Equipment grant schemes on behalf of 21 aided Arts Colleges were admitted in the approved list for 1949-50 and an amount of Rs. 1,50,450/- was asked to be provided for in the Budget Estimate for 1949-50 towards the payment of grant to these institutions. But Government in their order referred to above have provided only Rs.72,400/- for payment as grant to these institutions with instructions to authorise payments to institutions which are in urgent need of equipment. All the schemes admitted are urgent and no scheme can be eliminated on the ground that it is not urgent since only urgent schemes were included in the approved list. Therefore by way of limiting the payment of grant this year, a necessity which has arisen owing to Government alloting only a part of the demand, I consider it more appropriate to proceed with the payment of grant with reference to the priority list. If this is done, only about a dozen colleges will be paid grant and the other schemes will have to stand over. In this case; 2 new colleges for women, the Veerasaiha College, Bellary and two women Colleges ~~bises-m~~ beside other needy institutions will be deprived of Government aid.

Para I of note on p22 of (D)

Grants for equipment of colleges are sanctioned under the provisions of Chapter IX of the Grant-in-Aid Code. Schemes eligible for grants exceeding Rs. 2,500/- are sanctioned by the Govt. for inclusion in the approved list; schemes eligible for a grant of Rs. 2,500/- and less are sanctioned by the D.P.I. Applications accepted are included in an "Approved list". The grants are disbursed after the articles of equipment have been purchased and the necessary vouchers produced. The actual distribution of the amount provided each year for all schemes is authorised by the D.P.I. with reference to the urgency of applications in the "Approved List".

2. The scheme relating ~~to~~ the provision of funds for payment of equipment grants to the various Non-Govt. Arts and Professional Colleges in 1949-50 was considered as a Part II Scheme. The D.P.I. recommended a provision of Rs. 1,61,300/- for grants to Non-Govt. Arts Colleges and Rs. 2,600/- for grants to Non-Govt. Professional colleges. This Dept. after an examination of his proposals, suggested that a provision of Rs. 1,40,400/ ~~may~~ might be made in the B.E. for 1949-50 under Part II in respect of equipment grant to Arts Colleges and Rs. 2,600/- for equipment grant to Professional Colleges. The S.F.C. which considered this scheme along with other Part II Schemes for 1949-50 recommended that the total provision of equipment grant to Non-Govt. Arts and Professional colleges should be reduced to Rs. 75,000/-. The Cabinet ~~then~~ approved the S.F.C.'s recommendation. Orders were issued in April 1949 by this Dept. sanctioning an allotment of Rs. 72,400/- for equipment grants to Non-Govt. Arts Colleges, and Rs. 2,600/- for Non-Govt. Professional Colleges during the current year. The D.P.I. was informed at the same time that in respect of Arts Colleges, he ~~may~~ might sanction the payment of grant to institutions which were

3. The D.P.I. now states that the allotment sanctioned
in respect of arts colleges in the current year is not
ufficient and requests that the ~~allotment of Rs.82,400/-~~ Amount of budget provision
~~already sanctioned~~ may be increased to the full amount of

~~provision~~ originally proposed by him as ~~that~~ all the schemes
dmitted are urgent and that none can be eliminated. This
Dept. ~~suggested~~ supported the Director's request and suggested that the amount of grant allotted for arts
olleges ~~may~~ might be increased to Rs. 1,40,400/- i.e. the amount
riginally suggested under Part II of the budget for 1949-50
y this Dept. This would mean that the allotment under
quipment grant for Non-Govt. Arts Colleges in 1949-50 should
e increased by Rs. 68,000/-. Subsequently, it ~~was~~ has been ascertained
rom the D.P.I. that in view of the closing of the Veera-
aiva College, Bellary, ~~xxxxx~~ from this year, the total
rovision under equipment grant to arts colleges during
he current year may be reduced by Rs. 7,925/- representing
he grant due for this college. Hence the net amount of
dditional allotment under equipment grant recommended by
his department is Rs. 60,100/-. Finance ~~observed~~ advised that as
he provision under equipment grant was reduced to Rs.75,000/-
. 72,400 for Arts Colleges & Rs. 2,600 for Professional
lleges) by the S.F.C. and the Cabinet, the proposal for
creasing this amount should be approved by the Cabinet,
t in view of the present financial stringency ~~this~~ [illegible] Dept.
vised against the proposal to increase the allotment, and
ggested that the D.P.I. ~~may~~ might be asked to disburse the
nctioned amount to the various institutions, taking into
nsideration the relative merits and urgency including the
ancial circumstances of each institution.

