From

The Director of Public Instruction,

The Secretary to Government,

No. R.O.C. 246 K3/50 Dated 21-3-1950.

Sir,

Subject:-

Schools- Government Girls High School Salem- Temporary
posts- Permanent Retention and continuance- Sanction- Requesting.

The sanction accorded to the continuance of the following posts in the Government Girls High School Salem will expire by the end of the current school year (i.e.) 31-5-1950. The numbers and dates of the G.Os. in which the continuance was sanctioned are noted against each:-

One School Assistant:- G.O. Ms. No. 1069 Edn dated 1-5-1948.
Three Secondary Grade Assistants:- G.O. Ms. No. 1697-Edn. dated 24-5-49.
One Peon:- G.O. Ms. No. 4328 Edn. dated 26-5-48:

2. The present class and form war strength of the school is as shown below:-

Form VI.	40.	Form III.A.	45.1	Form I-A.	46.1
" V.A.	34.1	" III.B.	42.1	" I-B.	44.1
" V.B.	33.1	" II.A.	43.1	" I-C.	44.1
" IV.A.	36.1	" II.B.	42.1	Class V.	45.
IV.B.	36.1	" II.C.	41.1	" IV.	44.
				" III.	45.

Total. 660.

3. The post of the school assistant was originally sanctioned in G.O. No. 871 Edn. dated 11-6-45 for the opening of a second section in Form IV and that of the peon (third peon) in para 2 of G.O. Ms. No. 1903 Edn. dated 3-10-46. From the strength of the school it may be seen that there is need for the continuance of the second section in Form IV and of the post of School Assistant sanctioned therefor. This post will complete five years existence by the end of the current school year and I request that Government may kindly sanction its permanent retention with effect from 1-6-1950. It is unlikely that the strength of Form IV will come down hereafter necessitating the abolition of the additional section. The circumstances that necessitated the creation and continuance of the post of a third peon in the school still exist and there is therefore need for its continuance. Sanction may be accorded for the permanent retention of this post also, from 1-6-1950 with reference to para 3 of G.O. No. 780 Finance dated 19-7-1949 as it has been in existence for more than three years.

4. There are at present 11 sections in Form III and below, in the school for which there are 8 permanent and

three temporary posts of Secondary Grade teachers. Class III will be closed with effect from the next school year. But an additional section (third) will have to be opened in Form III during next year to provide for those who will be promoted from Form II which now works in 3 sections. The temporary post of one Secondary Grade teacher that will be released consequent on the closure of class III will be utilised for the proposed additional section in Form III. Thus there will be 11 sections in Form III and below, in the school during the next school year also and Government may therefore kindly sanction the continuance of the three Secondary Grade Assistants Posts referred to in ~~part~~ ^{para} one above during the next school year (i.e.) 1950-51.

5. During the current school-year, I permitted the opening of a second section in Form V and sanctioned under the powers vested in me, the employment of a L.T. Assistant therefor on a fixed pay as there was need for the same. According to the present strength of Form IV, there will be need for the continuance of the second section in Form V during the next school year. I therefore request that Government may kindly sanction the continuance of the post of the school assistant sanctioned by me for the second section in Form V during the school year 1950-51, in the usual time scale of pay.

Yours faithfully,

The post of the School Assistant under reference will complete
five years of existence by the end of the current school year and
it was therefore recommended for permanent retention with effect
from the beginning of the next school year. The recommendation
was not based on paragraph 3 of G.O.No.780 Finance dated 19-7-1949,
as far as this post is concerned, and the question of exceeding
50% of the category does not therefore arise.

Sir,

Subject:-

Schools- Government High School for Girls- Salem-
Permanent retention of certain posts.

Ref:- Government Memo No. 4054 B/50-5 dated 11-5-1950.

The first sentence in the Government Memo quoted above reads "The post of the School Assistant in the Government High School for Girls Salem can be permanently retained in the normal course only after 31-5-1950 when it completes five years of existence." I wish to point out that I have recommended the permanent retention of the post with effect from 1-6-1950 only and this is strictly in accordance with the view expressed in the Government Memo.

Further according to the last sentence of para 3 of G.O. No. 780 Finance dated 19-7-1949, if there is only one temporary post in a particular category between three and five years of existence that post may be made permanent. The post of the school assistant in question is the only post in that particular category in the Government Girls High School Salem, between three and five years of existence and it can therefore be made permanent, even before 1-6-1950, with reference to the latest sentence in para 3 of the Finance Department Government Order referred to.

As already pointed out by me in my Telephone Message No. 246 K3/50 dated 4-5-1950 the question of exceeding 50 per cent of the category does not arise in this case.

 originally sanctioned in G.O. 1903 Education dated

 temporary basis and the sanction for the post expires

 followed ^{as} the crucial date for purposes of calcula-

(Previous Finance note on pages 2-3 above).

