TO THE DIRECTOR OF PUBLIC INSTRUCTION
CATHEDRAL P.O. MADRAS.

DEAR SIR,

Reference Building Grant - Your Proceedings R.C. No. 2085E 1/49 dated 2-8-49.

As per the personnal instructions of the Honourable Minister for Education whom I had interviewed on the subject, I submit this appeal for favour of your reconsideration of the orders noted above.

The building scheme under reference was first submitted for approval in 1937. The plans and estimates were approved by the Committing Architect. But circumstances beyond our control prevented the construction of the building before the war. A revised scheme was submitted in 1946 but we were informed that the scheme might be postponed till normal times obtained. The scheme was submitted once again in 1949 and we have been asked to postpone the scheme. Thus twelve years have elapsed since the scheme was found necessary and it is really not possible to delay it further.

Since 1937 the strength of the school has risen from 243 to 413. Four of the standards are held in the Convent building which has received no grant from Government. The location of these standards causes great inconvenience to the Nuns apart from the fact that the arrangement is unsatisfactory as that building was not designed for school purposes. The strength of the school shows signs of further increase but for the present we are asking for only 5 class-rooms, one of which will have to be used for Staff and Library. You may also take into consideration the fact that we opened our orphanage in 1948 whose strength has already risen to 70. Without the additional accommodation now proposed, it is impossible to make arrangements for housing the orphans. In these circumstances the building scheme under reference is imperatively urgent.

The revised estimate is Rs.57084 whereas the original one was Rs.19000. The revision is due to increased cost of materials and labour. There is no prospect whatsoever of things becoming cheaper in the near future. Considering this fact and our imperative need for additional accommodation, you will, we feel sure, realize that there is no point in postponing the scheme in the futile hope of things becoming normal before long.

I enclose herewith a copy of my reply to the queries raised by the Inspectoress of Anglo Indians Schools in her reference R.C. No.604/49 dated 4-7-49. As there is

imperative need for additional accommodation I request you to be good enough to permit us to begin the construction of the proposed building immediately. Inspite of our financial difficulties, we shall arrange a loan for the purpose which will be repaid when we receive the half grant from the department. If there is no room this year in the budget which, I am informed is limited to Rs.10 lakhs, I request that it may be placed in the list immediately a vacancy occurs, priority being given to our school in view of the facts that the scheme has been pending for 12 years, that the present strength of the school and orphanage makes the scheme imperatively urgent and that the school caters to the needs of the very poor Anglo Indians of George Town.

We trust and pray that you will be good enough to grant our request. The construction of the building will be commenced immediately on receipt of your favourable orders.

Thanking you in anticipation

MADAM,

Ref: Yourx letter R.C.No.604/49 dated 4th July 1949.

I have the honour to furnish the particulars called for.

1. The Management is prepared to pay helf of the expenses and the other half will be taken on a loan from one of our branches till the Government Grant is sanctioned.

2. The Contractor has assured us that there would be no difficulty to get the necessary building materials and we intend to start the construction immediately the scheme is put on the approved list.

3. The scheme is imperatively urgent and cannot be postponed any further. At present four classes are housed in the Convent building constructed with private funds. The strength of the School is rapidly increasing and we forsee the need of opening new sections the next scholastic year. Besides two more class rooms are required for Stds VIII and IX as we intend and wish very much in two years time to have a comlete High School. An Orphanage for 25 children has been opened in January 1948 and the number has already risen to 60. The Convent Building where the four classes are housed is very much needed for the Orphanage .

We would be very thankful indeed if you could treat this application as urgent

Dated the 11th Novr. 1949.

My dear Reddi,

Sub: St. Francis Xavier's Middle School, Broadway - Building grant.

--

Please see the application dated 24th August 1948 addressed to you by the Correspondent of the St. Francis Xavier's Middle School, Broadway for a grant towards the construction of building for the school. Will you please say what orders have been passed by you on the application. If you are not recommending any grant, I am to ask you to state your reasons for it. A reply may be sent as early as possible as any proposal for the payment of a grant for the school for the building will have to be treated as a Part II scheme for 1950-51.

