To

Superintendent,
Government Press, Madras.

To
The Secretary to Government,
Education Department,
Fort St. George, Madras.

No. 32545/50.

Dated:- 25-4-1950.

Sir,

Sub:- Purchase of a cutting machine for use of Government House
Press - Quindy -

I submit that the Military Secretary to His Excellency The Governor of Madras has asked me to supply one small cutting machine to the Press at Government House, Quindy for the reason that much inconvenience is felt by sending one of his Press men to Government Press, Mint Buildings, Madras from Quindy to get the work done and urgent works delayed for want of the cutting machine.

2) As there are only limited number of cutting machines in the Press and due to heavy pressure of work, it is not possible for me to comply with his request. Hence I have suggested to him that he may purchase one small Guillotine cutting machine of 28" width from Messrs. Standard Printing Machinery Co., 13/81, Sembudoss Street, Madras which will serve his purpose. The price of it is Rs.5500 (exclusive of Sales Tax) But in his D.O.No.2363/44/4 dated 11-3-1950 (copy enclosed) he has asked me to purchase it and transfer it to the Government House Press as the annual grant at his disposal for "Stationery and Printing" is limited and it is not possible for him to pay it from his allotment. I submit that if Government approve the proposal of the Military Secretary, sanction may be accorded for the purchase of a cutting machine at a cost of Rs.5500/- exclusive of Sales Tax.

the Government house Press, Guindy.

Thank you for your D.O No. AS4.Bdg. 26828/50 dated 7-3-50.

As the annual grant at my disposal for "Stationery and
Printing" is limited, it is not possible for me to ~~buy~~ a cutting
machine at a cost of Rs. 5500/- Will you please therefore arrange
to buy this machine as for the Central Press and transfer it to
the Government House Press like other machinery and recover the
interest and depreciation charges.
