Re.No.647 I4/49 dated 16-11-1949.

Sir,

Sub: The South India Teachers' Union - Organisation
of a Children's Art and Book Week - Grant
requested.

The South India Teachers' Union organised a
children's Art and Book Week from the 12th to 17th of March 1949.
In that connection they arranged an exhibition of Books suitable
for pleasure reading for children of the ages of 6 to 16, i.e.
from the Primary Grade to the end of the High School stage.
The object of the exhibition was to stimulate the publication
of suitable books for children, apart from text books, and also to
make a study of the pupil's interests in reading. The Art
section was designed to show what the students are capable of.
The Union also carried out an investigation on favourite Reading
and have also prepared a Report on the subject. n.e

It is observed from the Statement of Receipts and
charges that the cost of the arrangements and the investigation
has exceeded Rs.500/-. The Secretary of the Union has therefore
requested the ~~Director~~ sanction of a liberal grant towards
the expenses.

In view of the usefulness of the exhibition and
research work carried out by the Union, I recommend the sanction
of a contribution of Rs.200/- to the South India Teachers Union
towards the expenses.

In this connection I have the honour to state that it
is essential to encourage studies and experiments in various
problems by well known teachers' Associations. I request there-
fore that Government may be pleased to provide an allotment of
Rs.2000/- every year to begin with to give grants to such educa-

Pl. see the letter from the D.P.I. To stimulate the publication of suitable books for children, apart from text books and also to make a study of the pupils' ^{interest} in reading, the South India Teacher's Union have arranged an exhibition of books in connection with children's Art and Book-Week held in March '49. The D.P.I. has stated that an expe., of ^{over} ~~above~~ Rs. 500/- has been incurred on the ~~cost~~ of arrangements and recommends the sanction of a contribution of Rs. 200/- to the South India Teacher's Union towards the expenses. For orders ~~the~~ whether the proposal may be agreed to.

The D.P.I. has also ^{suggested} ~~submitted~~ proposal to provide an allotment of Rs. 2000/- every year to begin with to give grants to such educational experiments conducted by Teacher's Associations. The proposal, if accepted, should be treated as a Part II Scheme. In view of the present financial stringency ~~and as the Govt. of India have intimated this Govt., that there are not likely to give any grant for P.W.R. schemes in 1950-51,~~ ^{it is for order} the

proposal of the D.P.I. for the provision of an allotment of Rs. 2000/- (recurring) for the said purpose may be deferred for the present. F

Finance may see for remarks.

Please see the letter from the D.P.I. on pp. 1-2 c.f. and the note of E. & P. H. above. It seems that the proposal of E. & P. H. to make a recurring provision of Rs. 500/- (against Rs. 2,000/- suggested by the D.P.I.) for payment of grants

towards educational experiments conducted by well-known teachers Associations should be deferred, as no new kind of expenditure can be undertaken under the present financial position of the Province. Finance may advise accordingly.

However the proposal at 'A' on p. 1 above, i.e. to make a contribution of Rs.200/- to the South India Teachers Union towards expenditure of over Rs.500/- incurred by them in connection with the organization of a Children's Art and Book Week, may be agreed to, as a special case.

Finance have suggested that the proposal may be deferred and considered as a Part II scheme for 1951-'52, if the provincial finance improve by that time. Any how they have agreed to the payment of a contribution of Rs.200/- to the South India teachers Union towards the expenses. For orders whether the view at 'M' above may be accepted or whether the matter should be pressed. In the latter case the file may be circulated to H.M. (Fin.) also.

Need not be pressed. 20/12/49

When we are spending crores of rupees on Education, a sum of Rs 2000/- to know if our expenditure is on the right line is not too much. On the other hand, there have been so many changes in education recently that unless their results are carefully studied, there is danger we may go too far in a wrong direction. Large sums are spent in other countries for

(Previous Finance note on pp 1-2 above) Please the note and orders in On in pp 2-3 accepted. It is now too late to make any provision in the RE for 1949-50 for the scheme (and the Budget for 1950-1. After the schemes to be framed from the contribution are approved by the Govt., the D.P.D. may be asked to provide for the expenditure to be incurred during 1950-1 by reappropriation, as it may not be difficult to find the small amount of Rs. 2,000 from the total allotment for the Edn. With reference to 'm' on p.3 anti
the draft order has been suitably amended.
The draft order may now issue.

Attention in this connection is
invited to the notes of finance at 120 on pages 2-3 of
the 1st file, in which they have ~~suggested~~ agreed
that a half grant not exceeding Rs 1250/- to

the Headmasters' Association (Madras City) towards
expenditure on payment of travelling allowance to
the Headmasters of aided Secondary schools who
attended the conference held on the 28th & 29th
December 1949. They have suggested that the
expenditure of this kind in future years ~~be~~
met from out of the ~~contribution~~ ^{may be} allotment of Rs 2000/- (Provided every
year for giving grants towards educational
experiments conducted by Teachers' associations.

It is submitted that it is not advisable ~~to authorize~~
the expenditure connected with T.A. being met
from out of the allotment of Rs 2000/- as suggested by
Finance. It is ~~not~~ ^{possible} ~~whether~~ such
conferences will be held every year or frequently.

The allotment made is only Rs 2000/- & as
the ~~expenditure~~ ^{expenditure} connected with
the conference is met from this there may
not be adequate amount for giving grants
to educational experiments conducted by Teachers
associations as a big share will be ~~to~~ ^{for} T.A.

on the above circumstances,
it is for order whether
this department may ~~pass~~ that the
expenditure on payment of T.A. in connection
with the conference should ~~be~~ ^{be} met from
out of the allotment of Rs 2000/- ^{to be} made for the educational
experiments conducted by Teachers' associations or
whether a separate allotment may not be
sanctioned for the former. ~~Finance~~
may be ~~passed~~

In order in circulation
relate to expenditure on
experiments, which can
never include T.A. to
conferences etc. of the
latter expenditure is
considered unnecessary, & it
can always refuse to
sanction to the conference,
which in future, will be
obtained in advance.
The former expenditure
must take its own course,
free of disturbance from
incidental expenditure on
