From

The Director of Public Instruction,

Madras

To

The Secretary to the Government of Madras,
Education and Public Health Department,
Fort St. George, Madras.

R.O.C.No.1597-K2/49 dated 16th December 1949.

SIR,

RULES--MADRAS EDUCATIONAL RULES--Collection of
tuition fees.

Under Rule 86(a) of the Madras Educational Rules the first instalment of tuition fees shall be paid not later than the fifth working day of each term. At the conference of Principals of Government Arts Colleges held in my office on 14.9.1949, it was represented to me that this stipulation causes considerable hardship to the students and great inconvenience to the college office and they requested that this limit should be extended. It was stated that many students are unable to remit their fees before the stipulated date on account of the failure of the college office to collect it in time. The rush to pay fees before the fifth working day is so great that the Head Clerks who are in charge of the entire fee-collection work find themselves unable to manage. This difficulty is greater in the case of colleges like the Presidency, Arts College, Anantapur, Kumbakonam and Palghat where the strength is more than 800. They have to collect the fees, check them later in the day and go to the bank or treasury the next day to remit the amount. This work cannot for obvious reasons be entrusted to any other member of the clerical establishment. The Principals stated that it is impossible for one clerk to manage the entire fee collection and requested for additional clerical assistance. I have been considering the question of recommending additional upper division clerks to all colleges for fee collection work, but in view of the need for economy, I do not press for additional staff at present.

2. In order however to afford relief both to the students and the college office, I have issued instructions empowering the principals to excuse fines from students who pay their fees after the fifth working day but not later than the tenth working day of each term (Vide copy of Circular enclosed) in cases where difficulty in payment is due to pressure of work at the office counter. As this relaxation of the rule is intended only for the Government colleges, I consider that there is no need to amend rule 86(a) of the Madras Educational Rules. I request that Government may kindly approve of my action in having issued the instructions referred to above.

Yours faithfully,

For Director of Public Instruction.

PROCEEDINGS OF THE DIRECTOR OF PUBLIC INSTRUCTION, M A D R A S.
R.O.C.No. 1597-K2/49 dated 16th Decr. 1949.

Subject:- Rules - Madras Educational Rules - Collection of fees.

UNDER RULE 86(a) of the M.E.R., the first instalment of tuition fees shall be paid not later than the fifth working day of each term. At the conference of Principals of Government Arts Colleges in the Madras University area, held on 14.9.1949 it was represented to the Director that the stipulation of paying the tuition fees before the fifth working day causes considerable hardship to the students and great inconvenience to the college office and requested that the limit should be extended. After due consideration, the Director is pleased to direct that fines need not be collected in cases where students are able to pay their tuition fees only after the fifth working day but before the tenth working day ~~immediately after~~ of each term due to the difficulty of his office in collecting them in time. Fines prescribed in rule 90(a) of the M.E.R. should be collected from the students who pay their fees after the tenth working day.

W. S. Srinivasan

For Director of Public Instruction.
To the Principals of all Government Arts, Engineering and Law Colleges
