There are ten ^{permanent} permanent posts of secondary Grade teachers in the school and these ten posts will be utilised during 1950-51 for the ten sections in classes I to V which are permanent. Out of 17 posts of Secondary Grade teachers sanctioned in the G.O. quoted above, only eleven posts need, therefore, continued during 1950-51 for the eleven sections in Forms I to III. Three posts of Secondary Grade teachers were sanctioned for the school in G.O. Ms. No. 528 Edn. dated 5/4/1941 in connection with the opening of standards VI to VIII in the Model school which were subsequently converted into Forms I to III and these posts have been in continuous existence for more than five years. I therefore request that Government may be pleased to sanction the permanent retention of Forms I to III in the school together with the 3 posts of Secondary Grade teachers sanctioned therefor. Sanctioned may also be accorded for the continuance during the school year 1950-51 of the posts of eight secondary Grade teachers for the eight additional sections in Forms I to III.

Continue to exist and Government ^{may} therefore sanction their continuance during the school year 1950-51.
