The Secretary to the Government of Madras,

R.C.No.46-LB/49 dated 10th June 1949.

Sir,
Conveyance allowance--Deputy Inspector of Schools, Urdu Range,
Madras--Requesting sanction of.

45726

Prior to the formation of the Urdu Range at Madras, the Headquarters of the Deputy Inspector of Schools was at St. Thomas Mount. The Officer was then allowed daily allowance, with reference to Madras Travelling Allowance Rules, for inspection or visits to schools in the Madras City. But consequent on the shifting of his office to the City with effect from 15.5.1948, he could not claim any kind of Travelling Allowance for the work done in Madras District, as the City is his headquarters, even though he has to inspect and visit a number of schools.

The jurisdiction of the Deputy Inspector of Schools, Madras Urdu Range, and the number of schools to be inspected by him in each of the districts are only as follows:-

- | | |
|-----------------|----------------------------|
| 1. Madras | 23 schools and 2 libraries |
| 2. Chingleput | 17 schools |
| 3. South Arcot. | 49 schools |

Total .. 89 schools and 2 libraries.

He draws Travelling Allowance only for his work in the South Arcot and Chingleput Districts.

The Deputy Inspector has submitted for consideration that a special pay of personal pay of Rs.25/- per mensem may be sanctioned with effect from 15.5.1948 i.e. the date from which the office was shifted from St. Thomas Mount to Madras.

An allowance of Rs.25/- per mensem was sanctioned by Government in their Order No.87-Finance dated 29.1.1924 to the Deputy Inspector of Schools, Muhammadan Range when it was originally located at Madras.

An allowance of Rs.25/- per mensem has been sanctioned to the other Deputy Inspectors in the City though their work is also within the headquarters.

The number of schools inspected by the Deputy Inspector is more in the City than the number that he has to inspect in any of the other two districts viz. Chingleput or South Arcot. He has consequently to stay in the city for a longer number of days, meeting the entire conveyance expenditure from his pocket. The City is a place of long distances and it is therefore reasonable that he is paid a reasonable conveyance allowance.

According to the rules no Travelling Allowance can be paid to him for his work at headquarters. He has to inspect over 25 schools as against 80 or 90 to be done by the other Deputy Inspectors and who are paid Rs.25/- per mensem.

In the circumstances I recommend that Government may be pleased to sanction a conveyance allowance of Rs.40/- per mensem to the Officer with effect from 15.5.1948 as a special case.

Yours faithfully,

Conveyance allowance - Dy Insp
of Schools, Tiru Range, Madras.

From the W.P.I. No. 46-L3/49 of 10.6.48
and T.M. of 25.9.48 and 23.11.48

Prior to the formation of the
Tiru Range (Inspectorate) at Madras, the
Headquarters of the concerned Dy Insp of Schools
was at St Thomas Mount. The Officer was
allowed daily allowance for inspection or
visits to the schools in his jurisdiction which
comprised Madras City, Chingleput and South
Arcot Dhs. On 15.5.48 his headquarters was
shifted to the City and thereafter he could not
claim allowance for the work done in the
City where he had 23 schools and 2 libraries
under him. The other Dy Insps in the City
have to inspect 80 to 90 schools and they are
getting conveyance allowance of Rs 25 p.m.
On that analogy, the D.P.I. recommends that the
Dy Insp of Schools (Tiru range) may be paid
a conveyance allowance of Rs 10 p.m. as a
special case for the work done in the City
from 15.5.48 until 15.5.49, when the re-organisation
of the Inspectorate was effected.

