CHIEF SECRETARY

Sir,

Subj: Adult Education- Rural College for Women- Draft
Rules- Amendments- Issue of- Requested.
Ref: 1. G.O. No. 846, Education (Education & Public Health)
Department, dated 9.4.49.
2. Draft Rules- G.O. Ms. No. 1008, Education, dated 6.4.49.

In G.O. No. 1008 (Education) Education & Public Health
Department, dated 9.4.49 it is ordered that the course of study in
the Rural College for Adults (Women) is for 2 years consisting of
60 lectures with 30 lectures for a term. Here I would like to point
out that this would mean that 30 lectures have to be spread over
a period of one year. This will make the scheme difficult to work
if 60 lectures were to be spread over a period of 2 years both
for the staff arranging the lectures, the lecturers themselves
as well as the adult pupils. It is suggested that the whole
course of study be reduced to either one year or preferably
8 months. Otherwise interest will not be sustained. Students
will fall out and it will be difficult to secure teachers.

Tests can be had at the end of each term and a final examina-
tion after the course is over for the award of certificates.

To obtain these certificates in addition to securing good
marks, the candidate must have put in 85% or 90% of attendance.

This arrangement will of course help to increase the number
of literates per year.

Qualification:- It is also suggested that in the case of women
students, the minimum qualification of 3rd Form or 8th Standard
need not be insisted for there are women who may not have studied
up to this standard but who are anxious to learn and who are
otherwise qualified for this course. It is also suggested that
the levy of Re. 1/- need not be insisted upon in the case of
women students as many of them may not be able to pay this
amount and in several cases it is the inability to pay a small
school fee that is responsible for them to stop going to school.
The rules relating to the qualification and payment of fees have
to be considerably relaxed in regard to women at any rate for
some time to come.

It is requested that the above amendments may be approved
and carried out in the Draft Rules to Rural Colleges for Adults.

Re 911 B1/49 dated 14-11-49

Sir,

Subject: Adult Education - Rural Colleges for Women -
Courses of Study - Amendments to Rules
regarding the - Proposed
Reference Government Memo No. 48317-B2/49-1 Edn dated
2-7-49 and 24-9-49

The Women's Welfare Officer, Madras in her letter
Re No. 76 G/49 dated 16-8-49, copy enclosed, suggests
amendments and certain additions to Rules 158, 165, 166 and
168 of the Madras Educational Rules in respect of Rural
Colleges for Women.

I am not in favour of amending Rules 158 and 165
for they were intended to secure the objects for which the
Rural Colleges were meant. However I have no objection to
amending rules 166 and 168 Madras Educational Rules
alone so as to enable me to grant half and full fee concessions
and to impose 85% attendance which may be relaxed by me in
deserving cases.

Rule 166 : She suggests that no fee shall be
levied from women:

The scale of fees proposed is already nominal and
its total abolition in a country like India is not likely to
enhance the value that would eventually be attached to these
courses. Besides such a total loss of fee income has not been
envisaged in the budget allotment.

However an amendment empowering the Director to grant
half and full fee concessions in deserving cases of women
may be made.

Rule 168 :- The addition proposed by the Women's
Welfare Officer that 85% attendance should be put in may be
accepted. But authority should be vested in the Director to
grant exemptions in deserving cases.

The following amendments are therefore recommended:

Under the existing rule 166 -

Fees: Please add "Half and full fee concessions
shall be granted by the Director to deserving
Women."

Under rule 168 :-

Please add "The award of the certificates is
also subject to the condition that the adult
must put in at least 85% of the attendance in
the subject or subjects of study."

Yours faithfully,

For Director of Public Instruction

Ref: 1 Proceedings of the Director of Public Instruction No. Rc. 911 B1/49 dated 13-7-49
2 This office letter Roc 76 G/49 dated 16-6-49 to the Chief Secretary to Government.

