Provision has been made for the acquisition of a site in South Veli Street and for construction of and improvements to school buildings In Keerathurai, Subramaniapuram, Anuppanady, Khanpalayam, Goripalayam, Munichalai and West Gate.

In addition to the usual contribution of Rs.50,107/- a sum of Rs.1,26,438/- has been transferred from General Account to the Elementary Education Fund to meet the extra Expenditure. The increase is due to the construction of additional and new buildings, and acquisition of sites and to the appointment of additional teachers and opening of new schools. The contribution due from Government on account of arrear toll contribution from which a portion was diverted to the Elementary Education Fund has since been stopped, and as such, large diversion from General Fund has to be made each year. It is, therefore, urged that Government may be pleased to increase the rate of contribution payable to the council under Section 37 of the Elementary Education Act commensurate with the increased rate of Education Tax.

The donation of Rs.15,000/- offered by one Sri N.M.Subbier has been received to rename the Municipal Mynateppakulam Girls' School after one Srimathi Muthulakshmi Ammal and due credit has been taken in the Revised Estimate.

I request that sanction may be accorded specifically both in respect of the Revised and the Budget Estimate.

Ref: G.O.No.Ms. 554 Education dated 28-2-49.

* * *

In G.O.No.1778, L.A., dated 24-9-48, Government directed Municipal Councils to increase the rate of tax on vacant sites from 1-10-48 and this necessitated the issue of supplemental bills during the course of the half-year. Subsequently, in G.O.No.Ms.554 Education, dated 28-2-49, the Government have again directed the Municipal Councils to increase the percentage of Education Tax on these vacant sites from 1-10-48 at the rates specified against each. This latter order was received in this office on 9-3-49 and was 'recorded' by the Municipal Council in M.C.R.No.2935 dated 25-3-49. There was hardly time to issue supplemental bills for a second time before 31-3-49.

(P.T.O)

It is felt that it would cause great hardship on the rate-payers if they were to be asked to pay these supplemental bills for a second time on these vacant sites which bring practically no income to the owners. Secondly under section 81A (1) of the District Municipalities Act the direction to increase the tax is to take effect only from the first day of the half-year succeeding the date of issue of orders of Government. But, in this case, though the direction is under sub-section (2) of section 35 of the Elementary Education Act, it has been ordered that the levy should take effect from the first day of the half year in which the direction is given itself. It seems that the principle underlying section 81 (A) of the District Municipalities Act may be followed in this case also.

In the circumstances explained above, I request that Government may be pleased to permit this Municipal Council to levy the increased rate of Education Tax from 1-4-49 only.