2. After the re-organisation, the Dy
Insp, Tiru Range (now designated Dy Insp,
Tamil Nadu Range) has to inspect schools only
in the City limits. Against the 23 schools
and 2 libraries which he had to inspect
previously, he has now to inspect 20 Muslim
Boys Schools and 41 Hindu schools (Boys & Girls
in the City. The D.P.I. therefore recommends that
as the City is a place of long distances, the
Officer may be paid from the date after the
re-organisation of the Inspectorate, a conveyance
allowance of Rs 25 p.m., the rate admissible to

11 CF

19 CF

18 CF

19 CF

to other Dy Insps. Thus the Wors proposals are that the Officer may be paid Rs 10^{pm} for the period from 15-5-48 to 15-5-49 and ~~then~~ thereafter Rs 25 p.m. It is for orders whether this proposal will be supported in this Dept. As pointed out above, the other Dy Insps are paid Rs 25 p.m. but they have 80 to 90 institutions to inspect. As the Dy Insp. (Triplicane Range) has only 61 institutions to inspect, it is for consideration whether the same rate viz Rs 25 p.m. should be allowed to him or whether a lower rate, say Rs 20 p.m. will not be sufficient.

The remarks of Fin may be inserted.

Please see the note on pages 1-2 above.

The proposals involve —

- the grant of conveyance allowance to the Deputy Inspector of Schools, Urdu Range, whose Head Quarters were shifted from St. Thomas Mount to the City. (Triplicane) from 15-5-48 to 15-5-49, and
- the amount of the allowance for the period from 15-5-48 to 15-5-49, and
- the amount admissible from 15-5-49 when the reorganisation was effected.

2/. Normally the grant of a separate conveyance allowance has to be justified with reference to the principles enunciated in ^{Rules 19-20} ¹¹⁻¹² article 1 on pages of the M.T.A. Rules, Volume I.

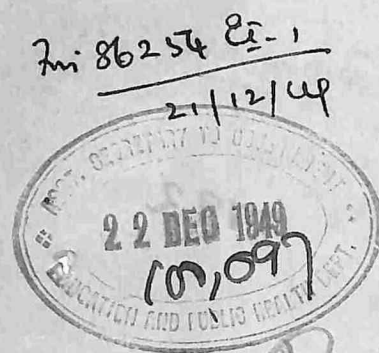

It is not clear whether the necessity for the grant of the conveyance allowance was referred to by the Director and the factor taken into account when the above reorganisation was decided on. The necessity

Deputy inspectors in the mufassil get t.a according to the Madras Travelling Rules. Deputy inspectors in the city are granted a conveyance allowance of Rs 25/- p.m. The ^{principle} ~~fact~~ that Deputy inspectors should be paid t.a. was accepted long ago and no new principle is involved. ~~The fact may be sent to the Dy Insp. for remarks.~~ As regards ~~it~~ on the previous page, it has since been found out that the number of sch. schools that can be entrusted to a Dy inspector is 56 to 60. Is this dept may recommend the grant of the usual allowance of Rs 25/- p.m. to the Deputy inspectors in charge of the Urdu Range also.

point at it above not
clarified

The position is this. Prior to the formation of the Urdu Range at Madras the head quarters of the Dy inspectors of Schools was at St. Thomas Mount. The officer was then granted daily allowance with ref: to the Madras Travelling Allowance Rules for inspection or visits to schools in the

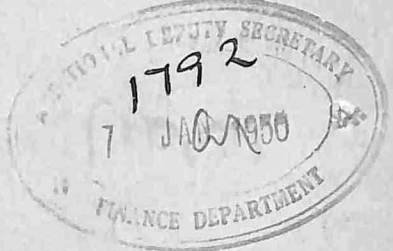

4
Madras City. But consequent on the shifting of his office to the city from 15.5.48 he could not claim any kind of t.a for the work done in Madras City as the city was his head quarters even though he had to inspect and visit a number of schools. So for the period from 15.5.48 to 15.5.49 when he ceased to have jurisdiction outside Madras City an allowance of Rs.10/- is proposed.

Finance (E.I)

Previous Finance note on pages 2-3 above and further remarks of E & P.H. may be perused.

