Sir,

SUB: BUDGET ESTIMATE - Walajapet Municipality - Elementary Education Fund 1950-51 - Grant to meet the deficit Requested.

REF: This office Rc.3615-B1/49 dated 19-12-1949.

While submitting the Elementary Education Budget for 1950-51 to Government on 19-12-1949, it was stated that the revised estimate for 1949-50 which opened with a surplus balance of Rs.180/- with reference to the actual closing balance for 1948-49 was expected to close with a deficit balance of Rs.5,350/- and the Budget Estimate for 1950-51 with a deficit of Rs.12,210/-

The actuals for 1949-50 have since been worked out and according to which the budget which opened with a surplus of Rs.182/- closed with a deficit of Rs.4,136/- as against Rs.5,350/- furnished at the time of the preparation of the Budget (vide Receipt and charges statement submitted herewith)

The entire deficit of Rs.4,136/- referred to above was met from the ear-marked funds such as water and drainage accounts and from deposit accounts. At present there is not sufficient balance either under A.General account or under other ear-marked funds to meet the salaries of the staff of the elementary ~~education~~ schools and other contingencies.

In this connection I submit that the treasury balance on 15-4-1950 is less than thousand rupees and it may not be possible to pay the staff unless Government are pleased to sanction the grant of Rs.4,136/- to wipe out deficit and sanction an advance grant of Rs.6,860/- the anticipated deficit for 1950-51.

During 1948-49, I submit, that the Government in G.O. No.686 Edn. dated 11.3.1949 were pleased to grant a subsidy of Rs.2,166/- towards the payment of dearness allowance to elementary education staff and also permitted to utilize a sum of Rs.3,074/- from the arrear toll compensation to meet the deficit.

Under the circumstances submitted above, I request that the Government may be pleased to sanction a grant of Rs.4,136/- for 1949-50 to wipe off the actual deficit and an advance grant of Rs.6,860/- for 1950-51, as a special case.

I invite your kind attention to this office letter Rc.3615/B1/49 dated 15th April requesting grant for deficit in Elementary Education Budget of 1949-50 and an advance for 1950-51 for similar eventuality. You will please remember that I have said in my conversation that Government review on Elementary Education Fund on this council's revised budget was due, and as I learnt that it was under consideration with Director of Public Instruction, I sought interview of the Assistant Director of Public Instruction and requested him to expedite despatch. I am sorry that no orders have been received till now. As a result, the salaries of teachers remain unpaid. As this council is in deficit, it has no other funds to draw upon, even temporarily, to pay salaries of staff and avoid difficulties to them. In view this sorry position befalling in the months of May and June, I personally made the representation for the grant, early. You will please appreciate the sad predicament of this council and its employees in this respect and kindly take interest for immediate disbursement of the grant to cover up deficit for 1949-50 and an advance for 1950-51 to maintain regular payment, till fresh collection of taxes is made and Municipal Treasury is filled. I request the favour of your personal attention in the matter.

Yours faithfully,

Sir,

SUB: BUDGET ESTIMATE - Walajapet Municipality - Elementary Education Fund 1950-51 - Grant to meet the deficit Requested.

M.15-17 ante

REF: This office Rc.3615-B1/49 dated 19-12-1949.

17

While submitting the Elementary Education Budget for 1950-51 to Government on 19-12-1949, it was stated that the revised estimate for 1949-50 which opened with a surplus balance of Rs.180/- with reference to the actual closing balance for 1948-49 was expected to close with a deficit balance of Rs.5,350/- and the Budget Estimate for 1950-51 with a deficit of Rs.12,210/-

A

The actuals for 1949-50 have since been worked out and according to which the budget which opened with a surplus of Rs.182/- closed with a deficit of Rs.4,136/- as against Rs.5,350/- furnished at the time of the preparation of the Budget (vide Receipt and charges statement submitted herewith)

The entire deficit of Rs.4,136/- referred to above was met from the ear-marked funds such as water and drainage accounts and from deposit accounts. At present there is not sufficient balance either under A.General account or under other ear-marked funds to meet the salaries of the staff of the elementary ~~education~~ schools and other contingencies.

In this connection I submit that the treasury balance on 15-4-1950 is less than thousand rupees and it may not be possible to pay the staff unless Government are pleased to sanction the grant of Rs.4,136/- to wipe out deficit and sanction an advance grant of Rs.6,860/- the anticipated deficit for 1950-51.