Copy of letter Roc.No.494-F/49 dated 8th August, 1949 of the Director of Public Instruction, Madras to the Secretary to the Government of Madras, Education and Public Health Department, Fort St.George, Madras.

Subject:-Grant--Equipment--Non-Government Arts Colleges--Provision for 1949-50
Refce.:--G.O.Ms.No.1131-Edn., dated 12..4..1949.

Equipment grant schemes on behalf of 21 aided Arts Colleges were admitted ~~x~~ in the approved list for 1949-50 and an amount of Rs.1,50,450/- was asked to be provided for in the Budget Estimate for 1949-50 towards the payment of grant to these institutions. But Government in their order referred to above have provided only Rs.72,400/- for payment as grant to these institutions with instructions to authorise payments to institutions which are in urgent need of equipment. All the schemes admitted are urgent and no scheme can be eliminated on the ground that it is not urgent since only urgent schemes were included in the approved list. Therefore by way of limiting the payment of grant this year, a necessity which has arisen owing to Government alloting only a part of the demand, I consider it more appropriate to proceed with the payment of grant with reference to the priority list. If this is done, only about a dozen colleges will be paid grant and the other schemes will have to stand over. In this case 2 new colleges for women the Veerasaiva college, Bellary and two women colleges besides other needy institutions will be deprived of Government aid.

In the above circumstances, I request that Government may be pleased to sanction the entire amount asked for i.e. Rs.1,50,450/- or to increase the present allotment to the possible maximum extent.

I have the honour to state that additional funds are required not only towards the grant already sanctioned to the West Godavari Bhimavaram College, Bhimavaram but also towards sanction of grant to the P.S.G.Arts College, Peelamedu Coimbatore District approved by Government in G.O.Ms.No.99 Education dated 19-1-1949. The additional funds required may not be in full i.e. Rs.20,000/- but will be about Rs.12,000/- as a few colleges for whom grants have been provided in the budget are not utilising in full. Copy of letter from the Correspondent, Veerasaiva College, Bellary addressed to the Director of Public Instruction, Madras dated 27th February 1950 Ref No. 196/49-50

Sir,

Sub:- Grant - Equipment - Veerasaiva College, Bellary Sanction of -
Ref:-Director's Proceedings R.C.No.470-FL.I/4 8 dated 16 -2-1950

With reference to your proceedings cited above, I would like to invite your kind attention to the fact, that in view of the many difficulties and limitations which the management had toover come for the proper maintenance of the college,- the Government was pleased to adopt a most sumpathetic and - liberal attitude towards the college. The Government was so kind as to concede to us the rare privilege of sanctioning - 50% grant for constructing new buildings for the college, in spite of the fact that our application for re-affiliation is still pending with the Syndicate of the Madras University. The Government has also been pleased to permit us to commence building operations straight away.

While thanking the Government for the help in this direction, I should ~~kkke~~ like to point out that the quipment grant now claimed is in respect of the material already purchased during the year 1948-49 in accordance with your proceedings R.C.No. 470 F/48 dated 6-10-1948 (copy enclosed). Though a good deal of material urgently required for the laboratories was purchased during this year, nogrant couldbe claimed for it and ~~claimed during this year~~ the Management had to bear the entire cost. As such it would be a great strain on the resources of the Management if it goes without the grant for which it has a legitimate claim.

