RC.No 48 D1/50 dated 24-5-1950

Sir,

SUB: Schools--secondary -- aided S.B.F. High school
Ramachandrapuram-- scholarship scheme, under
Rule 32 of the Grant-in-aid Code.

SUB
8 MAY 1950
p5 of BK No 40

The Correspondent of the S.B.F. High school, Ramachandrapuram, Pudukottai submitted a scholarship scheme under rule 32 Grant-in-aid Code for the year 1949-50 for my approval ^{and} of the same was received only in November 1949. The scheme was approved with effect from 1950-51 as necessary provision could not be made in the Budget Estimate for 1950-51. The Correspondent of the school requested that the orders approving the scheme may be given effect to from 1949-50 itself instead of from 1950-51. His request was not complied with. In his letter dated 7-4-1950 (Copy enclosed) the Correspondent requests that the previous orders may be reconsidered and the scheme may be given effect from 1949-50.

2. In the circumstances stated by him, I request that I may be permitted to approve the scheme with effect from 1949-50 and also ^{to} sanction grant on the expenditure on scholarships under rule 32 of the Grant-in-aid Code for the year 1949-50 in the current year ie., 1950-51 though no provision was included in the Budget Estimate for 1950-51.

3. The total amount of fee concessions granted under rule 32 Grant-in-aid Code is Rs. 636/- and the grant payable comes to Rs. 318/- This may be met from the Current year's appropriation.

Yours faithfully,

S. S. Sankaranarayanan
for Director of Public Instruction.

SUB: Grants in aid--scholarship-- 32(11b) of G.A.C, S.B.F. High school, Ramachandrapuram, Pudukottai-- reconsideration of orders -- requested.

REF: Proceedings R.O.C.No. 48(3) D1/50 dated 28-3-1950 of the Director of Public Instruction, Madras.

I am really grieved to note the orders passed by the Director, in regard to the giving effect of the scheme in respect of our institution from 1950-51.

It was with fervent hope that we granted scholarships to the poor and indigent pupils who are really deserving with a view that we would get favourable orders acceding to our request to give effect to the scheme from 1949-50. The total amount of fee concession foregone by the management in this regard is Rs. 636/-

It is really disappointing to make us lose such an appreciable sum which has been granted accordingly to the scheme approved by the Director because of the fact that the estimate was received by the Director late.

This is a school which has just stepped into the groove, just as any other school in the Dominion and we cannot be expected to be thorough and up to date with the rules and regulations of the Department which encounter changes everyday and as such certain amount of concession may be allowed to this institution in regard to the time limit for submission of the estimate. If only this had been sympathetically considered by the Director of Public Instruction we would have been fortunate enough to have our scheme admitted with effect from 1949-50 itself.

As the amount involved is only Rs. 636/- I do not think any special allotment for this particular school is necessary and this can be met from the surplus surrendered by any other school in the whole presidency for which there is every chance.

Further as we are in the transitional state, we pray that our request may favourably be considered and orders passed giving effect to the scheme from 1949-50 itself so that our institution may not hard hit as it has got no other sources from which any revenue can be tapped.

Grant - Teaching - S.B.F. High School, Ramachandrapuram,
Pudukkottai area - Scholarship scheme under rule 32 of
the Grant-in-Aid Code - Grant for 1949-50 - Payment - Sanctioned

From the D.P.G. Re. No 48 D/50 d/24-5-50

Order No 1751
Ms

Edn. dated 10-6-50

as a special case

Sanction is accorded to the payment in the
current year to the management of the S.B.F. High School,
Ramachandrapuram, Pudukkottai area, of a grant not
exceeding Rs 318/- (Rupees three hundred and eighteen only)
under rule 32 (ii) of the Grant-in-Aid Code incurred on
only towards one half of the expenditure on payment
of Scholarships during 1949-50. The
DPG is permitted to approve the scheme
code for 1949-50 from 1949-50

2. The expenditure should be met out of the
appropriation under "37-9. Education - Secondary - Direct
grants to non-government Secondary Schools - A. General
1. Teaching - Voted" in the estimates of expenditure
for 1950-51

3.6.50.

Note. The question of provision of funds for payment
of grants on account of new Scholarship schemes
approved by the DPG is considered as a Part II
Scheme every year. In the present case as the
approval was accorded only in November 1949
it was not possible to make necessary provision
in the BE for 1950-51. The DPG states that
the grant can be met from the current year
appropriation and recommends that sanction
may be accorded as a special case. The
