Copy of this office letter No.9100/49/C4, dated 26-7-1949 to the Secretary to Government, Education & Public Health Department, Fort St. George, Madras, through the Director of Public Instruction, Madras & the Chairman, C.M.C.

Sir,

Sub: - Schools - Special schools for defective children -
rates of spe-cial pay - allowing of -

Ref: - G.O.No.1126 Education dated 12-4-1949.

The Government in their order referred to above have fixed a spe-cial pay to the members of the teaching staff in the special schools according to their qualification. According to the order the spe-cial pay of Rs.7-8-0 is admissible to a higher grade teacher as well as to a spe-cialist teacher. The Tailoring Instructress, Deaf & Dumb school, is a higher grade teacher but she does not possess the competency certificate to teach defective children. The Director of Public Instruction is of the opinion that the payment of special pay to the Tailoring instructress requires the specific sanction of the Government. Though she does not possess the competency certificate to teach defective children, she actually does the work. Hence I request the Government to kindly order the payment of spe-cial pay to the instructress.

2. Sri S. Thangavelu, assistant, Deaf & Dumb school, is neither a Secondary grade teacher nor a Higher grade teacher. He is a completed S.S.L.C. holder and has undergone special training in the Meenakshi Deaf & Dumb school, Madurai and holds the Government certificate of competency to teach defective children. The Government have therefore in their order No.3314 Education, dated 28-12-48 sanctioned a time-scale of Rs.45-2-85 as a special case.

3. Under G.O.No1126 Education dated 12-4-1949, a special pay of Rs.7-8-0 may be paid to a Higher grade teacher or a specialist teacher. Though a sum of Rs.10/- is permissible for a Secondary grade teacher, Sri Thangavelu Pillai who has been allowed the Secondary Grade scale of pay has been permitted to draw a special pay of Rs.7-8-0 only permensem as for a specialist teacher. I request to be informed if the special pay allowed to him is in order.

P.T.O.

3. I also request the kind orders of the Government if the special pay is permissible to the teachers when they are on leave.

Copy of this office letter No. 9100/49/C4, dated 26-8-1949 to the Secretary to Government, Education & Public Health Department, Fort St. George, Madras, through the Director of Public Instruction, Madras and the Chairman, Coimbatore Municipal Council.

Rec. No. 595-D7/49 dated 23/5/50.

Sub: Schools - Special - Municipal School for the Deaf and Dumb, Coimbatore - Rate of special pay - grant of.

Ref: Government Memorandum No. 76900-B1/49-1 Edn dated 11/10/49.

In enclosing the letter No. 9100/49/C5 dated 25/11/49 from the Commissioner, Coimbatore Municipality, I submit as follows:-

1. TAILORING INSTRUCTRESS: According to Rule 64 Madras Educational Rules teachers employed in the schools for defective children should hold in addition to the ordinary teachers' certificate, the certificate of competency to teach defective children. But the qualifications for teachers of special subjects (like Music, handicraft etc) are the same as those prescribed for similar teachers in secondary schools, which means that such specialist teachers need not possess the certificate of competency in question. The special pay of Rs. 7-8-0 a month admissible to specialist teachers under G. O. Ms. 1126-Edn. dated 12/4/49 can be granted to the tailoring Instructress in the Municipal School for the Deaf and Dumb, Coimbatore if she is qualified with reference to Rule 13 Madras Educational Rules, though she does not possess the certificate of competency in question. The special pay cannot be granted to unqualified specialist teachers i.e. not possessing the qualifications prescribed in Rule 13 Madras Educational Rules.

The Tailoring Instructress in the school under reference holds a T.T.C. 77-C of the Higher grade and a Technical Teachers' Certificate of the Lower grade in Needle work and Dressmaking. Whether the craft taught in the school is Tailoring or Needle work and Dressmaking is not clear. In either case the specialist teacher is not qualified in accordance with the rule 13 Madras Educational Rules as she must possess a Technical Teachers' Certificate of the Lower grade in Tailoring or a group certificate in Needle work and dressmaking, which she does not. The unqualified Tailoring Instructress is not, therefore, eligible for the special pay of Rs. 7-8-0 a month.

II SRI. S. THANGAVELU: He does not hold an ordinary teacher's certificate but holds only the certificate of competency to teach defective children. As the special pay sanctioned in G. O. Ms. 1126 Edn. dated 12/4/49 is admissible only to persons who hold the ordinary teachers' certificate in addition to the certificate of competency and not to those possessing only one type of certificate, Sri. S. Thangavelu is not eligible for any special pay. He cannot be treated as a specialist teacher and allowed a special pay of Rs. 7-8-0 a month.

In this connection I may point out that the scale of pay prescribed in G. O. Ms. 3236 Edn. dated 17/12/48 for teachers holding only Government certificate of competency are the same as those for trained teachers of the corresponding grades and that the distinction between two categories of teachers will disappear if the special pay is allowed to teachers holding only the certificate of competency.

This G.O. is applicable to teachers employed in Govt and private schools for defectives. The corresponding G.O. for defective schools under local bodies is put up at G.O. 2237 Edn. 4-9-48.