Yours sincerely,

Sri D.S. Reddi, M.A.(Oxon),
Director of Public Instruction, Madras.

D.O.No.2085 E1/49. Director of Public Instruction,
Madras, 27th November 1949.

My dear Lobo Prabhu,

Sub: St.Francis Xavier's Middle School, Broadway - Building grant.

Ref: Your DO.No.84505-C1/49-1 Edn.,dated 11--11--1949.

In July 1949, the Correspondent, St.Francis Xavier's Anglo-Indian School, G.T.Madras, submitted an application for building grant for additions and alterations to the school building at an estimated cost of Rs.57,084/-. In my Proceedings R.C.No.2085 E1/49 dated 2-8-49 the Inspectress of Anglo-Indian Schools, Madras, was informed that the scheme might be postponed. Again on 24-8-49 the Correspondent wrote to me for a reconsideration of the orders passed. In my Proceedings R.C.No.2085 E1/49 dated 15-9-49 the Inspectress was requested to inform the Correspondent of the school that the Director regretted his inability to reconsider the orders already passed in Proceedings R.C.No2085 E1/49 dated 2-8-49. The reasons that led to the decision taken by me were as follows:-

In May 1948 when the management applied for recognition for Standard VI both the Inspectress of Anglo-Indian Schools and the Health Officer, Corporation of Madras reported that the accommodation was suitable and satisfactory.

In September 1948 when the management of the school applied for permission to open Standard VII in 1949, the Inspectress reported that the accommodation was sufficient and suitable. Again in May 1949 when recognition for standard VII was applied for both the Health Officer, Corporation of Madras and the Inspectress reported that the accommodation was sufficient and all conditions for recognition were satisfactory. I, therefore, fail to see how the question of additional accommodation can arise now.

Incidentially I may point out in this connection that the management of the school applied for permission to open Standard VIII in January 1950. A list of Anglo-Indian Schools in the City of Madras is furnished below:-

1. St.Mary's High School, G.T. (Day).
2. Bishop Corrie Middle School, G.T. (Day).
3. St.Francis Xavier's Middle, G.T. (Boarding).
4. St.Columban's High School, G.T.(Day).
5. St.Ursula's Middle School, Teynampet (Boarding).
6. Civil Orphan Asylums, Kilpauk, Middle (Boarding).
7. Christ Church School (High) Mount Road (Day).
8. St.Antony's High School, Pudupet (Day).
9. St.William's Middle, Royapettah (Day).
10. St.Kevin's Middle, Royapuram (Day).
11. St.Bede's High School, San Thome (Boarding).
12. Holy Angels' High School, Mambalam (Boarding).
13. Doveton-Corrie Boys' High School, Vepery (Day).
14. St.Joseph's Middle School, Vepery (Day).
15. St.Mathias Primary School, Vepery (Day).
16. St.Aloysius High School, Vepery (Boarding).
17. Doveton-Girls' High School, Vepery (Day).
18. St.Patrick's High School, Adyar (Boarding).

The strength of Anglo-Indian Schools, especially in the Higher standards cannot be considered satisfactory. The management of St. Columban's High School, G.T.Madras, objected to the raising of the status of the St.Francis Xavier's Middle School to that of a High School as the strength of St.Columban's School, might consequently fall. In the circumstances permission to open Standard VIII in January 1950 was refused by me.

PTO

As there is no likelihood of raising the status of the school to that of a High School, I did not consider that the application for a building grant at a high cost of Rs.57,084/- was justified.

Yours sincerely,

To

J.M.Lobo Prabhu, Esq., I.C.S.,
Secretary to Government,
Education & P.H.Department,
Fort St.George, Madras.

for Middle and High Schools. The school is thus eligible for a maximum building grant of Rs 35,000. Though the Correspondent of the school has not stated definitely the grant required, it may be observed from B of linked file that the revised estimate of the scheme is Rs 57,084 and the half grant payable to the school based on this estimate is Rs 28,542. This dept. may therefore suggest that an additional provision of Rs 28,542 may be made in the B.E. for 1950-51 in respect of this scheme. With reference to 'x' on page 3 above, it is understood from E & P.H. that no reply from the D.P.I. has yet been received.