Under these circumstances I request that the matter of equipment grant for 1948-49 (payable during the current year) may also be viewed with the same generosity and sympathy as were shown in respect of the building grant. Praying for an early revision of orders and thanking you in ancitipation.

2. The scheme relating to the equipment grant for the various ~~Arts~~ Non-Govt.Arts and Professional Colleges was considered as a Part II Scheme for 1949-50. This Deptt. recommended a provision of Rs.1,40,400/- for Non-Govt.Arts Colleges, and Rs.2,600/- for Non-Govt.Professional Colleges. Please see the Part II Scheme Note on p.p.26-27 c.f. of G.O. No.1131 Edn., dated 12.4.1949. The S.F.C. which considered this scheme along with other Part II Schemes for 1949-50 recommended that the provision in respect of Non-Govt.Arts and Professional Colleges for equipment grant in 1949-50 ~~should~~ be reduced to Rs.75,000/-.(Rs.72,400/- for Arts Colleges and Rs. 2,600/- for Professional colleges). Orders were taken in circulation as to whether this Deptt. should press for the sanction of the full amount of grant, viz. Rs.1,43,000/-. The Hon. H.M.(Edn) ordered that the S.F.C's decision ~~may~~ might be accepted. The Cabinet approved the S.F.C's recommendations and orders were ~~xxxx~~ issued accordingly in G.O.No. 1131 Edn., dated 12.4.49, sanctioning an allotment of Rs. 72,400/- for equipment grant to Non-Govt.Arts Colleges and Rs. 2,600/- for equipment grant to Non-Govt.Professional Colleges.

The D.P.I. has since reported that as the Veerasaiva College, Bellary, has been closed from the present academic year, the increase in provision already applied for by him may be reduced by Rs.7,925/-, representing the amount of half-grant to which the above College would be eligible according to G.O.No.2448 Edn., dated 25-9-48 in which the scheme of equipment of the college was included in the approved list. On that basis, the net amount of increased provision now required by the D.P.I. is Rs.60,100/-. May be sent to Finance for remarks prior to circulation.

Finance (Exp. A)

In the circumstances stated in his letter on p.3. C.F., the D.P.I. requests:-

(a) that the allotment of Rs.72,400/- sanctioned in G.O. No.1131 Education dated 12-4-1949 for payment of equipment grant to Non-Government Arts Colleges may be increased to Rs.1,50,450/- originally applied for by him, or to the maximum extent possible, or (b) that he may be permitted to proceed with the payment of the sanctioned amount of grant with reference to the priority list.

2. Item (a) above. The scheme relating to the equipment grant for the various non-Government Arts and Professional Colleges was considered as a Part II Scheme for 1949-50, and a provision of Rs.1,40,400 was proposed for 20 institutions (non-Government Arts Colleges). The S.F.C. which considered the several Part II Schemes proposed by the various Departments as a whole with due regard to the availability of funds and the relative merits and urgency of each scheme, ~~could~~ recommended only a sum of Rs.75,000/- for this scheme (Rs.72,400 for Arts Colleges and Rs.2,600 for professional Colleges). The then H.M.(Edn) did not also consider it necessary to press for the full amount originally asked for and the recommendation of the S.F.C. was accepted by the Cabinet. In the circumstances and especially in view of the present extreme financial stringency it does not seem proper to increase the grant by Rs. 60,100 as now proposed by E. & P.H. ~~at 'B' and modified~~ at 'C' on p.2. above. Finance may accordingly advise against the proposal

3. Item (b) in para 1 above: In view of the reduction in the allotment, orders were issued authorising the D.P.I. to make payments to institutions which were in urgent need of equipment. The D.P.I. states that all the schemes admitted are urgent and that no scheme can be eliminated on the ground that it is not urgent, since only urgent schemes were included in the approved list. ~~and~~ He therefore considers it more appropriate to proceed with the payment of grant with reference to the priority list. ~~and~~ At the same time, ~~he~~ states that if the criterion of priority

The reduction was made by the S.F.C. and approved by the Cabinet, with a view to reduce the Budget deficit anticipated for the year 1949-50. Any increase has therefore to be placed before the Cabinet for approval. But in view of the present state of Govt. finances, Finance may advise against any increase.

