R.C.No. 499 L2/50 dated 7-6-1950.

Sir,

Sub: Madras Educational Rules--Holders of lower grade trained teachers' Certificate--permission to appear for the Higher Grade for Training School Leaving Certificate Examination Privately--Sanction--Requesting.

It has been represented to me that one Sri. K. Manickam, a lower grade Trained Teachers Certificate holder appeared for the Higher grade Training School Leaving Certificate Examination in 1943 and secured pass marks in all the subjects except Tamil. In the meanwhile he joined the Military service and so he could not appear for the Higher grade Training School Leaving Certificate Examination of 1944 which was the last year fixed for candidates according to the Training School Leaving Certificate scheme that was in force till 1942. Had he not taken up Military service, he could have appeared for the examination of 1944 and tried his chance of coming out successful in the examination.

2/- In view of the dearth of qualified teachers, I recommend that the lower grade trained teachers who appeared and failed in the Higher grade Training School Leaving Certificate Examination according to the scheme then in force i.e., till 1942 and who were allowed the concession till 1944, may be permitted to appear for the higher grade Training School Leaving Certificate examination under the revised scheme during 1951 and 1952 only as special case. Many teachers could not avail of the concession either due to joining the war service or due to other unforeseen circumstances since the concession was discontinued from 1944. This will give an opportunity to really capable and experienced teachers to improve their status.

3/- I therefore request that early orders of Government may be obtained in this matter.

Yours faithfully,

For Director of Public Instruction

Re. No. 25.L.2/50 dated 12.8.'50

Sir,

Sub: Madras Educational Rules - Holder of Lower Grade Trained Teachers' Certificate - Permission to appear privately for the Higher Grade - Extension of the concession to all Lower Elementary T.T.C. Holders - Proposals - Submitted -

Ref: G.O. Ms. No. 1864 Education dated 26.6.'50

The Government were pleased to permit, in their order quoted above, the Lower Grade Trained Teachers who appeared ~~and~~ failed in the Higher Grade T.S.L.C. Examination according to the Scheme in force till 1942 and who were allowed the concession till 1944, as a special case to appear for the Higher Grade Training School Leaving Certificate Examination under the revised scheme during 1951 and 1952.

2 It is now represented that besides the Lower Elementary Grade teachers who failed at the Higher Grade T.S.L.C. Examination held till 1944 there may be hundreds of Lower Grade teachers who had not applied for the Higher Ele. Grade T.S.L.C. Examination as the concession of allowing this type of teachers to sit for the Higher Grade T.S.L.C. Examination was withdrawn from the year 1945. It is further reported that the latter category of teachers should also be given an opportunity to appear for the Higher Grade T.S.L.C. Examination during 1951 and 1952.

3 In the circumstances stated above, I recommend that the concession allowed in the Government order cited above may be extended to all Lower Elementary Trained teachers who are working in schools under my control, irrespective of the fact whether they had once appeared or not for the Higher Grade T.S.L.C. Examination.

4 I solicit the favour of early orders.

Yours faithfully,

for Director of Public Instruction.

Sir,

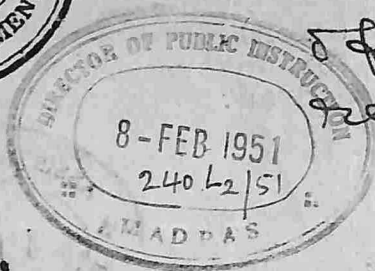

Ref: (i) G.O. No. Ms. 1864, Education, dated 26-6-50.
(ii) Government Memo. No. 24097 D/50-1, Education, dated 24-8-1950.

Under the provisions of Government Orders quoted above, trained teachers of the Lower Elementary Grade can appear privately for the T.S.L.C. Examination of the Higher Elementary Grade, under the revised scheme during the years 1951 and 1952. It has been represented that the above concession might be extended to the teachers who underwent Elementary Grade training in Nursery School Teachers Training Schools, wherein candidates with VIII Standard General Educational Qualification were trained for a period of one year.

2) In this connection it may be mentioned that while some of the methods of teaching are almost the same in the two courses of training, the Psychology paper is the same for both the Examinations viz. 1) Elementary Grade T.S.L.C. Examination and (2) the Nursery, Montessori and Kindergarten teachers' Certificate Examination. Therefore, though the period of training for Nursery School Teachers training is only for one year, I recommend that the holders of such certificates might be permitted to appear for the T.S.L.C. Examination privately as the minimum educational qualification required for admission to the Nursery, Montessori and Kindergarten Training course is VIII Standard as against the V Std. required for the Lower Elementary Grade. Even if the concession is granted, it can be availed of by the candidates only for one year i.e. 1952. Hence the concession referred to in para 1 above may kindly be extended to holders of Nursery, Kindergarten and Montessori Elementary Grade Teachers' Certificates.