With reference to the Draft Rules for Special Regulations for Rural Colleges for Adults under public and private college, the following amendments and additions are suggested in respect of Rural Colleges for Adult women.

Amendment:

A [Rule No. 158 The course of study shall be for a period of one year, and it shall be divided into 3 terms. Each term will consist of 60 working days or sessions and each working day will consist of 4 periods aggregating to 3 hours and 30 minutes.

Note: The amendment suggested to this rule is necessary in view of the fact that the 2 year's period is too long for the course and this will surely cause inconvenience both for the staff arranging the lectures, the lecturers themselves as well as the Adult Pupils. It is therefore necessary to reduce the course of study, otherwise interest will not be sustained. Students will fall out and it will be difficult to secure teachers.

Addition to Rule No. 165:-

B [In the case of women students the minimum educational qualification i.e. III Form or VIII Standard will not be insisted upon and women ~~have~~ who have a working knowledge of their vernacular languages will be eligible for admission without referring such cases for exemption to the Director of Public Instruction

Note: This relaxation is necessary in the cases of women students as it will be very difficult to secure students among women with the minimum educational qualification prescribed. Women who are anxious and those who are otherwise qualified for the course may be selected. As every case may be requiring exemption from possession of the minimum educational qualification, this addition is necessary.

Addition to Rule No. 166:-

C [All women students seeking admission will be admitted free and will be exempted from the payment of fees.

Note: This is because many of them may not be able to pay this amount and in several cases it is the inability to pay a small school fee that is responsible for them to stop going to school. Further women students require encouragement as they are still backward in Education. This concession may be withdrawn later on after reviewing the position.

Rule No. 168: Addition:-

D [Those who successfully complete the course in a particular subject shall be awarded a certificate of having passed the course in that subject. Those who take the whole course shall be awarded a certificate of having passed successfully the entire course.

p.t.o

12-2-
Add: The award of a certificate is subject to the condition that the candidate must be put in 85% of attendance in addition to securing good marks in the subject or subjects.

Note: Unless this is insisted, the Adult student will not attend regularly for the course.

The above addition and relaxations to the draft rules are necessary in the case of women as otherwise it will be found difficult to secure candidates. In this connection please vide this office letter Roc 76 G/49 dated 16-6-49 to the Chief Secretary to the Government, copy to you.

Rural Colleges for Women Adults - Recognition and amendment of Rules.
Letter from the D.P.I. No 911 B1/49 dated 16.11.49

In connection with the scheme of Adult Education introduced in 1948-49, the Govt. sanctioned the opening of Rural Colleges for Adults who have received already some education. Rules were framed in April '49, to regulate the working of these colleges. The women's welfare officer suggests certain amendments to the rules in the interest of women. The D.P.I. considers that the following two amendments may be accepted:-

- 1) Grant ^{half and} fee concessions to women in deserving cases.
- 2) Minimum attendance at the college to receive a certificate and the grant of exemptions in deserving cases // For orders, whether the amendments proposed by the Director may be accepted. Finance

In G.O. No. 846, Edn., dated 9-4-48 the Govt. sanctioned the opening of three rural colleges for giving further education to those who have had some education already. The number was subsequently raised to six i.e., three for men and three for women. The six rural Colleges have been opened in the following places:-

Men (1) Pentapadu, (2) Badagara, (3) Arcot.

Women. (1) Calicut, (2) Tanjore, (3) Waltair.

In connection with the recognition and aid of these rural colleges the following rules were newly added to the M.E.R.

"157. The courses of study of rural colleges shall be conducted with the aim of improving the general and technical knowledge and widening the outlook of adults who have had limited early education and desire to pursue further studies under conditions suited to their daily occupation in life. In the planning of these courses the syllabuses prescribed by the D.P.I. in the respective subjects shall be followed."

