Clothing - Secretariat - Heads of depts - Change of pattern.

In G.O. 2629 Edn dt 20.10.48, the Govt. prescribed the kind of dress to be worn by the peons of the HODs & those attached to the Secretariat. A question has been raised whether as to the applicability of the dress supplied to the Sectt. peons to the peons attached to the Board of Revenue & the Heads of depts. It has been felt that the present pattern of clothing prescribed for the peons of the Sectt. is not satisfactory and that it should be uniformised with reference to colour, quality of cloth & shape of coat. It is considered that the dress should be made of superior white cloth with the coat little longer than at present.

2. The Supdt of Sty is requested to submit an estimate of the extra cost involved if the proposed change of dress is also to be supplied to the peons of the Board of Revenue & other Heads of depts.

Ref: Govt. D.O.Letter No.61602-E/50-14 Edn. Dated 16-3-50. p294.

I am sending herewith the following specimen uniforms of new pattern of dress decided in the conference held at the chief Secretary's room on 21-3-50 for favour of approval:-

✓ 1. White Khadi Sherwani	1.
2. " " Jodhpur Breeches	1.
✓ 3. Red " Waist belt with yellow piping	1.
✓ 4. White Khadi Surwar	1.

The bulging round the buttons and the hips which is the speciality of the Jodhpur Breeches will be covered when the Sherwani is worn and the extra cloth and the cost involved in stitching the Jodhpur Breeches will be a waste. Hence a specimen of Surwar (Item 4) is sent which would seem to conform to the design ~~in the mind of the committee which met on 21-3-50~~. suggested by the Committee

Sub: Khadi - Use in Government Departments - Substitution of Cement coloured Khadi in place of Khaki drill and khaki mull -Orders - solicited.

Ref: Government memorandum No.61602-C2/49-7 dated 14/12/49.

It was decided in the conference held at the Chief Secretary's room, Fort St. George on 21/3/50 that the cloth used at present for the uniforms supplied to the inferior servants of the Secretariat viz., cement coloured khadi mull should be replaced by white khadi drill. The official order ~~is~~ however is awaited. It is also learnt that it has since been decided to replace the existing pattern of dress of tight fitting long coats and pyjama coats and shurwal. I request that orders passed on these matters may be communicated to me at an early date.

If this change is given effect to, nearly 6250 yards of cement coloured khadi mull now in stockwould remain unused. It is unlikely that the above cloth will fetch a reasonable price if sanctioned. At present male toties of hospitals are supplied with khaki uniforms of khadi i.e 2 khaki coats 2 khaki shorts and 1 khaki turban cloth per head annually. It is suggested that cement coloured khadi mull may be temporarily substituted for khaki khadi in stitching the above uniforms and for turbans in order to utilise the existing stock of this variety of cement coloured khadi.

M

I request that Government may be pleased to approve my proposal and issue early orders. I am placing my indent for khadi materials for 1950-51 in accordance with this proposal.

In G.O.135 Firka Development, dated ~~15x~~ 26 15-3-48, the Govt. ~~have~~ definitely decided that the uniforms ~~of the~~ for officers of the Govt. in the Police, Jail and other Departments who have been enjoined to use uniforms should ~~use~~ be made of Khadi ~~for the purpose~~. ~~It is therefore followed that the existing supply of uniforms in mill or handloom cloth should be substituted by Khadi.~~ In exceptional cases, no doubt the Govt. ~~hereby direct~~ reserved power to relax this order. ~~as a special case~~. Prior to the issue of orders in G.O.2629 Edn. dated 20-10-48, the pattern of compulsory clothing for the peons ~~and~~ in the Secretariat was ~~a~~ long-cloth gown, and long cloth trousers, The former Minister of Education considered that a change in the mode of dress was necessary for the peons in the Secretariat and therefore ~~the Constitutional~~ he constituted a committee consisting of Chief Secretary, the Secretary, E.& P.H. and the Secretary of Home Deptt. to suggest a smarter dress of the peon. The committee decided as follows:-

p 1 nf - (G)

K

" In cases where a long cloth gown has been prescribed " the gown may be dispensed with. Instead, there might be a " tight fitting coat coming down to about half a foot above " the knee; the coat should have a collar as for a sherwani; " it may have six buttons (brass or chromium-plate -whichever " is cheaper) running down to the cummerbund.

p-3 nf (G)

" Instead of the present trousers (where they have " been prescribed), there may be pyjama trousers but tight " below the knee like Jodhpur breeches."

