Sir,

I have the honour to inform that the S.S.L.C. Public Examination held in 1950 is the last examination for which pupils were presented by Heads of High Schools according to the 1929 Scheme.

With effect from the examination of March 1950 schools will present pupils only under the re-organized scheme.

There will be a considerable number of candidates who will be unsuccessful at the examination held in March 1950 or in previous years and who will desire to appear for the examination under the 1929 scheme for bettering their attainments or the marks obtained by them at the Public Examination. There is at present only one examination in October 1950 under the existing scheme. With a view to cater to the needs of these unsuccessful candidates, I recommend that the examination under the 1929 scheme may be held concurrently for at least two more years i.e. till 1952 as a transitory provision.

Similar transitory provisions was made when the 1929 scheme was introduced.

I request that orders of Government for conducting the examination under the 1929 scheme for two more years along with the examination under the re-organized Secondary Education Scheme of 1948 may be kindly obtained and communicated to me.

For the concurrent examination under the 1929 Scheme, the question paper in English and other languages will be common to both classes of candidates. (Re-organized Scheme and 1929 Scheme). Only in the non-language subjects separate papers will be set for the candidates under the 1929 Scheme.