"158. The course shall be for a continuous period of two years divided into six terms. Each term shall consist of 60 working days or sessions. Each day or session shall consist of two periods of one hour and 45 minutes in the aggregate, 80 minutes of which shall be devoted to talks by lectures and 20 minutes for discussions, with an interval of five minutes between lectures."

"165. Adults who are not less than 18 years of age and have passed Form III of secondary school or VIII standard public examination are eligible for admission. The Director may grant exemption from the possession of this minimum qualification in individual cases."

"166. Fees at the following rates shall be collected from the students.

- (a) For those students who take the complete course.
- (b) For those who take the course in particular subjects.

Re. 1 per term on Rs. 3/- per a year.

Re. 1/- when the total No. of lectures on the subject does not exceed 20, Rs. 2/- where it exceeds 20, but does not exceed 40, and Rs. 4/- where it exceeds 40, irrespective of the terms or years.

All fees shall be paid within 15 days of the starting of the term or the course and the names of students who fail to pay the fees shall be removed from the rolls after 15 days."

"167. After the completion of a course in every subject or at the

end of the term there shall be a test and there shall be a comprehensive test at the end of the two years. The tests will be conducted by the Govt. and a small fee, to be fixed by the D.P.I. with the approval of the Govt., may be charged from candidates to cover the expenses connected with the examinations."

"168. Those who successfully complete the course in a particular subject shall be awarded a certificate of having passed the course in that subject. Those who take the whole course shall be awarded a certificate of having passed successfully the entire course." In her letter on pages 1 and 11-12 c.f. the Woman Health Officer has made the following amendments to the rules referred to above.

Amendment to Rule No. 158: The course of study shall be for a period of one year, and it shall be divided into 3 terms. Each term will consist of 60 working days or sessions and each working day will consist of 4 periods aggregating to 3 hours and 30 minutes.

Amendment to Rule No. 165: In the case of women students the minimum educational qualification i.e. III Form or VIII Standard will not be insisted upon and women who have a working knowledge of their vernacular languages will be eligible for admission without referring such cases for exemption to the Director of Public Instruction.

Amendment to Rule No. 166: All women students seeking admission will be admitted free and will be exempted from the payment of fees.

Rule No. 168: Those who successfully complete the course in a particular subject shall be awarded a certificate of having passed the course in that subject. Those who take the whole course shall be awarded a certificate of having passed successfully the entire course.

The award of a certificate is subject to the condition that the candidate must ^{have} put in 85% of attendance in addition to securing good marks in the subject or subjects.

The D.P.I. in his letter on p.9 c.f. expressed himself against the amendments proposed to rules 158 and 165. He has, however, no objection to amending rule 166 and 168 in order to enable him to grant half and full fee concessions and to impose 85% attendance which might be relaxed by him in deserving cases. The amendments to these rules for providing for the grant of half and full fee concessions to ^{be made} at the discretion of the D.P.I. in deserving cases and the minimum attendance of 85% has already been agreed to in the Finance Dept. as well as in this Dept. In the memo at page 13 c.f. the D.P.I. ^{has}

been requested to forward a draft of the conditions which in his opinion a woman should satisfy in order to make herself eligible for the concessions. The D.P.I. in his reply on p. 23 c.f. suggests that full fee concessions may be given to pupils belonging to the communities listed as Harijans as in appendix 17-A of the M.E.R. on the production of a certificate of income of the parents or guardians in the form prescribed in Appendix 18 from the Dy. Tahsildar as laid down in Rule 92 M.E.R. As regards women of all other communities he suggests that half fee concessions may be given on the production of a similar certificate. The latest proposal seems to involve ^{the grant of exemption to} ~~exemption of~~ Harijans (men candidates also) from the payment of fees. There was originally no proposal for the exemption of Harijan men from the payment of fees. Harijan boys and girls reading in secondary schools are eligible for full fee concessions. In the interest of Harijan Uplift, the proposal now made by the D.P.I. to ^(men included) grant full fee concessions to Harijans and for the grant of half fee concessions to women of backward classes may be accepted.

