agencies will be admitted for the purposes of grant from State funds, the grant payable being Rs.5/- per tent in the case of tents purchased by private schools and Rs.3-12-0 in the case of tents supplied to schools under local bodies.

2. The transactions will bring in a net income of Rs.300/- to Government as indicated below:-

Total cost of the 1,000 tents.		Rs.	2,500/-
Net cost to be recovered from local bodies (420 X 3¾)	..	"	1,575/-
Net cost to be recovered from private agencies (490 X 2½)	..	"	1,225
Total.			2,800
Income to Government.	..	Rs.	300

3. A draft Memo. approving the proposals of the D.P.I. is resubmitted. Finance may see.
