Sir,

Sub: ADULT EDUCATION - Adult Literacy Classes in
Government institutions-payment of allowances -
orders requested,

Rules for recognition and aid to adult literacy schools were approved in G.O. No.2204 Edn. dated 4-9-1948. With reference to rule 4, the teachers employed in adult literacy schools may be part-time teachers. It is also stated that those employed under local bodies may with the permission of the executive authority of the local body concerned, work in adult literacy schools and receive the grants as per the scales prescribed in Rule 9.

I have issued necessary instructions with regard to the opening of adult literacy schools in all educational institutions as per G.O. No.3870 Edn. dated 19-12-1949. If the teachers in Government institutions start adult literacy schools with reference to the above instructions, necessary permission for them to work as part-time teachers and also to receive the allowances as per the scales fixed under rule 9 of the Rules for recognition and aid to adult literacy schools will have to be given.

I request that Government may be pleased to accord necessary general sanction in the matter.

Re f: G.O.No.1858 Edn. dated 24-6-1950.

ppante

In G.O.No.1858 Edn. dated 24-6-1950, Government have permitted teachers
employed in Government Institutions to work in adult literacy schools attached
to them provided that the work in adult schools does not interfere with their
normal duties. However, it has not been clarified as to who should be the
correspondent of such an adult literacy school. I presume that the Headmaster
or Headmistress of the day school may be permitted to be the Manager and Cor-
respondent of the adult literacy school attached to the Government institution
irrespective of the fact whether he himself conducts the school or some other
assistant of the school conducts it.

I request to be informed whether my presumption is correct.

(R) P.23

In Government Memo No. 26931-451-3 Education dated 31-8-51, the Headmasters of Harijan Welfare Day schools were permitted to be the managers of the Adult school attached to the Harijan Welfare schools. It has been brought to my notice that these Headmasters of Harijan welfare Day schools are not in general, in the habit of disbursing the grant and contingent allowances regularly to their Assistants who are actually conducting the Adult Literacy Schools. A specific case of non disbursement of Teaching Grant and Contingent allowances to the teacher of the Adult Literacy school, Siruvangur was brought to my notice. However, subsequently, necessary action was taken against the management concerned by the Harijan Welfare Department and allowances were disbursed to the assistant teacher later on.

2) To avoid the complaints of the kind referred to above, I request that I may be permitted to grant recognition and aid to the adult schools under the management of assistant ^{teachers} of day schools as teacher managers of the night ~~schools~~ who actually conduct the Adult Literacy schools, instead of entrusting the management of Adult schools to the headmasters of the schools. This arrangement will not give any scope for non payment of grant and allowances to the teachers actually conducting the Adult Literacy schools by the Headmasters of Harijan Welfare Department day schools.

3) Early orders are solicited whether I can instruct the Inspecting Officers to entertain applications if any, for the transfer of managements from headmasters to the Assistants who themselves conduct the Adult Literacy schools.