Firka Dev. and Finance may see for remarks before circulation.

~~May be forwarded~~ The notes of education from page 3 above may be perused. ~~and the same~~ ~~passed on to Finance Dept.~~ The file relates to the amendment to the Madras Educational Rules, for the recognition and aid of the rural colleges, opened in the following places.

For men (1) Periapadu, (2) Badagara
(3) Broor.
For women (1) Calicut (2) Tanjore and
(3) Waltair.

P.T.O.

Fin. (Exp. A.)

As part of the Adult Education Scheme, Govt. sanctioned the starting of 6 Rural Colleges, for giving higher educational training for persons who have had some school education already. As per the rules framed for these institutions, fees have to be collected from the students at the following rates:

- | | | |
|--|----------------------------------|------|
| 1) For the students who take the complete course. | Re.1 per term or Rs.3. per year. | |
| 2) For those who take the course in particular subjects. | For 20 lectures and below | Re.1 |
| | For 21 to 40 lectures | Rs.2 |
| | For above 40 lectures | Rs.3 |

This Department has ^{however,} already agreed to the proposal of ^{the Edn.} ~~Fin.~~ Devt. to give discretion to the D.P.I. to grant full and half fee concession to deserving women students, subject to the stipulation of suitable conditions, to determine whether a case is deserving or not.

2. The present modified proposals ^{of Education} are :-

- (1) to give full fee concession to students belonging to the communities listed as Harijan on the production of a ^{purely} certificate ^{with ref. to} income of parent or guardian.
- (2) to give half fee concessions to women of ^{backward} all ^{other} communities on the production of a similar certificate. ^{Edn. propose to put Dir. Dept.} suggest that the production of a certificate ^{case of need} need not be insisted upon in the 826 F.D. dated 30-11-48. ^{may be limited to a period of 10 years.} ^(The concessions referred to above are at present admissible in Secondary Schools under the rules in force.)

3. The fees prescribed for these rural colleges were not with a view to get ^{any fee appreciable} a lot of income, but only as earnest money from people who come and join them. ^{and to give an air of importance to the course.} As the concessions proposed above will not vitiate the above purpose, Finance need not object. It is presumed that the above concession will not apply to examination fees ^{also}.

4. The suggestion to limit the concession to Harijan ^{students} to 10 years is apparently in view of the 10 years limit provided for in the New Constitution. But that limit applies only to the special concession. ^{to a particular community (Hajangans)} As the proposal to grant half fee concession

No. 48317 c/49 Education

As pointed out by P.D. this time limit may be applied in respect of backward classes also for the entire uniformity.

to poor women ^{of backward classes also} is not a special concession, that time limit need not apply here. ^{to backward classes} Any how, this is a matter for Edn. to consider.

The file relates to the question whether fee concessions should be granted to adults admitted to Rural Colleges. The D.P.I. is of the view that poor Harijan ^{women} adults should be granted full fee concessions and that poor women adults belonging to backward classes may be allowed half fee concessions provided that adults produced poverty certificates from Dy. Tahsildars. The Firka Development Deptt. hold the view that there is no need to insist on poverty certificates excepting ⁱⁿ for the cases of doubt and that fee concessions ^{may} ~~will~~ be allowed for a period of 10 years ~~in the cases of Harijans~~. The Fin. Deptt. ^{so as to} point that 10 year limit ^{the full} may be made applicable to not only to Harijans but also to the backward communities as well.

2. The Director has proposed that, to receive certificates, adults should put in at least 85% of the attendance in the Rural Colleges. The proposals of the D.P.I. may be accepted. The Dir. may be authorised to grant exemption from the prescribed ^{attendance} ~~attention~~ in deserving cases.

3. For orders ^{whether} the proposals of the D.P.I. may be accepted. A draft order is subd. for approval. The file may be circulated to H.M. (E & L). J.H.M. (R.D.)
