During the current school year ie., 1949-50, I per-
mitted the opening of an additional section in Form I
and sanctioned the employment of a secondary grade teacher
on fixed pay, as there was need for the same. The
present strength of Forms I is 58, and the strength of
Form II is therefore expected to exceed 50, during the
next year. There is therefore need for continuing the
additional section in Form II during the next year also.
Form I being the basic Form of a secondary school, there
is bound to be rush for admissions, and sufficient
strength for two sections can be expected. There is
therefore need for the continuance of the additional sections
in Form I also. I therefore request that Government
may be pleased to sanction the continuance during the