(This Department note on p.p.1-2 ante and Finance Deptt.note on p.p.3-4 ante may be perused). Finance advise against the increase of allotment of equipment for aided Arts Colleges provided for in the B.E.for 1949-50 viz. Rs.72400/-,in view of the present state of the provincial finances. As regards the ~~disbursement~~ distribution of the ~~[illegible]~~ amount, they ~~[illegible]~~ suggest that the D.P.I. may be asked to disburse the available amount,viz. It is for orders whether this Deptt. will now accept Finance Deptt.'s recommendation or press the ~~their Director's~~ suggestion for increase of the provision to Rs.1,40,400/- as suggested at 'B' on p.2 ante. and Veerasaiva College, Bellary, referred to in the D.P.I.'s letter on p. 15 C.F. But in view of the earlier orders in G.O. No. 2244 Edn. d/ 12.7.1949 it seems that the D.P.I. can ask for addl. appropriation also in respect of the sanction of Rs. 10,000/- accorded in that G.O. for the Bhimavaram College over and above the ~~[illegible]~~ additional allotment of Rs. 60,100 now approved by the Cabinet., that is to say, the D.P.I. may apply for an additional appropriation of Rs. 70,100/- on the whole. Perhaps this position may be made clear in para: 2 of the draft order. The D.P.I. also seems to expect definite orders in respect of the Veerasaiva College. As the amount of Rs. 1,50,450 mentioned by the D.P.I. in his letters on pp 3 and 15 C.F. does not agree ~~do not tally~~ with the amount of Rs. 1,40,400 adopted ~~in the~~ Part II scheme ~~note~~ for 1949-50, it seems ~~desirable~~ necessary (to intimate to the D.P.I.) ~~to tell the D.P.I.~~ the particulars of the schemes ~~[illegible]~~ for which allotment has been made, so that he may be in a position to know which of the schemes subd. by him have been omitted by the Govt. Submitted that the Syndicate of the University of Madras granted provisional affiliation to the Veerasaiva College, Bellary, to the close of the present academic year, subject to the fulfilment of certain conditions by the management of the college, one of which related to the deposit by the management of an Endowment of Rs. 1 lakh by the end of Dec.1949. As these conditions were found unacceptable, ~~so~~ the management decided to close the college from the present academic year (1949-50). The University has therefore permitted the management to run the Senior Intermediate classes only to the end of this year, and ~~the management no students have been admitted to the Junior~~ the Senior Intermediate Class is alone functioning this year. The application of the management for grant of reaffiliation to the college from 1950-51 is under the consideration of the Syndicate of the University of Madras. The future running of the college depends on the grant of reaffiliation to it by the University. ~~It is not~~

There is no provision for payment of an equipment grant to this college in the current year's estimates and it is now too late to ~~makexxx xxxxxxxx~~ obtain a ~~any~~ supplementary grant for the purpose. It is not therefore possible to sanction the payment of a grant to this college for this scheme in the current year. The ~~question of payment of~~ a grant may be sanctioned early next year, viz. in April 1950, as soon as the Syndicate arrives at a decision on the subject of reaffiliation. The draft memo is submitted for approval. (In this connection, it may be mentioned that the Govt. have already agreed to pay a grant of Rs. 2,64,560/- to the college for the construction of permanent buildings and the management has been permitted to proceed with the building operations. I don't understand the principle or the procedure. The College has spent some money on equipment: has sent Vouchers to the D.P.I. I presume therefore that this expenditure was "authorised" & has been on articles approved by somebody - presumably D.P.I. Pl. say if this is incorrect. Secondly I suppose when such expenditure

33 13 (32)

has been incurred on authority, the institution becomes automatically entitled to a grant. Is this so? If not they ought to be so. Grants cannot be made dependent on "inclusion" in some list - which is controlled in some office.
