A COPY OF THE THIRUPATTUR MUNICIPAL COUNCIL RESOLUTION. No. 1195.
Dated :- 3--3--50.

Read Government remarks in their review on the administration report of this Municipality for 1948-49 about the poor results in the Municipal High School. Letter L.Dis. 12-D-2/50 dated 29-1-50 of the District Educational Officer, North Arcot, Vellore suggesting methods to improve the school.

RESOLUTION:

The District Educational Officer points out in his remarks that the low percentage of passes is due to the want of a competent headmaster. Though with a view to appoint a competent headmaster, the present incompetent headmaster was reduced as assistant, the Government reappointed him as headmaster. Hence it was resolved to inform the educational authorities, the Secretary to Government and the Minister that it is not within the powers of the Council to rectify this defect.

When dealing with the appeal
of the Headmaster it was found
that the Municipal authorities were
prejudiced against him and that

The punishment of reduction to the status of an Assistant was inflicted on the basis of certain exaggerated charges. It was also found that they were intent on getting rid of him - So, after the consideration of the points made in appeal, Govt. restored the person concerned as Headmaster and in order that the school administration may go on smoothly, they have asked the Director to submit proposals for the transfer of the Headmaster to another school. The Director's proposals for transfer are awaited in the linked file.

SCHOOLS - Secondary - Ml. Cl. Tirupattur - Closure of school.

From the Commr. Tirupattur Municipality, No.C.2.4953/49, dated 7.3.50.

From the D.P.I. No. 810 G2./50, dated 24.3.50 and 11-4-50

In his proceedings dated 22-12-49 the D.P.I. granted temporary recognition to the Ml. High School, Tirupattur till the end of the school year 1950-51. When the proceedings were placed before the council on 3-3-50 it resolved to close the school for the following reasons:-

"In view of the fact that no progress is shown in the Ml. High school and that administration is deteriorating year after year due want of a competent Head master and in view of the fact that though the cl. is eager to improve the administration, the Government do not allow it and in view of the fact that if things go on like this it is possible to improve the school and in view of the fact that the Government do not allow the cl. to rectify the defects complained of by the Puble and the Government and as the cl; has been incurring a loss of about Rs. 10,000/- every year on account of the school, it is resolved to close the school."

The D.E.O's suggestions for improving the school was placed before the cl. at the same meeting and it resolved as follows:-

"The D.E.O. points out in his remarks that the low percentage of passes is due to the want of a competent Headmaster though with a view to appoint a competent Headmaster the present incompetant Headmaster was reduced as assistant, the Government re-posted him as Headmaster. Hence it was resolved to inform the educational authorities, the Secretary to Government, and the Minister that it is not within the powers of the council to rectify this defect."

2. There is no other High school at Tirupattur besides the Municipal High school and there be no facilities for secondary education in the town, if the school is

closed. According to G.O. 4757, L. & M., dated 1-12-1928, no secondary school nor any class ^{or} ~~are~~ formed therein shall be closed by a Ml. Cl. without the approval of the D.P.I.. Further according to the amendment to rule 54 of the M.E.R. issued in G.O.No.2918, Edn., dated 19-9-49 one year's notice should be given to the Dept. in regard to the closure of any recognised school and such closure cannot be permitted except with effect from the end of a school year. The Ml.Cl. Tirupattur has not given one year's notice as required under the rule for the closure of the school. The Commr. has been informed ^{accordingly} in Govt. Memo No. 1425 B/50-3, Edn., dated 18-4-50.

3 The Dt. Bd., N. Arcot may perhaps be consulted whether it is willing to take over the management of the school. Pending a decision on this, the Commr. Tirupattur Mlty. may be informed that the Govt. do not approve the proposal of the Ml. Cl. to close the school ^{and} that it should continue to maintain it.

4 The file may be circulated to H.M. (E & L) with reference to his minutes on p. 5 c.f.

11.5.50

13.5.50

What is the use of continuing the school in its present state of inefficiency under an incompetent headmaster?

These things of full fund.

With reference to Secretary's remarks, it is submitted that it will be a waste of public ~~money~~ funds to run the school in a state of inefficiency. There is a separate proposal to transfer the present headmaster to Jolarpet and transfer the headmaster at Jolarpet to Tirupattur. It remains to be seen whether the municipal council will get on well with the new headmaster and provide all the facilities required for improving the school. It seems better to transfer the management of the high school to the district board with the consent of both the municipal council and the district board after settling the conditions of transfer. It will not be a desirable step to permit the council to close the school since there is no other high school in the town and this municipal high school has been in existence for a long time.

The School need not be allowed to be closed. The Head master must necessarily go. He is who has brought the school to the present inefficient condition. A change in the Headmaster ship may be taken before making the Dt. Board to take the over.

The Hd master's H.M. (E & L) appeal against his reversion by the Dt. Bd. was allowed by foot, & the Council is angry at that. In order allowing the appeal we have already said that H.M. should be transferred & the D.P.I. was asked to take steps. That is my recollection. So the Council may be told that permission to close the school is refused. And the D.P.I. asked to expedite transfer.

Please see the orders in even on page 3 ante. A