Further note of Education Department on pages 3-4 above may be perused. Education have stated that the post of School Assistant will complete the 5 year period in June 1950 and that there seems to be a case for the permanent retention of the post.

The post of School Assistant under consideration was originally sanctioned in G.O. 871 Education dated 11-6-45 for a period of one year from the date of employment. In G.O.No. 1336 Education dated 9-7-46 sanction was accorded for the continuance of the post for a period of 2 years from 27-6-1946. From this, it can be assumed that the post was actually filled up on 27-6-1945.

The Director of Public Instruction has proposed the permanent retention of the post with effect from 1-6-50. It may be seen that the post will complete 5 years only on 27-6-50 and not on 1-6-50.

It is not usual to sanction the permanent retention of a post before it has actually completed 5 years.

It seems desirable to have an idea of the strength of the two Sections in Form IV after the reopening of the School before the post is retained on permanent basis.

This Department may perhaps agree to the retention of the post beyond 27-6-50 pending a detailed examination of the proposal for its permanent retention.

The file may be returned to Education Department.

(Pre. Finance note on P.T.O. above) Further note of Education above may be perused.

As already pointed out by the dept. anticipatory sanction for the permanent retention of a post cannot be given unless the post is in existence for more than 5 years on 1.10.49. It may be stated that the post of School Asst. proposed to be retained on a permanent basis was completing its fifth year of existence only on 27.6.50 and the post is not ripe for retention on a permanent basis at this stage.

Finance may advise that the question of retaining the post on a permanent basis may be considered next year after having an idea of the strength of the two sections in Form IV after the reopening of the school and suggest that it may be retained on a temporary basis for a further period of one year from 1.6.50.

Please see the note of the Finance Department above. Even though the additional School Assistant's post for the additional

P.T.O.

Second section in Form IV of the Government Girls' High School, Salem, completes five years of existence by 27.6.50, it has already been in existence for more than three years on 1.10.1949, the crucial date taken into account for purposes of permanent retention of temporary posts. The Forms I to III in the school have two sections each and the strength in each section is about forty pupils. There is definite need for the continuance of the post. In the circumstances ^{it is for consideration whether} the Finance Department may be requested to reconsider their view and to agree to the permanent retention of the post from 1.6.1950 with reference to para 3 of G.O. No. 780 Finance, dated 19.7.1949.

Further notes of Education on p. 5.6 above may be perused. Education Dept. have now stated that there is a definite need for the continuance of the post of 2nd School Asst. for the second section in Form IV of the Govt. Girls High School, Salem. They have considered that the post may be made permanent with reference to para 3 of G.O. No. 780 Finance dated 19.7.49

In view of the fact that Forms I to IV in the school have two sections each and the strength in each section is about forty pupils, it may be stated that there is a real need for the permanent retention of the post of 2nd School Asst. for the second section in Form IV.

(Government Memo No. 4054-B/50-5 Edn. dated 11--5--50.)
From the D.P.I., Roc. No. 246-K3/50 dated 22---5---1950.

The proposals in this file are as follows:

- (i) Permanent retention from 1-6-50 of the post of School Asst. employed for the second section in Form IV in the Government Girls High School, Salem.
- (ii) Permanent retention from 1-6-50 of the post of third peon in the school.
- (iii) Continuance during the school year 1950-51 of the three posts of secondary grade teachers in the school.
- (iv) Continuance during the school year 1950-51 of the post of School Asst. ^(employed on fixed pay) for the second section in Form V in the school on the usual time scale of pay.

11-29

2. (i) above:- This post was originally sanctioned in G.O.No.871 Edn. dated 11--6--45. The D.P.I. has reported that it is the only post in that particular category in the school. The Finance Department have agreed to the proposal to retain this post on a permanent basis from 1-6-50 with reference to para 3 of G.O.No.780 Fin dated 19-7-1949.

(ii) above:- This post was originally sanctioned in G.O. No.1903 Edn. dated 3-10-1946. The Finance Department have noted that 1-10-1949 has been ordinarily followed as the crucial date for purposes of calculation of the periods of 5 years and over 3 years. As this post has not been in existence for more than three years on that date, they have suggested that its permanent retention may be considered after it completes five years of continuous existence. The suggestion may be accepted.

(iii) above:- The Finance Department have agreed to the proposal in this item.

(iv) above:- The Finance Department have suggested that this proposal may be considered after the reopening of the school and if the second section in Form V is continued, and that in the meantime the post may be continued on the fixed pay. The suggestion may be accepted.