The points for consideration are:-

- (a) whether a conveyance allowance of Rs. 25/- p.m. may be sanctioned to the Deputy Inspector of Schools, Triplicane from 15-5-49,
- (b) whether Rs. 10/- p.m. may be allowed as conveyance allowance to him for the period from 15-5-48 to 14-5-49 when his H.Q. were at Madras ~~before at St. Thomas Mount.~~

2 It may be seen from the discussions in G.O. 747 Education dated 2-4-48 that the reorganisation proposals were not to involve in extra cost to Government and that on the other hand savings to the tune of about Rs. 13,000/- were anticipated - c.f. H.M.(Edn)'s minute on page 20 N.F. of G.O. at (B). The question of conveyance allowance has not been raised in that connection.

3 E & P.H. have pointed out that Deputy Inspectors in the mufassal get travelling allowance and that those in the city draw Rs. 25/- p.m. as conveyance allowance, and that no new principle is involved. Finance may, therefore agree to the payment of conveyance allowance to this case also.

that normally Deputy Inspectors are in charge of 80 to 90 schools in the city - c.f. Director of Public Instruction's observation at A on page 1 C.F. This Deputy Inspector at Triplicane has only 61 institutions, and apparently the touring involved is much less. As the Deputy Inspectors are drawing Rs. 25 (Rs. 20+5) in the city for the inspection of larger number of institutions this Department may agree to a less rate of Rs. 20 (i.e. without the 25% temporary increase) p.m. as originally recommended by E & P.H. at M on page 2 above. The next question is about the allowance for the period 15-5-48 to 15-5-49 i.e. prior to Reorganisation. During this period the Deputy Inspector was apparently inspecting only 23 City institutions (of the total 91 under his charge). For his visits outside the Head quarters he was eligible to draw travelling allowance under the Rules. In another case Deputy Secretary (Mr. Crombie) held that the Finance Department is opposed to the grant of conveyance allowance to officers who toured in the mufassal. While this subordinate was stationed at St. Thomas Mount he was drawing d.a. for halts in the City and was drawing travelling allowance under Rules. On the transfer of H.Q. to the City, he was eligible for C.A. for days spent out of Madras. ~~and no~~ separate conveyance allowance need be sanctioned for that period at this distant date.

6 In the circumstances, the grant of conveyance allowance in this case is a financial concession and may take effect as usual from the date of orders.- c.f. Article 49 M.F.C., Volume I.

The suggestion of this at A above may be accepted. A draft order is subd. for approval.

Sir,
Sub:- Fixed conveyance allowance - Deputy Inspector of
Schools, Triplicane Range - ~~xxxx~~ (formerly urdu
Range) - sanction of enhanced rate-
Ref:- G.O. Ms.No. 176 Education dated 23-1-50

In their order quoted above Government have sanctioned the payment of a fixed conveyance allowance of Rs. 25/- (Rs. 20 plus 5) to the Deputy Inspector of Schools, Urdu Range in the city with effect from the date of the order viz., 23-1-50. As the Triplicane Range of the Deputy Inspector of schools, (formerly urdu Range) formed with effect from 15-6-49 I request that Government may be pleased to sanction the conveyance allowance with effect from the date of the G.O.

In this connection I may also state that the jurisdiction of the Deputy Inspector of schools, Triplicane Range comprises of walkam, Periamet, Vepery, a part of Choolai, Thousand lights, Reddipattah and Tiruvatteswaranpet in Triplicane and all the localities in the city where urdu schools are situated. In other words his jurisdiction extends throughout the city and as such the conveyance allowance of Rs. 20 plus 5 now sanctioned is not quite sufficient. I therefore recommend that Government may be pleased to sanction an enhanced conveyance allowance of Rs. 31/- per mensem to the Deputy Inspector of schools, Triplicane Range, similar to the one sanctioned to the Deputy Inspector of schools, Perambur Range (Woman) whose jurisdiction is also co-extensive.