During 1948-49, I submit, that the Government in G.O. No.686 Edn. dated 11.3.1949 were pleased to grant a subsidy of Rs.2,166/- towards the payment of dearness allowance to elementary education staff and also permitted to utilize a sum of Rs.3,074/- from the arrear toll compensation to meet the deficit.

Under the circumstances submitted above, I request that the Government may be pleased to sanction a grant of Rs.4,136/- for 1949-50 to wipe off the actual deficit and an advance grant of Rs.6,860/- for 1950-51, as a special case.

Call for the following remarks:-

(a) R.E for 1949-50:

(i) The credit taken for Government Contribution under Section 37 of the Elementary Education Act should be raised to Rs 2,164 with reference to G.O: No: 518 ~~Edn~~ dt 18.2.1950.

p19 cf

Copy at (a)

(ii) The R.E is anticipated to close with a deficit of Rs 5,186. The Council has requested for a subsidy to ~~wipe off~~ avoid this deficit. LA have noted that the General fund cannot afford to make any additional contribution towards the deficit in the Elementary Education fund. No subsidy has been paid to the Council towards the grant of DA to the Elementary Education Staff in 1949-50. It will be observed that the Government sanctioned a subsidy of Rs 2,166 to this Municipal Council towards payment of DA to the Elementary Education Staff in 1948-49. The only alternative now open is to sanction a subsidy as requested by the Council. The deficit in the R.E now anticipated may be avoided by sanctioning a subsidy of Rs 5,186 towards D.A. The R.E will then close with a 'nil' balance. LA and Finance may see.

(b) B.E for 1950-51:-

(i) Government Contribution under Section 37 of the Elementary Education Act:

The rate of Education tax levied in this municipality is 5% p.r. and the rate of Government contribution is 1 1/3% p.r. According to the recent decision of the Government, the Council will be eligible for a contribution of 2 1/2% p.r. The Council may be permitted to take credit for an amount of Rs 3,000 under this head.

$\frac{6200}{2}$ = 3,100 or Rs 3,000 approximately

p19 cf

(ii) The B.E is anticipated to close with a deficit of Rs 5,060. The Council has requested for an advance ~~of~~ subsidy to meet this deficit. LA have noted that the General fund cannot afford to make any additional contribution towards the deficit in the Elementary Education ~~a~~ fund. The rate of Education tax levied in this municipality is 5% ~~of~~ property rental which is the maximum rate fixed by the Government. Hence the rate of Edn tax cannot be increased further. The only alternative open is to sanction a subsidy. ~~This~~

In the circumstances stated by the Commr in his letter on p 31 cf and in the circumstances stated by the chairman in his D.O on p11 cf, This Department may support the proposal to sanction an advance subsidy of Rs 5,060 towards the deficit in 1950-51, as a special case. This may be adjusted later on after the actual closing balance in the Elementary Education Account for 1949-50 is known. The Commr. may be asked to report the closing balance in due course.

LA and Finance may see for remarks prior to circulation. These Departments may be requested to treat the matter as special and return the file immediately.

The General Account of the Ml. Cl. for 1950-51 is expected to close with a large deficit of Rs.21,522/-. No additional contribution is therefore possible from the General Account towards the deficit in the E.E. Account. Summarising note ~~[illegible]~~: -

The file deals with the R. E for 1949-50 and the B. E for 1950-51 of the Elementary Education fund of the municipal council, Walajapet. The R. E is anticipated to close with a deficit of Rs 4,136, - please see the Commissioner's report on p 31 cf; and the B. E (as revised) is anticipated to close with a deficit of Rs 5,060. The Council has requested for a subsidy to cover the deficit in the R. E and an advance subsidy to cover the deficit in the B. E. Attention in this connection is invited to the D. O from the chairman, municipal council, Walajapet at p 11 cf and the Commissioner's letters on p 31 cf (and p 32 cf). This Department supported the proposal to sanction subsidies as there is no alternative to avoid the anticipated deficits. LA have agreed with this Department. Finance have however agreed to a subsidy of Rs 4,136 in respect of the deficit in the R. E and to a subsidy of Rs 3,370 in respect of the deficit in the B. E. It is usual to sanction advance subsidies in respect of deficit budgets at 2/3rds the anticipated deficit or the expenditure on the payment of Dearness Allowance to municipal staff, whichever is less. In the present case, the council will be eligible for an advance subsidy of Rs 3,370 only. This Department may agree with Finance.

A draft order is submitted. ~~The file may be circulated to [illegible] (P.A.), [illegible] (LA) and [illegible] (Fin) for approval of the draft.~~