The Committee also decided that the modification proposed might be introduced in the Sectt.first and the question of introducing them in the mofussil might be considered later. It was also decided that the material ~~should~~ might be of Khadi for both coats and trousers ~~under~~ in uniform ~~ash~~ cement colour.

p-3 nf (G)

X

~~Changed~~ The new pattern of dress referred to above has been given effect to in the Secretariat. The question of ntroducing this pattern of dress to the Heads of Departments in the city like the Board of Revenue, Surgeon General Office etc.has not till now been considered as a general question. But at e instance of Finance, the Govt. directed that the duffadars of the following officers who were hitherto supplied with gowns should hereafter ~~will~~ be supplied with long coats of Khadi. But no orders have been passed as regards the kind of trousers to be supplied to ~~the Govt~~ them.

2. Secretary, Madras Public Service Commission.
3. Inspector General of Prisons.
4. Director of Agriculture.
5. Chief Engineer,(Communications)
6. Provincial Textile Commissioner.
7. Director of Public Instruction.

p-8 cf (2)

The Board of Revenue now requests the supply of the dress for the 4 peons under the Addl.Joint Secretary and the Asst. Secretary, Board of Revenue, as specified at portion 'K' on page 1 cf. In view of the G.O.135 F.D., dated 15-3-48, the peons in the Board's office will not be entitled to the supply of mull or trousers made of long cloth. The mill cloth or hand loom cloth hitherto used should be replaced by Khadi.

p-1 cf

(B)

As for the change of pattern of dress in respect of peons of the Heads of Departments in the city, a uniform procedure will have obviously to be adopted. Instead of applying the changed pattern of dress now adopted in the Secretariat ~~and~~ outright to the peons and duffadars of the Heads of departments, it is for consideration whether the Supdt.of Stationery may be requested to report urgently in consultation with Heads of Departments the suitable mode of dress for their peons & duffadars in offices of Heads of Depts. /A

mention if I may.

The peons etc must be made to wear the cummerbund which only makes the new uniform look neat and tidy. Without it and with the rather badly tailored coats, the peons in the Secretariat look like tramps.

Attention is invited to the minutes and notes on pages 2-3 N.F. of G.O. No. 2757, Edn., dated 1-9-49. The change in the dress of peons was made in pursuance of the decision of a Committee consisting of the Secy., E.& P.H. Deptt., Home Secy. and the Chief Secy. Perhaps the Secy. may discuss the matter first with H.M.(E.& L.). After H.M's. ideas are ascertained the Secy., Home Secy. and C.S. may meet and discuss the matter. It is for consideration:

(1) whether Khadi Drill or Khadi Mull should be selected; From the samples given, the Drill appears to be stronger and is likely to be more durable.

(2) if the Uniform should be in the shape of a Sherwani with collar; Sherwani type which is being ~~thin~~ tight fitting will rather tend to tear quickly. On the other hand, Chepken type used in Delhi without buttons is more comfortable and perhaps durable.

A

Both these questions depend on the question of the cost of the cloth and the yardage required. It is suggested that the Superintendent may be asked to furnish these details. He may also be asked to come at a meeting where it is possible that different types of uniforms can be inspected for selection. It is assumed he will be able to secure samples of the different types of uniforms as they obtain in commercial houses and other public institutions.

As desired by the Home Secretary, I saw him to-day. He has approved the following pattern of dress:-

(1) White Khadi Sherwani.
(2) Red Khadi Waist-belt with yellow piping.
(3) White Khadi Surwar.

Agreeing with the Superintendent, he does not approve Jodhp Breeches, as the bulging round the buttocks and the hips which is a speciality of the Jodhpur Breeches will be covere when the Sherwani is worn. He also stated that both the Sherwani and the Surwar may be of Khadi Drill. He also sai that the approval of the education Secy and the Chief Secretary may be taken for th suggestions and then orders taken in circulation.