Subject: Special pay - Principal School for the blind and dumb.
Madras - Date of special pay - 11/10/49.

In enclosing the letter No. 9100/49/5 dated 25/11/49 from the Commissioner, Coimbatore Municipality, I submit as follows:-

1. TECHNICAL INSTRUCTION: According to rule 13 of Madras Educational Rules teachers employed in the schools for defective children should hold in addition to the ordinary teachers' certificate, the certificate of competency to teach defective children. But the qualifications for teachers of special subjects (like music, handicraft etc) are the same as those prescribed for similar teachers in secondary schools, which means that such specialist teachers need not possess the certificate of competency in question. The special pay of Rs. 7-8-0 a month admissible to specialist teachers under G.O. No. 1125 dated 12/4/49 can be granted to the following instructors in the Municipal School for the blind and dumb, Coimbatore if she is qualified with reference to rule 13 of Madras Educational Rules, though she does not possess the certificate of competency in question. The special pay cannot be granted to unqualified specialist teachers i.e. not possessing the qualifications prescribed in rule 13 of Madras Educational Rules.

The following instructors in the school under reference hold a certificate of the higher grade and a technical teachers' certificate of the lower grade in needle work and dressmaking, whether the craft taught in the school is tailoring or needle work and dressmaking is not clear. The special pay of Rs. 7-8-0 a month is not qualified in accordance with the rule 13 of Madras Educational Rules as she must possess a technical teachers' certificate of the lower grade in tailoring or a group certificate in needle work and dressmaking, which she does not. The unqualified tailoring instructor is not, therefore, eligible for the special pay of Rs. 7-8-0 a month.

II M.L.D. INSTRUCTOR: He does not hold an ordinary teachers' certificate but holds only the certificate of competency to teach defective children. As the special pay sanctioned in G.O. No. 1125 dated 12/4/49 is admissible only to persons who hold the ordinary teachers' certificate in addition to the certificate of competency and not to those possessing only one type of certificate, Sri. S. Thangavelu is not eligible for any special pay. He cannot be treated as a specialist teacher and allowed a special pay of Rs. 7-8-0 a month.

In this connection I may point out that the scale of pay prescribed in G.O. No. 1235 dated 17/12/48 for persons holding only Government certificate of competency is the same as for trained teachers of the corresponding grades and that the district in between two categories of teachers will disappear if the special pay is allowed to teachers holding only the certificate of competency.

III SPECIAL PAY DURING LEAVE: The special pay is not admissible during periods of leave as a specific addition to leave salary in the case of teachers governed by the Madras Leave Rules as the terms "pay" and "average pay" as defined in those rules exclude all special pay.

Sir,

Sub: Reconsideration for granting special pay --
G.O. 1126

Ref: Government G.O.1727 Edn. dated 8-6-1950.

With reference to the copy of the G.O.No.1727 Edn. dated 8-6-1950 communicated to me I beg to bring the following few lines for favour of kind re-consideration and favourable orders. I submit that I hold a certificate of competency to teach physically defective children Deaf-mutes having undergone special training in the Meenakshi Deaf and Dumb School, Madras. The details of subjects in which I got special training in the Meenakshi Deaf and Dumb School, besides the teaching of the Deaf and Dumb are as follows:

General.

1. Principles of Teaching.
2. Organization and Discipline.
3. Psychology.
4. Physiology and Hygiene.

Subjects.

Special.

1. History of the Education of the Deaf.
2. Anatomy, Physiology and Hygiene of the vocal mechanism.
3. Principles of teaching speech reading.
4. Sense training and other activities for mental development.
5. Special methods of teaching language to the Deaf.
6. Articulation or speech training.
7. Teaching knowledge subjects and Arithmetic to the Deaf.

2 I have put in a service of 15 years in this School as a specially qualified teacher and I have also acted as Headmaster for a period 1 year and 8 months before 8-6-1949 and I am still holding the post of a Headmaster from 8-6-49.

3 I have also given special training to a Secondary grade teacher who was deputed to undergo training in this school when the previous Headmaster was on leave and the trainee came out successful in the competency examination held in March 1949.

4 Considering my long service of 15 years and my experience as a specially qualified teacher the Government and the Council were pleased to grant me the time-scale of pay applicable to a fully qualified teacher in this school i.e. Secondary grade with competency certificate.

5 The fact that I have been exempted from the prescribed qualification and granted the scale of pay on par with a secondary grade with special qualification and the fact that I have undergone special training in the subjects mentioned above which are more than the subjects prescribed recently for Secondary Grade plus competency examination and in view of the fact that I have acted as Headmaster for more than two years and am able to give training to a secondary grade teacher clearly establishes that I am a specialist teacher with ripe experience.

6 Since I am granted the scale of pay admissible to fully qualified teacher I am also equally eligible for the

special pay of Rs.10/- granted to a Secondary grade teacher with competency certificate.

Under the above circumstance the G.O.M.S.No.1727 Edn. dated 8-6-50, I submit, is not applicable to me. As I am a specialist teacher I pray the above G.O. be re-considered and the special pay of Rs.10/- be granted to me.

I remain, Sir,

Coimbatore,
Dated 5th July 1950

Yours obediently,

J. Thangavelu
