Ref:--From the President, District Board North Arcot,
Roc.B1.11401/50 dated 29-3-50

In his Proceedings Roc.B3.36293/49 dated 29-1-50 the

probationer in the cadre of Headmasters as Headmaster Board
in complete Secondary School, Pallikonda having Form IV as highest
with reference to the rules in force.

But in view of the representation made by Sri N.
Ramanatha Iyer not to disturb him from Board High School, Arni
and in view of the fact that this is the fag end of the School
year and that the posting of the Headmaster, Board High School,
Pallikonda may be made without any frequent disturbance in June
1950 by posting a probationer in the cadre of Headmasters
as Form V will be opened in 1950-51; the President, District Board
has decided that the question of filling the post of Headmaster,
Board High School, Pallikonda from one in the panel may be
deferred for the present and that the present Headmaster may be
continued till regular appointment is made according to the rules.

The President, District Board requests under these
circumstances that the approval of the Government for not
following the rules to the letter may be obtained if necessary
Kind attention is invited to G.O.No.3578 Education dated 21-11-49
on a similar case.

It is therefore for consideration whether the President
District Board's letter may be submitted and recommended to
Government for ratification of his action for the current school
year as a special case.

...
In continuation of my letter D.No.36293-49 dated 4-3-50 to the Divisional Inspector of Schools, Coimbatore I wish to inform you the following circumstances which had led me to keep the orders already passed in abeyance till the end of May 1950 for the reasons given below:-

(i) Sri N. Ramanatha Iyer has expressed certain domestic inconveniences, that his daughter is laid up with typhoid and is unable to move from Arni at present etc., and requests that he may be retained at Arni till the end of the school year and transferred to a High School nearer Vellore in June 1950.

(ii) There is only a month more for the high schools to close and if any other person is posted to the Board High School, Pallikonda as Headmaster, it has to be considered in June whether he should be retained ~~xx~~ there alone or transferred elsewhere in view of the annual transfers if any in consultation with the District Educational Officer at a meeting to be held in the month of May. It is not possible to decide as to who should be sent to the Board High School, Pallikonda now and retained there without disturbance during the transfers in June. If one who may not be retained there is sent to Pallikonda, now and again disturbed in June, the public who have to work in co-operation with the Headmaster for the completion of the building, they have undertaken to construct, may not be quite satisfied with the arrangement and it won't help me to secure the building promised by them constructed in time. Further there are no L.T., Assistants in the present panel whom I consider suitable for this growing High School and a revised panel has not been prepared and communicated to me as yet.

2. The only alternative course under such circumstances seems to be to select a senior L.T. Assistant who is not in the panel and whose record of service is not bad.

3. If such an assistant is now posted with out examining the questions carefully for this short period, and disturbed in June, when the schools reopen, and when Form V and the Headmaster's post are sanctioned for the school, and one of the L.T., Assistants who have already commenced probation is posted to the school transferring this Senior L.T., Assistant not in the panel there will be similar discontent among the public of Pallikonda as well as the L.T. Assistant. Therefore, considering all these aspects I want to defer the question of posting a Headmaster from the panel to the Board High School, Pallikonda now and arrange to post one from the panel or who had already commenced probation straightway as soon as Form V is opened in the month of June and the Headmaster post is sanctioned.

4. Therefore I request that my action in not following the provisions of the G.O. literally under the above circumstances may not be considered to be a violation of the G.O.

10

on the subject. In case it requires the approval of the Government, I request that the circumstances may be explained to Government and their approval also ~~and~~ obtained.
