Sir

Rec. No. C3-4446-50 dated 21-3-1950.

Sub: Establishment - Municipal High School - Sri G.S.David -
Physical Instructor - Higher starting salary -
sanction - requested.

The present strength of the Salem Municipal High School is about 1500 which necessitates the appointment of six Physical Instructors. Sri G.S.David is the only qualified instructor now working in the High School. The other posts are vacant for want of qualified men. He was first appointed in the year 1949-50 and he joined duty on 21-6-49. As a new entrant he was drawing a minimum pay of Rs.50/- p.m. in the scale of Rs.50-2-70-21-95. Prior to his present ~~an~~ appointment Sri G.S.David was employed in the London Mission High School, Salem, and at the time of his leaving the institution he was drawing a salary of Rs.67/- p.m. plus D.A. at Rs.24/-. He is an experienced instructor, having served for nearly 14 years in other institutions. He has now represented that his present minimum pay of Rs.50/- is not sufficient to make both ends meet in these hard days of living and prays to start him on a pay of Rs.75/- p.m. with retrospective effect. He has joined this institution with the full hope that he would get a higher start in pay.

In spite of advertisements made in the Madras dailies inviting applications from qualified instructors no qualified person applied for the post. Applications have been received only from unqualified persons. Even the unqualified persons have failed to join duty when appointed as the pay allowed for untrained instructors are very low. Hence Sri G.S.David has to work single handed and he works hard in a sincere manner. Especially when qualified instructors could not be secured in spite of strenuous efforts, the present instructor deserves every encouragement. I submit that if a higher starting pay is not given to him, it is very likely that he will not continue in the present post and the students will be left absolutely without an instructor. I therefore recommend that he may be allowed a starting pay of Rs.75/- with effect from the date of his first appointment. In case if the Government do not propose to sanction Rs.75/- he may at least be allowed to draw Rs.67/-, the pay he was drawing in the London Mission High School at the time of leaving it.

In the circumstances, I request that the Government may be pleased to pass favourable orders fixing higher starting pay to Sri G.S. David.

REF: Your letter RC No. 953 Cl/50 dated 31-3-1950

The Salem Municipal Council resolved in its
resolution No. 1790 dated 23-12-1948 to depute municipal
servants to undergo training in Physical Education
at Municipal cost. Accordingly the Headmaster, Municipal
High school and the Principal, Municipal college were
requested to recommend suitable candidates for the
training. The Principal reported that none is
suitable to undergo the training. The Headmaster stated that
one K. Krishnamoorthy B.A., who was working as
raw graduate in the High school was willing and
was suitable for the training. Even this candidate
had subsequently informed me that he was unable to undergo
the training. So, as suggested by the Regional Inspector
of Physical Education, Coimbatore it was decided to depute
outsiders for the training. The candidates (outsiders)
Sri M.V. Krishnamoorthy and Sri T. Krishnaswami were
selected for the training and when they were sent to
the Regional Inspector for interview, he found them overaged
and not suitable. Hence the proposals of deputing
candidates had to be dropped.

Sri K. Rajaramalingam an old student of the
Municipal High school who is taking lot of interest
in sports and games has now requested to depute him for
the training and the Council has sanctioned in its Resolu-
tion No. 39/15--4-1950 his deputation at Municipal cost. He
is the only candidate who will be sent for the training
during 1950-51.

A copy of the Council resolution No. 42 dated
15-4-1950 sanctioning the higher starting salary
to Sri S.G. David is sent herewith.
