I have the honour to request that Government may be pleased to accord sanction for the purchase by the Connemara Public Library of the British Journal of Applied Physics, a new monthly journal published by the Institute of Physics, London, from January 1950. The library has no journal of its kind at present and its addition, I am sure, will enhance the general needfulness of the Library. Its annual subscription of ₹ 3-0-0 can be met from the present allotment provided for in the budget.
